## Weiland Wins Points Ch'Ship National League

(Canadian Press) MONTREAL, Que., Mar. 21.—Pooney Weiland, center of the Boston Bruins, won the points championship of the National Hockey League in the scheduled season which ended Tuesday. Points are awarded for goals and assists, each being held of equal value. Weiland with a total of 43 goals, which with 30 assists, gave him a total of 73 points.

**Boucher Second.** Frankie Boucher of the Rangers, retained second place in the section of the league for points with a total of 62. The race for actual goals scoring honors was extremely close. While Weiland notched 43, he was closely followed by his team mate, Clapper, who crashed home 41, just one more than Howie Morens, center ice star of the Canadiens. Morens rapped in five goals in Canadian final scheduled game which gave him the scoring leadership in the Canadian section by a margin of one over Nels Stewart of the Maroons.

**Kilrea Leads Canadian Section.** Hec Kilrea, left wing of Ottawa Senators, led the Canadian section in points, with 36 goals and 22 assists, with Stewart second, 39 and 16. Joe Lamb, centre of Ottawa Senators, led the bad men for the season. Fifth in the points race, Lamb accumulated 119 minutes in penalties.

## Sport Personalities

**TOM MCCARDLE—**  
"WORLD'S FOREMOST MATCHMAKER, WHOSE FIGHT CARDS PACK 'EM IN REGULARLY AT MADISON SQ. GARDEN!"

Matchmaker for Madison Square Garden in the world's pugilistic center—New York City—constitutes one of the most important of all sport jobs and it is no idle bla or puffery to note that Tom McCardle fits the post as snugly as Carnera does a Size 21 (or is it, in fact, a 17?) shoe.

During the regular indoor season, from October through April, the Garden stages a show nearly every day, usually on Friday nights; and in the summer, two or three big open air shows in one or more of Gotham's huge baseball parks.

It is the matchmaker's job, of course, to arrange shows that will produce the maximum box office receipts, to do so at reasonable costs,

and to satisfy both the public and the New York State Athletic Commission that such matches are "for the good of the game" is, not harmful to good sportsmanship.

Indoor shows gross more than a million dollars annually at the Garden, the expected net for 1929-1930 indoor gates there being about \$800,000. Tireless Tom McCardle has to work at high pressure to pile up such totals. For hours of a wintry day, he fairly lives on a 'phone fixing this or cancelling that match, arguing with nearly all the adroit gold diggers of the ring racket, placating steaming politicians, tickling the Wall Street temperaments of some of the Garden's farm-famed "Six Hundred Millionaires" and—constantly clinching bouts such as will force the genial "Mike" Jacobs, ticket specialist extraordinary, to reinforce joyfully the Garden's own big selling staff!

McCardle—familiar with fight fans from long experience with other clubs—believes in reasonably priced shows, i. e., he prefers to fill the Garden at \$5 or \$10 "tops"; rather than half-fill it at \$15, \$20 or \$25. In this he differs from the late Tex Rickard, "Lou Brix is McCardle's right-hand man. Both are tactful experts in all "angles" of a sport far free from racketeering. Tom seldom loses his temper but, when he does, all he has to do is reach for Brix!

## Victoria Unions Defeat Truro 4-3

### Splendid Victory Last Night Gives Them Nova Scotia-P. E. Island Title.—Will Play N. B. Champions Next Week.

Victoria Unions, Intermediate Hockey Champions of Prince Edward Island, covered themselves with glory last night, by defeating the Truro Primroses, Nova Scotia champions in a sudden death game for the Nova Scotia-Prince Edward Island Championship and the right to play New Brunswick champions for the Maritime Intermediate hockey flag. When the final bell rang the score stood 4 to 3, with Truro extending themselves to the limit in an endeavor to even the count.

Last night's championship affair was all, and even more than the word implies. Fast ice, eager and determined lineups straining at the leash with a record attendance waiting for the word, surely was a setting befitting the opening hostilities of a hectic clash.

The game was hotly contested and bitterly fought from bell to bell and conceded to be the toughest and most spirited ever played in Victoria Park, and notwithstanding this only seven minor penalties were handed out by Referee Frank McFarlane of Cape Traverse, who handled the game in a masterly and very impartial manner. In fact the Truro boys were loud in their praise of the all round sportsmanship of the Victoria boys and expressed themselves as very grateful of the excellent treatment accorded them both on and off the ice.

It was mainly due to the speed and heavy checking game adopted by the Unions last night that brought them home on the top side of the ledger. They were forced to a break-neck pace on the front line in every period, and on the defense, hard checking and the brilliant work of the Union's goalie saved dangerous situations, with two and at times three visiting puckmen crashing the blue in desperate attempts to get through.

