William F. Carey, who succeeded the late Tex Rickard as President of Madison Square Gardens Corporation, one of the biggest jobs in the world, is likely to retire soon and his place will be filled by Col. John Kilpatrick, a former Yale sports hero. Both Carey and Kilpatrick are by profession construction engineers.

Oral Hildebrand of the Cleveland Indians, is considered by many good judges as the most promising young pitcher in the Majors and it is predicted by them that he may wind up this, his second year in Major League ball, as the leading pitcher and shut-out king of the circuit. He has pitched in fifteen games up to Wednesday last and is credited with nine wins and two defeats for a percentage of .818, the same as Lefty Grove of the Athletics. He has struck out 42 and has five shut-outs.

The Atlantic team made up of Gambi of Ravenna, Italy, Hollis and Ferrenden of New Jersey and

Dorothy Stumkrd of Philadelphia, were leading Buffalo by one lap and the Canadian and Mid-Western teams by two laps, with New York fifth and the Pacific team hopelessly out of the contest, in the eight day Marathon swim at Green Lake, near Buffalo, Tuesday evening. The contest is creating a great deal of interest and daily attendance exceeds thirty thousand people.

The Eastern Association Golf Championship which was played at Hilly Brae Burn near Boston, on Wednesday, was won by the twenty-three year old Charlotte Guting. This was her first major golfing title, although her play was so sensational last year when she put the British title holder, Ethel Wilson, out of the National Championship at Salem. She finished the 36 hole test with a score of 79-81-161, a single stroke better than Maureen Orcutt, three time champion.

ALL-STARS WIN FROM ABBIES IN THIRD TILT

The All-Stars batted out their second straight win over the Abbies at the C. A. A. Grounds last evening by an 8 to 4 score and are now leading the series two games to one.

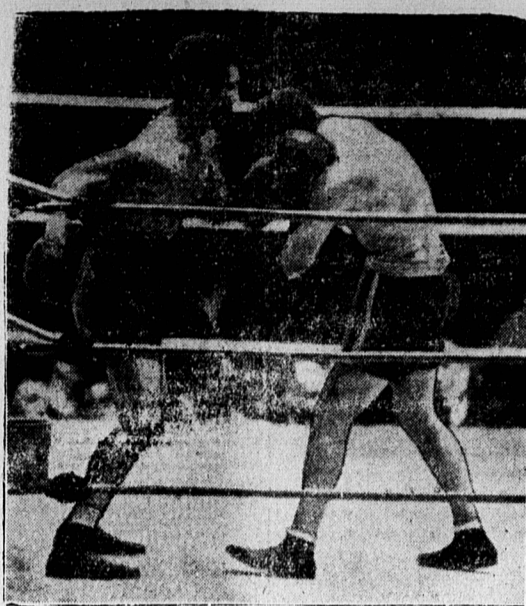

Last night's tilt was productive of the best ball of the year, and the players have improved one hundred per cent since their opening set-to.

Big George Ayers pitched a nice game for the winners keeping the nine hits gained off his offerings pretty well scattered; "Silckum" Goss sending them across for the losers was in fine form throughout but a couple of costly errors by the team behind him robbed him of a win. He yielded ten hits to the Stars.

The Lineups:—

ALL-STARS	ABBIES
Catcher	Francis
Simpson	Pitcher
Ayers	Goss
1st Base	McInnis
Acorn	2nd Base
J. Williams	Jemmett
3rd Base	Whalen
Whalen	S. Stop
Squarebriggs	T. Williams
L. Field	Price
C. Field	McNeil
McQuaid	R. Field
Doyle	Power
Whalen	Umpres—At the plate, L. McKenzie; on the base, W. Craswell

Baer Punishes Schmeling

Max Baer, sturdy Californian (Left), comes up with a damaging right, as Max Schmeling, German champion, seeks to cover up from Baer's terrific rights and left in the seventh round of their fight at Madison Square Garden, New York City, June 8. Baer won when he unleashed a terrific attack in the ninth and tenth rounds.

