For a few minutes the fire looked bad as a fierce blaze was coming out of a rear window when the firemen arrived. A stream of water was immediately put on. It was discovered that the shed was isolated from the buildings in the vicinity and that the blaze could be extinguished easily and anxiety regarding a serious blaze was dispelled. The property which was used as a poultry shed was badly gutted and a number of hens were lost. The fire was under control at 12:45. Had it not been for the prompt arrival of the firemen the blaze would undoubtedly have spread to the adjoining buildings. It was at first rumored that the fire was in the Labor Union Hall, but the building was in the rear and the hall suffered no damage.

ICE RACES TODAY

The Charlottetown Driving Club will hold their first ice races of the season this afternoon, commencing at 2 o'clock sharp. The course has been laid off from near the Hillsboro Bridge approach to Sands Southport wharf. The spectators can get on the ice by the approach near Carter's warehouse.

The races will be quarter miles only, as it has been impossible to clear much more than that distance. The Track Committee have done wonderfully well in getting the ice cleared, at all as it meant a tremendous amount of labor.

It is hoped that those who are not racing tomorrow will keep off the course to prevent accidents, and also will keep the track in good condition for racing over. The members of the Club who are paying for the work, are naturally anxious that all who use the track contribute, as it will take a lot of money to keep it in condition throughout the balance of the winter. This fact has been lost sight of by a great many who use the track, but never lend a helping hand.

The three classes for today will be a Free-for-all, with three entries, a Class A trot, with five entries and a Class B pace with five entries. The first heat called will be the free-for-all pace which will be run off at 2 o'clock sharp, followed by the Class A trot and Class B pace.

**DEATH CLAIMS MR. J. EDGAR MELANSON**  
MONCTON, Feb. 20.—Under most distressing and sad circumstances the death occurred yesterday morning at 8 o'clock at 195 Queen St., the residence of Miss Cora McSweeney, of Mr. J. Edgar Melanson, son of Hon. O. M. Melanson of Shediac.

It is hardly a month since Mr. Melanson was married in Montreal to Miss Ellen McSweeney, daughter of Mrs. W. B. McSweeney of Montreal, and niece of the late Senator McSweeney. They were making their temporary residence in Moncton for the winter months, intending at a later date to move to Shediac, where Mr. Melanson was about to establish himself in the Wholesale Fish Business.

Just a week ago, Mr. Melanson was taken down with what eventually turned out to be pneumonia, and while everything that nursing and medical skill could do was done, nothing could avail.

Besides his widow, he leaves a sorrowing mother and father and three brothers and three sisters.

If you want to please your friend get through talking so that he can begin.

**IN MEMORIAM**  
In loving memory of our dear father, Hugh MacMillan, who died, Feb. 22nd, 1922.  
When the evening shades are falling  
And we are sitting all alone,  
To our hearts there comes a longing  
If he only could come home.  
Oft and oft our hearts do wander  
To a grave not far from here  
Where we laid our darling father  
Just one year ago today.  
Sad'y missed, but lovingly remembered. Inserted by his wife and family.

**IN MEMORIAM**  
In loving memory of James M. Sharnon who died Feb. 20th, 1922. Rest on dear Father, thy work is over  
Thy willing hands shall toll no more,  
Thou wert so good so true and kind,  
Not many on earth like you we find.  
Twelve long months since you have left us.  
Time is speeding fast away.  
But to us it makes no difference,  
For our memory with us stay.  
Many tears for you have fallen,  
Since you left us here below,  
But we know it was your calling,  
Or you would not have to go.  
Inserted by son-in-law

**CURLING**  
At the Charlottetown Curling Rink Tuesday afternoon and evening, the East and West came together for the third and last time for the season, the West getting a nice victory from the East by the close margin of 13 points.

All matches were closely contested, only a good shot at the last, changing the difference in the score, sometimes from sure victory to defeat and again from defeat to victory, amid loud and enthusiastic applause for the performers of the good plays.

In this match the club in order to encourage every one to do his best, donated a set of curling stones for the team making the highest score of the matches.

This prize was won in good style by M. P. Titus, as skip, A. Scott, mate, W. Taylor, first stone and J. P. McDonald draw.

Mr. Titus and his team are very proud of their win last night, and according to rumors they will doubt be the recipients of a number of challenges before the ice goes.

**Jewtraw Lowered His Own Record**  
MONCTON, N. B., Feb. 21.—Lowering his own world's record from 184.5 to 181.5 seconds for the 220 yards, by Charles Jewtraw, of Lake Placid, featured the first day of the two days' jubilee skating meet here. This new world's mark was made by Jewtraw in a race against the former record. The international champion also made an unsuccessful effort to break the 440 yard record. He skated the distance in 38 seconds flat. These two efforts constituted all of Jewtraw's performances this afternoon. He did not compete with other skaters in the events of the day, with the result that Gorman, of St. John; Joe Moore, of New York; Al. Nuhfer, of Johnson City; Calentine Bialla of Lake Placid; Edward Reed, of Chicago, were the chief contenders for points.
