Boyce was chairman and Mrs. W. W. MacLaren was secretary. After a short devotional period the treasurer, Mr. S. C. Knight read his report for the year 1949, indicating that the past year had been a prosperous one. Mention was made of the much needed improvements made to the exterior of the church, which now presents a fine appearance with its granite style of brick-siding and white trimmings. Favorable comments were made concerning the contractor and all those who helped. In the absence of the treasurer of the Woman's Association, Mrs. L. MacDonald is doing nicely following an operation in the P. E. I. Hospital. Mr. MacDonald spent Christmas at his home in Bellevue, returning to Hospital for his operation early in the New Year. MacPhee and Mr. Malcolm MacPherson. These two fine old gentlemen feeling a little too old to attend at night and a little too young to miss the annual Christmas program drove down to the school to spend the morning with pupils and teacher.
