Get Our Modern, No Trouble Closet Flush Tank in Your Home---

You can't afford to deny yourself the comfort and convenience of one of our new, perfected closet flush tanks, because what you save on repairs will in a very short time more than cover the cost of having it installed in your home.

There is only one sure way of correcting your present flush tank faults, and that is by having your old-fashioned flush tank thrown out and replaced by one of our "no trouble" tanks. You must do it eventually, why not now? See our display of these new, trouble-ending tanks.

Call today.

Fred H. Trainor, 80 Grafton Street, Opposite Opera House

THURSDAY

BIG STRAWBERRY.—Probably the largest strawberry ever seen in Charlottetown was brought to the Guardian office yesterday from the garden of Dr. Toombs, Mount Stewart. Its dimensions were 2 3/4 inches in diameter and nearly eight inches in circumference. It was perfectly formed and beautifully ripened.

OUT CAMPING.—Upwards of twenty young men from Tignish are camping near Kildare Bridge and from all reports clam-digging is the chief pastime along with plenty of canoeing and boating. Their friends here are anxiously awaiting the invitation to attend their annual clam-bake which will be a huge treat to the lucky recipient of an invitation.—Z.

WELL KNOWN TEACHER.—Miss Gwen McCarthy of Seapoint had been chosen by the Canadian military authorities to be disposed as they consider best. This is the fourth gun from individual contributors in the province, and will no doubt be followed shortly by others, either from individuals or from associations.

ANOTHER P. E. ISLAND GUN.—The Guardian is pleased to announce that Mr James Paton yesterday expressed his intention to provide a machine gun to the Canadian military authorities to be disposed as they consider best. This is the fourth gun from individual contributors in the province, and will no doubt be followed shortly by others, either from individuals or from associations.

WEDDING BELLS.—The marriage was solemnized at St. Joachim's Church, Vernon River, Monday morning, July 26th of Mr. Joseph Praught to Miss Ellen McDonald. The groom was supported by Mr. A. J. McDonald while Miss Catherine Coughlin acted as bridesmaid. The ceremony was performed by Rev. Father McGuigan. After the ceremony the happy couple drove to Charlottetown thence to their future home, Westview Cottage, Mount Mellick. The presents were numerous and costly showing the high esteem in which the parties were held. The Guardian joins in wishing Mr. and Mrs. Praught best wishes for a happy future.

MARRIAGE.—The marriage took place at the Cathedral, Charlottetown Saturday morning of Mr. Wilfred Dalton of Burton, Lot Seven, and Miss Eva Irene Coughlin of Boston, Mass. Rev. S. J. McDonald performed the ceremony. The groom was supported by his brother Arthur E. Dalton and Miss Angelina Coughlin acted as bridesmaid. Both of these young people are well known in Tignish and their numerous friends wish them much joy and happiness. After a short honeymoon Mr. and Mrs. Dalton will make their future home in Boston.—Z.

RAILWAY EMPLOYEES MOVE.—A large and enthusiastic meeting of the representatives of the Railway employees took place at the Railway Offices last evening. The object of the meeting was to take steps to raise a fund for a machine gun. The proposition was taken up with much enthusiasm, and each person agreed to give one day's pay toward the object. Superintendent McEwen acted as chairman and Mr. W. T. Huggan Secretary. Treasurer. The balance of the committee is made up of representatives of the different railway organizations.

MATINEE HORSE RACES MONDAY.—The Charlottetown Driving Club are going to put on another series of their Matinee Horse Races Monday afternoon on the local track. The very cream of the island sport will be racing, including Hilda S. Princess Etta, Dr. Sharper, Dixie Girl, Devilish Dorothy, George Cresceus, Oakley H., Derby, Casey Cresceus, Belmont Miller, Baby Don, Picton S., Brenton H., Admiral, Queen Alto, Mira Wonder and many others. Altogether the club expects this matinee to be the very best held this summer.

EARNEST CLIFFE NOTES.—Mr. Alex. McPherson, one of Cardigan's most popular young men, returned to his home Saturday evening from a pleasing visit with Earncliffe friends.—Mr. Weldon Tweedy, who spent last week with Mr. Francis Mutch and family, is enjoying the remainder of his holidays with Mr. and Mrs. Harry Tweedy.—Our people greatly appreciate the weekly visits of our meat dealer, Mr. Eddie Fraser, whose reputation for being a good butcher is second to none in P. E. I.—Mr. and Mrs. Orman Pool, and Miss Winnie Poole, Lower Montague, were visitors last week with Mr. and Mrs. Harry Tweedy.—A nice new railing has been built on the bridge below our cheese factory. It supplies a long felt want. Railings on the bridges at Huggin's and Judson's are badly needed, and we trust the efficient roadmaster, Mr. Cyrus Kings, will have them put up in the near future.—Miss Hazel Mutch is spending her holidays at her old home here.