The Island champs started off well, realizing a counter in the first period, and in the second frame jumped into an early commanding lead by crashing three more goals by the time they had scored one in this frame and in the last period, with five men up, scorched two more tallies into the Victoria net. These scores came just three minutes before the "curtain call," and when the bell rang the Unions were busy—very busy shoveling rubber away from their citadel. It was a thrilling climax to an equally thrilling struggle. Unions proved themselves wonderful in that last three minutes. Their courage in the face of a relentless attack was never questioned they had a good lead at the beginning, but the cutting down process servers opened up an onslaught that would have broken the morale of a far more experienced team. But not so with the Unions, they were in there to win, and an indomitable courage plus lots of hockey sense in the pinches carried them through a very tight corner.

The Unions are a credit not only

to their section but the Island in general. Their scintillating victory bespeaks great things for them in quest for the Maritime Provinces title. Should they win or not—its "All Hall Victorias"—at any rate the New Brunswick champions may look forward to a dynamic struggle on Monday or Tuesday of next week.

**THE GAME BY PERIODS**

The game got away at 9:15, three quarters of an hour late, due to a break-down of the car conveying the visiting team from Albany to Victoria. The opening tally of the evening came thirteen minutes from the face-off. Donald McLeod, fast wing man of Victoria securing the disc on his blue line skirted the mob, to breeze down his skated and plant a beautiful sideshot past the Truro goalie. There was no further scoring in this period. Three penalties were handed out, 2 to Victoria and 1 to Truro.

**SECOND PERIOD**

Just seven minutes from the opening bell, Biswanger, great defence player of the visitors soled for a brilliant score. His stickhandling in this play was exceptional, and on the goal count, was given the glad hand. Five minutes later, Victoria, not to be outdone added their second score of the evening. Stewart in another splendid lone career notched the leading count from which they were never headed. Three minutes from this tally, Victoria scored again on a great combination play. Stewart to D. McLeod, the latter doing the scoring. Just three minutes from this net twister, Stewart repeated in a dashing rink end rush. Score, Unions 4, Truro, 1.

**THIRD PERIOD**

For the first seventeen minutes of play the battle waged fast and furious, with the Unions throwing up a great defensive barrier. However, with just three minutes to go Truro broke through for two goals. Mills getting one and Crowell the final count. The counts were made on individual efforts.

**ABBIES, 2. KENSINGTON 1.**

In an exhibition game played at Kensington last night between the Granites and Intermediate Abegweit, the latter came out victorious on the long end of a 2 to 1 count. The game, played on an exceptionally smooth ice surface, and witnessed by a large crowd of fans, was fast and exciting in every period.

## KENSINGTON 3 MONTAGUE 2

One of the "sweetest" games of hockey seen in the Kensington Arena took place on Wednesday night, Mar. 19th, when the Montague team tried conclusions with the Kensington Pirates. Both teams played fast, consistent hockey, with the Pirates seeming to have the "edge" on Montague most of the time. Mabey, (goal keeper for Montague), withstood a much heavier bombardment than White (Kensington). The Pirates seemed to strike the stride they exhibited earlier in the season, when they held the fast Victoria Unions to a one goal score. They appeared to be electrified, and their admirers were delighted at their rehabilitation. The Montague team are a clean cut bunch of young athletes, containing some very fast skaters, who are also real crafty in juggling the rubber disc, but didn't appear as strong on team work as the Pirates. The score at the end of the first period was 1-1. Each side scored in the second. The Pirates scored again in the last period. The final gong sounded with Montague making a heroic effort to again even the score. The game was remarkably clean and sportsmanlike, only one penalty being inflicted. Layton Rogers refereed in his usual impartial and efficient manner.

**"The Broadway Hooper" Amusing Musical Romance**

**THE VOICE OF HOLLYWOOD INTRODUCING FAMOUS SCREEN STARS AND "OUR GANG" COMEDY ALSO FEATURED**

"The Broadway Hooper," Columbia's all-talking, singing picture, which opened at the Prince Edward Theatre yesterday, proved to be a decidedly pleasing romantic drama interspersed with catchy tunes and artistic dance numbers.

The story is simple, but sufficiently strong to carry the interest of the audience, even without the excellent musical features. Acting honors must be about equally divided among the three principals—Marie Saxon, Jack Egan and Louise Fazenda. Miss Saxon is a charming blonde with great dancing and singing ability. Her role in "The Broadway Hooper" gives her plenty of opportunity to display these talents. She won much favor with last night's audience. George Archainbaud deserves mention for the excellent direction.