SPECTACULAR FINISH AS HARVARD WINS

Yale Crew lose Fourth Successive Race By Length and a Half.

NEW LONDON, Conn., June 16—(A.P.)—Propelled by the slashing thrusts of a black-haired young power house who has never known what it meant to trail a Yale Crew, Harvard's great Varsity crew came from behind with a spectacular finish tonight to whip the Elis soundly for the third successive year in a rough weather battle over the historic four-mile Thames River course.

The greatest Crimson boatload since before the war spotted Yale a full length in the early half of the long pull and then came roaring down through a bedlam of screeching noise and cheers to lead over the finish by a good length and a half.

The official times for the four miles, downstream, through choppy waters and against a brisk head wind, were: Harvard 22:46 3-5; Yale 22:53 4-5.

This was the fourth straight conquest over Yale for Cassidy and four of the oarsmen who bent their broad backs in unison behind him this evening in one of the most thrilling races on the Thames in years.

CHALLENGERS DEFEATED

SAINT JOHN, N. B., June 16—(C.P.)—Defending the Marven Trophy here tonight, Lucky Strike-Imperial Bowlers snowed a challenging St. Stephen team under a record score of 1,768 to 1,482.

Only one individual score fell under the century mark. Saint John's first string of 673 was a new Marven record, and the local aggregate was not only a Marven record but a new high team total for the city.

Horse Memoirs

(C. E. MacKenzie)

EARLY MORGANS, ETC. (C. E. MacKenzie) As almost all our early American importations were of Morgan strain it might be in place in "Memoirs" to give some facts that have come to my notice regarding this noted strain of American breed of horses. Perhaps with the exception of Kentucky, where the thoroughbred have been kept as a distinct breed there was no place that had more of the real English thoroughbred foundation than Vermont and thus we have in the Morgan breed much of the stamina and qualities of the thoroughbred.

Away back in the year 1788 a man named "Justin Morgan" removed from his native town of Springfield, Mass., to a place called Randolph in Vermont on an ox sled. As the state of Vermont was at that time almost all forest, ox teams were largely used and the horse was only used by the medical men and ministers to carry them about in their professional duties and as both these professions had few men they of a necessity had to make long journeys oftentimes of one hundred miles or more.

DOWN THE BACK STRETCH

Kitty McKane, 2:17 1/4, has given birth to a foal sired by The Great Axworthy, at Mount Edward Farm, near Charlottetown. Kitty is a mare with extreme speed by Chestnut Peter 2:03 1/4. The little fellow will be an inbred Axworthy, and great things are predicted for him and great hopes entertained.

Workouts on Thursday at the Charlottetown Driving Park track included miles in 2:21 and 2:23 respectively, by Peter Dawes 2:12 and Walkie, 2:16. They stepped the last halves in 1:07 3-5 and finished heads apart, in fast brushes down the stretch.

Volo Rico has the honor of the fastest mile over the Charlottetown track this season when he worked in 2:18 Friday. It was his second time in hopples. He seemed good galloped and the performance was an effortless one for him.

Other workouts we noticed were Mr. Henley in 2:22, last half in 1:08. Golden in 2:24, last half in 1:10. Johnny Miles in 2:24, last half in 1:10, last quarter in 31 1/2.

Heatherbell, 2:10 1/4, has been moved to the race track by Trainer Bailey and is getting regular work there. The best mile we have noticed him step was in 2:24 with the last half in 1:10.

Hush, 2:10, has not beaten 2:30 yet for Trainer Shuman, but has worked a quarter in 31 1-5 sec.

One of the most admired trotters on the race track is Kitchin, maiden record 2:16, in the care of James McInnis and owned by Herb Campbell. His coat is like burnished copper and he is beautifully galloped.

Altogether there are about twenty-five young and old trotters and pacers stabled at the Charlottetown race track and now that the workouts are getting faster and the horses are working together, the spectators are increasing in numbers and interest has become much greater. Several new horses are expected at the track within the next few days.

