

Saved a Life.

Erysipelas and Impure Blood Were Doing Their Deadly Work.

Paine's Celery Compound Gives Mrs. Gallagher a New Lease of Life.

Exposure to cold, indigestion and dyspepsia, debility, impure blood, run-down system, living in badly ventilated rooms and poor surrounding hygienic conditions, are all causes of erysipelas. It will afford comfort to thousands to know that, with ordinary care and the use of Paine's Celery Compound, the many dangers of erysipelas can be entirely avoided. When any of the symptoms above are noted, promptness in the use of Paine's Celery Compound will quickly banish all dangers.

If, unfortunately, you are subject to the disease and have not yet had the great prescription, we say, with a desire for your welfare, give Paine's Celery Compound an instant trial, so that you may be able to fully judge of its worth.

Mr. John Gallagher, Marbleton, P. C., one of the many saved from death by Paine's Celery Compound, writes as follows:

In the winter of 1897 I had a severe attack of erysipelas. At the same time my blood was out of order, I was completely run-down and so weak that I could not stand alone. I commenced at once to use your Paine's Celery Compound, and after taking five bottles I was greatly benefited, and seemed to take a new lease of life. I know from experience that Paine's Celery Compound is possessed of all the merits claimed for it, and I will recommend it to all suffering from erysipelas, headache or stomach troubles. I also consider Paine's Celery Compound the greatest of all blood purifiers. I keep some of the Compound at all times in my house, and use it as a family medicine."

KLONDIKE BAR

Important Announcement GREAT INTEREST TO FARMERS.

THE management of the Charlottetown Soap Works, announce to the farmers of Prince Edward Island, that they have purchased at a very low figure for a term of years all the grease by-product of the Charlottetown Pork Packing Factory, accumulating from time to time, and are in a position to supply farmers and others with a cheap soap far superior in quality to the home-made article, and at a price so low as to make it scarcely worth while to worry about soap supplies hereafter.

KLONDIKE BAR will be for sale in a few days by all dealers at the low price of ten cents a bar of three pounds.

THINK OF IT.—A first-class laundry soap, worth about 10 cents for 3 lbs. It will save a waste of time and money for farmers who bother about soap making now. The grease he has sold to the Pork Factory for 5 cents per lb. will be returned to him, manufactured into a first-class article of soap at a cost of 2 cents per lb.

TALMAGE'S SERMON.

(Continued From the Third Page.)

Mary comes, and says, "Lord, if thou hadst been here, my brother had not died." He replies, "I am the resurrection and the life." How that sweet message has come rolling down the ages for nearly 1900 years. "I am the resurrection and the life." May God help you now to believe on the Son of God. He said, "I have ye laid him?" They tell Christ all about his last acts and words, as we do if a friend was absent when a loved one died. They all go out to the grave, and I get much comfort out of the fact that the Son of God wept over that grave. When I stand by the side of the grave of some member of my family I want the Christ who can stand by me. That is the Saviour I preach to you to-day. How do I know it? Because I have been there, and he has stood by me. He wept and sympathized with those sisters, and said "Take away that stone." They remonstrated, but he said; "Said I not unto thee, that if thou wouldst only believe thou shouldst see the glory of God? O man and woman, believe, and you will see the glory of God. He called Lazarus by name, and as soon as Lazarus heard the voice of his old friend, instantly he came forth. If the Son of God can raise the dead, can he not raise every dead soul here? Let him speak to you and you will live. Oh, be wise to-day, unlock the door of your heart, and say, Thrice welcome, and he will come in and abide with you.