Kidney Trouble?

The waste material which the kidneys are intended to remove from the blood, if allowed to accumulate in the system, poison the blood and thus produce deleterious effects.

If from over-work, exposure to cold, or some local injury, the kidneys become congested or inflamed and cannot perform their functions, the system becomes filled with uric poisons.

Whenever a dull, heavy pain is felt over the region of the kidneys for any length of time, accompanied by a sallow complexion, loss of appetite, decrease of weight, and a puffy condition under the eyes and in the ankles, a chronic inflammation of the kidneys must be suspected, and if not relieved promptly chronic Bright's Disease will certainly develop.

Abbey's Effervescent Salt, sold everywhere at 25c and 60c which is a Diuretic as well as an Aperient, will carry out of the system the poisonous material which the kidneys cannot get rid of, and will relieve the congestion of the kidneys.

Sold by George E. Hughes.

—NICK OF TIME.—Had it not been for the timely appearance of Mr. Everett Clohosey at Jude's Point near Tignish Harbor on Sunday there is no doubt Emilie Richard a young lad of sixteen would have met a watery grave. It seems that while swimming the youth was taken with cramps and while going down for the third time his predicament was witnessed by Mr. Clohosey who at once without removing his clothing jumped into the deep water and caught the boy and brought him ashore.—Z.

RETAIL MERCHANTS TO PROVIDE GUN.—A meeting of the retail merchants was called in the City Hall yesterday at 4 o'clock to consider the question of contributing towards buying machine guns for the army. Quite a number of merchants were present and all were unanimous that the retail merchants of Charlottetown should make a contribution along this line. The following committee was appointed to take care on the matter: Messrs James Paton, L. E. Rowsse, C. H. Chandler and George Moore. A subscription list will be opened at once and no doubt it will be most generously subscribed to. There is every indication that the merchants of the city, who have always stood loyally by any good move in the past, will go more than "do their bit" along this line also.

SUPREME COURT.—The Supreme Court closed its session at Georgetown Tuesday. The last case on the docket was that of E. E. Bell and others vs. James Jardine and others, an action for damages for breach of contract in the sale of a pair of silver foxes. The plaintiffs claimed that the foxes argued a litter of red foxes, and argued from the fact that the purchased pair were not as represented. The hearing occupied four days and quite a number of witnesses were examined. Evidence was given on behalf of the plaintiffs by Dr. J. D. McIntyre, Robert W. Stewart, Myrtimer McLean, Norman Nicholson and the plaintiffs themselves, and on behalf of the defendant, by Dr. John Jardine of Summerside, Dr. Fred Jardine of Kensington, James Jardine, George Jardine, Mr. Lock, Mr. Easter and others. The jury rendered a verdict for the plaintiff for \$15,000 damages. Johnson and Stewart for plaintiffs; Warburton, Martin and McCallum for defendants.

NOMINATION ACCEPTED.—Mr Leonard Wood, who, it will be remembered, was offered the nomination for the Third Electoral District of Queens, at the Liberal-Conservative Convention recently held there, and who took time to consider, has notified the Convener, Mr. W. J. Gibson, of his acceptance. Mr Wood is one of the progressive farmers of his district, thoroughly alive to all the interests of the farmer and of the province. He represented the district for a term some years ago, when the party was in Opposition, and when the opportunities for helping his constituency were very much less in evidence than they are to-day. Now with a strong colleague, Mr. Feehan, the Third District of Queens stands a good show to be well looked after. Mr Wood is popular, and deservedly so, and who will certainly make a faithful and honourable representative. There is great satisfaction throughout the district over his acceptance of the nomination. He is a busy man and although at first reluctant to accept, now that he has put his hand to the plough, he will devote his time and energies to the needs of his constituents and is already assured of the hearty support of his fellow-farmers.