The three year olds recently imported by Dr. Frank Bowness, of Kensington, Aunt Het and Claire Napoleon, both by Napoleon Direct, have arrived in good order and condition and give every evidence of first class breeding. After a short time in which to accustom them to the changed weather conditions they will be given a good airing on the track. We look to see them do some great stunts for the genial Doctor before many years are over.

A report comes from Summerside that Mac Steele has worked Lucky Lindy, 2:12 in 2:16 1/4. If so it shows that this grand pacer is in excellent form, which is only what we would expect from his having been under Mac's care. In caring for and conditioning a horse we do not know of anyone who can bring them to the post in better form than the lanky Westerner.

Night races for Northam, June 21st. This will be the starter of regular summer meetings. Edgar is putting it on so as to give the boys a chance to earn some money early and also to demonstrate what a wonderful new plant he has and what good racing can be given by artificial light. The program consists, as will be seen by advertisements, of a 2:17 mixed, a 2:28 mixed, a Match Race, Lucky Lindy versus Heatherbell and a green race. The above should give plenty of action and draw a big crowd to the mammoth plant at Northam.

We are indebted to James Arbing for a report of a race at Halifax, July 18th, 1893, forty years ago! The account states that "the track was fast, as shown by the fact that three horses entered the 2:30 list and the

Maritime Provinces trotting record was lowered one-quarter of a second and is now 2:27. The track record was lowered three-quarters of a second." These two feats were accomplished by the four year old stallion Brazilian by Brown Wilkes, who afterwards came to Prince Edward Island and established himself as a great sire of trotters and pacers whose blood is continuing on in many of our performers today.

Here is the summary: Halifax, July 18th, 1893. Free For All Trot, Purse, \$200. Brazilian by Brown Wilkes 4 2 1 1 1; Stranger by Sir John Dean 2 1 2 3 2; Resolution by Rampart . . . 1 3 3 2 2. Two other starters. Time, 2:28 1/2, 2:28, 2:27, 2:28 1/4, 2:28 1/4.

It now transpires that the exportation of Brevere 2:03 to Italy, is due to a rivalry between owners of trotters in that country. The importation of The Marchioness 1:59 1/4, has made a rival owner envious and he has bought Brevere 2:03 to race against the world's record holder. I will be remembered that these two raced as three year olds and the only trotter that won a race from The Marchioness that fall was Brevere, when he won the 23rd renewal of the \$6,000. Matron Stake at Cleveland.

London, Ont. was the scene of some wonderful racing on the afternoon of June 8th. The biggest feature was the mile in 2:10 by Peter T., winner of the 2:17 pace in straight heats. The 2:22 pace was won by Black Patch, best time 2:13. My Old Pal winning the third heat in the same notch. The 2:28 pace first division was won by Betty E. Grattan, best time 2:15 1/2. Donna

Timely Tips On Sport

CITY LEAGUE TILT TUESDAY

The City League baseball series is due to get underway on Tuesday night next according to present plans. The same three teams as last season comprise the loop, namely Rovers, Falcons and Stars.

GETS FIRST HOMER OF SEASON

George Ayers while pitching a lovely game last evening took time out to wallop one of Goss' deliveries for a home run, the first four base wallop of the season. The blow came in the fifth with none on.

RETURNS TO GAME

Johnny Williams, former Abegweit second sacker came out of retirement last evening to help the All-Stars defeat the Abbies. John, besides accepting several fielding chances connected for a double and single at bat, driving in three runs.

NIGHT RACING

Flood lights will brilliantly illuminate the track at the Milligan and Morrison Races next Wednesday evening when many well known horses will compete for the prize money. For some time extensive improvements and preparations have been going on in order to accommodate and please the immense number of visitors who will witness "the sport of kings" at Northam. The dance pavilion recently constructed is another of the many attractions.

CRICKET

At a practice held at the Victoria park last evening a number of cricket enthusiasts intent on forming a club were initiated into the game by former members. A general knowledge of the play was imparted. The boys are asked to be on hand this evening for another session.

FIXED RATES

(Continued from Page 1)

represent considerable concession by the British who had first insisted that sterling must be reduced substantially below the high levels reached in terms of dollars since the United States abandoned the gold standard.

Prime Minister R. B. Bennett himself is representing Canada on the Monetary Committee, while Hon. E. N. Rhodes, Canadian Finance Minister, and Hon. G. Howard Ferguson, Canadian High Commissioner in London, are members of the Economic Committee. After the initial sessions of the two commissions this morning the only meeting of the conference this afternoon was that of the Sterling Committee.

D'ONT FORGET

Boxing tonight at Borden Rink. Also dance at Abegweit Hotel. Ticket to boxing also good for dance.

YANKS TRIM ALBANY WITH 20-HIT ATTACK

(Associated Press)

ALBANY, N. Y., June 16—New York Yankees stopped off today and battered out a 15-8 victory over the Albany International League club with a 20-hit attack. Johnny Broaca, former Yale star, went the route for the Yanks although mauled for 16 safeties. Two rookie pitchers, Gwathmey and Liddy, took most of the pounding for the Senators while Manager Bill McMorry went in to pitch the last inning.

CHARTERED ACCOUNTANTS HOLD MEETING

The annual meeting of the Institute of Chartered Accountants of Prince Edward Island was held in the Board Room of the City Hall. The council of the Institute was in session during the afternoon, and disposed of many matters relating to the routine affairs of the Institute.

Mr. W. E. Massey, C. A., presided at the general meeting of the members at which reports for the year were received and financial statements presented. The reports indicated that the affairs of the Institute were in a healthy condition. The total membership now numbers fifteen including members residing in other provinces.

The President stated that he had attended the Dominion Association of Chartered Accountants, which met at St. John during August last, when many matters of interest including depression were dealt with. He reported that among other things, efforts were being made to establish uniformity of by-laws with a view to bringing the regulations of all the provincial institutes as closely as possible into conformity with each other. He further reported that some progress had also been made with respect to uniformity of provincial laws relating to the management and operation of corporations. The next annual meeting of the Dominion Association it is understood, would be held at Edmonton in Jasper Park during August of this year.

The executive or council of the local institute for the ensuing year will consist of the following:

Mr. Geo. P. Nicholson—President. Mr. John Anderson—Vice-President.

Mr. W. E. Massey—Secretary. Messrs D. S. Hart, Harvey E. Crowell, F. L. Belyea, and T. Harold Johnson. Mr. W. E. Massey was selected as the Institute's representative on the council of the Dominion Association and will attend the session of that organization at Edmonton and Jasper Park.

PAWSON AND KOMONEN IN TODAY'S GRIND

(Associated Press)

WASHINGTON, June 16—Smooth-striding Dave Komonen of Toronto, starting in the United States marathon championship here tomorrow in a field of 1829, will be faced again by Leslie Pawson of Pawtucket, who alone led him to the wire in this year's Boston marathon.

Either the Toronto Finn or the "Rhode Island Rambler" who set a new record in winning the Boston classic, are highly favored to take tomorrow's Amateur Athletic Union championship. But they will be up against the stiffest of opposition for the 26-mile gallop.

Along with Komonen, 98-pound Percy Wyer of Toronto's Monarch Athletic Club, will carry Canadian hopes. Paul De Bruyn, German star of New York, and Albert Michelson of New York, are other top-notchers vying for the title.

BOUT DELAYED

(Associated Press)

CLEVELAND, O., June 16—The Johnny Risko-Patsy Perroni boxing match scheduled for tonight in the Cleveland Stadium was postponed until sometime next week due to threatening weather. The match probably will be held Monday or Tuesday night.

Macs Win Over Elms

After being defeated Wednesday night to the tune of 10-8 by the Anchors, the Macs came from behind last evening at Victoria Park to take the Elms into camp in a regular Industrial League game, the final score reading Macs 9, Elms 5.

For the Macs Morrison pitched a steady game and was instrumental in his team's victory. Connors' home run was a feature of the game.

Fraser, hurler for the Elms, pitched a great game.