The old order ever changeth yielding place to the new, and so the old generations vanish to be replaced by others. During the present year Vernon River and adjacent districts have witnessed the exit from earth's concerns and cares of most of those aged and revered residents whose earthly careers carry one's mind back to a time when those who are no longer young, were yet unborn. Worthy men and women were they, whose honest toil and thrift, in days full of hardships now unknown made their lives a success and a blessing to others and their death a full of peace in the consciousness of having been good and faithful servants of their Master.

On July 8th at Cherry Valley death called to eternal rest and reward Ronald Macdonald at the age of ninety-two. For a great part of a century he had been a prominent citizen of the place, and one of its pioneers. During his long span of years his life had been an exemplary one. Industrious, charitable, a perfect Christian gentleman of the old school, the community respected him, and God favoured him with prosperity, peace and length of days. Scarcely was touched by sickness, the illness which terminated in his death was of only a few days duration. Fortified by all the rites of the church of which in life he had been a most devout and faithful member, his death was calm and peaceful. The father of a large family, two sons only survive him. John in British Columbia and Alexander at home. His funeral was very largely attended, friends, and acquaintances who esteemed him in life coming from far away to pay the last tribute of honor. His remains were laid in St. Joachim's Cemetery beside those of his wife who predeceased him several years. May perpetual light shine upon him.

The death occurred at an early hour on Sunday morning July 11th of Margaret J. beloved wife of Philip S. Francis of Moncton, N. B. after a severe illness of several weeks, borne with Christian resignation to the divine will. All that a loving family and medical skill could do was done, but nothing could retard the grim messenger of death. She was a quiet unassuming woman, and was loved by all her friends and neighbors and will be greatly missed both in the home and community. The remains were brought home from Moncton on the 13, being accompanied by her husband and three children to the home of Mr. Earl Dingwell in Bay Fortune, from which place the funeral took place on the 14th to the Presbyterian Cemetery where the remains were laid to rest. Rev. Wm. McLeod conducted the service at the house and grave. She was in her 45th year and leaves to mourn a sorrowing husband, Philip S. Francis, one daughter Elida A., three sons, Philip S., and William H., all at home in Moncton and Edwin Earl, of Bay Fortune, an aged mother, Mrs. Joseph H. Dingwell of Little

TO WITHDRAW FROM THE BATTLEFIELDS.

WASHINGTON, July 26.—The decision of the American Red Cross to withdraw on October 1 its doctors and nurses from the European battlefields, was being discussed to-day by officers of the society, who expressed regret at the necessity for the action. Lack of funds is given as the reason.

Of the sixteen units, all will return to the United States with the possible exception of two in Belgium, where there is the greatest need. The Serbian sanitary commission and other work supported by special contribution will be continued as long as funds are available.

Prince Edward Island is not yet mentioned in this list, but in a few days, with the start already made, there will be something worth while to report. It is hoped that Prince Edward Islanders will rise to the occasion, and that whatever is done shall be done quickly. He gives twice who gives promptly.

COMPENSATION

"Some conscienceless rascal, while I was lurching at the club, walked away with my umbrella."

"Too bad. Where did you get the umbrella you are carrying now?"

"Why, when I found mine was gone, I picked up the best looking one that was left in the rack."

A Newark woman wouldn't come out of a burning building because she couldn't find her stockings. The firemen, though, had plenty of hose, so she was rescued.—Guelph Mercury.

WELL RECOMMENDED

"You say you have no reference as a cook. How is that?"

"Well, you see mum, I've always stayed in one place till the people died."

Your Bread, Cakes and Pies depend on the flour you use. If you want the best in these things, use

Raspberries and

Kellogg's TOASTED CORN FLAKES 10c. per pkg.

Smother raspberries with Corn Flakes; a layer of berries, then Corn Flakes and so on until dish is filled. Serve with cream and a little powdered sugar.

Made in Canada

You Can't Make **BEAVER FLOUR Bread** with a western wheat Flour.

YOU can't get the delicious, nutty, homemade flavor, with western wheat flour, that you get with "Beaver" Flour.

You can't get the lightness—the snowy whiteness—the fine texture—the uniform, dependable quality and strength—with western wheat flour that you get with "Beaver" Flour.

The Agricultural Colleges have proved—by experiments—that a true blended flour like "Beaver" Flour, is the only one suitable for both Bread and Pastry.

The bakers, in the big cities like Toronto, have proved that it pays to use a blended flour like "Beaver", because all their customers want "that delicious Bread with the tasty, homemade flavor".

Try "Beaver" Flour yourself. Test it for Bread and for Pastry—and you'll see that it IS BEST for both. Your grocer has it.
