with pneumonia and in about a week, succumbed to the disease. The late Mr Gordon was one of the most successful and prosperous farmers in King's County and owned about five hundred acres of land, extending from the Brudenell to the Cardigan body, strength of mind and will, indomitable energy and thrifty habits of his forefathers.

He was a man of the highest integrity, thoroughly upright and honourable in his dealings with his fellow-men. He was somewhat reserved in manner, but was gifted with more than ordinary intelligence, and was an extensive reader, spending himself well posted on the affairs of the day.

By his death the community loses one of its most estimable residents, the home a devoted husband and record of a long and useful life.

All his other of the late Hon. Daniel Gordon of Georgetown, who died nine years ago, and a half-brother of Messrs Oswald, Henry and Fred Gordon, who reside abroad.

A widow, formerly Miss Scrimgeour, sister of Mr John G. Scrimgeour, of Oatfield, and three sons and five daughters survive him. The sons are Stafford, Henry and Charles and the daughters Margaret, Mary, Jean, Ada and Lillian, all at home. The news of his death will be learned with deep regret by a wide circle of friends, and there will be much sympathy for the widow, who is doubly bereaved since the New Year came in.

The funeral took place at 1 p.m. yesterday to Brudenell Cemetery.

MR. BENJAMIN HOLLAND.

The many friends in this province will regret to learn of the sudden death of Mr. Benjamin S. Holland, which occurred at St. Luke's Hospital, New Bedford, Mass., Nov. 17th of ulcers of the stomach. The late Mr. Holland was born in Newton Moore, England, June 28th, 1860, coming to this country when very young, spending the earlier part of his life in Taunton, Mass. He was formerly employed by the Campbell Press Co., of that place and travelled considerably erecting presses for that firm. About twenty years ago he came to Fairhaven, Mass., accepting position as engineer for the Union Street Railway Co., which position he held for a number of years. Later he entered the employ of the Atlas Tack Co., of Fairhaven, Mass., as foreman, which position he held at the time of his death. Mr. Holland was one who was held in high esteem by all who knew him. He was a man of excellent judgment and his opinion was always well worth listening to on matters with which he had to do. He was a member and Past Master of the George H. Lodge of Fairhaven, Mass. (A. F. and A. M.) Sitting in the

east in 1908. A Masons funeral was at the grave was conducted by the Master on Sunday, and an automobile sonie Fraternity from Fairhaven. Mr. Holland leaves to mourn, a wife who the remains from the funeral services was formerly Agnes C. McMillan of in Fairhaven, Mass., to May Flower P. E. Island. Two sons, Father and III Cemetery, Taunton, Mass., where Mother, three sisters and one brother the interment took place. The service of Taunton Mass.

Further Recruiting Rally Meetings Will be Held as Follows

They keep your feet warm on the coldest days. They are light, but strong. They are good for you—good for your feet. Wear a pair.

Ministers Recommend

Rev. John Davidson, of Thurso, Que., writes: "I have used PEPs and find they give considerable relief to the throat. I have also found them very beneficial for colds."

PEPs are the direct treatment for Coughs, Colds, Bronchitis, Asthma, Hoarseness, Laryngitis, and other ailments of the throat, chest, and lungs. As PEPs dissolve on the tongue, healing vapors are liberated which are breathed down direct to the sore places. Liquid cough mixtures, etc., cannot be inhaled, they go to the stomach not the lungs. PEPs get to the seat of the trouble direct.

FREE TRIAL Send this article, name of paper, and 1c. stamp for postage to PEPs Co., Toronto, Winnipeg, or Montreal, and we will send free package.

To the Farador People Of P. E. Island

Dear Friends,—As the representative of the Farador Company I take the privilege of addressing you at the commencement of my fifth year of work. I am sure it will be a great satisfaction for you to learn that the Farador has made tremendous strides during the past year and agencies have been established in every civilized country of the world including China and Japan.

You who have made good use of the Farador in time of illness do not have to be told that the Farador possesses merit. You know that an ounce of experience is worth a ton of theory. Many of you have been raised from beds of sickness by this system of healing although you were considered beyond hope of cure. Many of you have seen your loved ones relieved of such ailments as appendicitis, infantile paralysis, tonsillitis, pneumonia, diphtheria and various kinds of fever, with surprising swiftness.

It is to your good words that the Farador owes its success in the Province. Out of several hundred who have been helped scarcely a dozen have been so selfish as to fail to pass the good word along to others in need of help.

The letter is addressed to you with the hope that as time goes on you will renew your efforts in order that many sufferers may obtain the blessing of health as you obtained it.

The work of the Farador is only in its infancy. If all who have been helped would make it a rule to let others know what the Farador can do in time of illness the amount of good already accomplished would be increased tenfold.

In order that the best results may be obtained, do not wait until a disease has become chronic before you resort to a sufferer of the beneficial effects of the Farador. Acute ailments are more readily overcome by means of the Farador than are chronic ones. Most people who now accept the Farador treatment come to it as a last resort.

We want people to learn that they will save themselves much suffering and expense by coming to the Farador as the very first resort and they will also be much more certain of being cured, it would be absurd to suppose that the Farador will cure all chronic diseases, although the record shows that it has repeatedly cured a great number of such cases.

Do not become weary in well doing. The Farador is a comparatively new thing, and unfortunately some people are so prejudiced against anything new that they will turn a deaf ear to any advice, refuse to investigate and even deny the evidence of their senses. If such people fail to profit by your advice you have at any rate an act of kindness towards them which others may profit by when they see the folly of clinging to old methods when such an up-to-date method as the Farador may be purchased or rented at trifling expense.

IN MEMORIAM

LATE MRS. MCKINLAY

The death occurred at Franklin Point, North River, on Saturday the 8th instant, of Katherine McLeod, beloved wife of Mr. D. C. MacKinlay. She was called away very suddenly, being ill for a few days only with pneumonia. In her death the home and the community have suffered a heavy loss. She was a most estimable Christian lady, kind and hospitable, and she was actively identified with every work tended to uplift and benefit the community. She leaves to mourn, besides her loving husband, four children, Mrs. Victoria MacLeod, Mrs. William McMillan, Alberry Place. She was a native of Ugg and a sister of the late Judge Neil McLeod of Summerside, who died a few months ago.

The funeral of Mrs. MacKinlay, held on Wednesday last, at Cornwall, Ontario, was very largely attended and there were many beautiful floral tributes. Services were conducted by Rev. W. D. Wilson. The pall bearers were Fred White, Walter Scott, Frank Howard, Hector Murchison, A. W. Sterns and R. H. Jenkins. The brief stricts husband and family, the sympathy of a wide circle of friends will be extended.

MR. JOHN MUGFORD

There departed this life at his home in Pleasant Valley, Elliot Station, P. E. I., on Oct. 29th 1915, Mr. John Mugford of Boston, Mass., aged 54 years. The late Mr. Mugford was a resident of Boston for the last twenty-five years and finding his health failing him he decided to come to the Island to regain it, his wife and daughter, who were coming to care for him, but all that loving hands and kind neighbours could do failed, and although not confined to his bed he gradually grew weaker, until the end came to relieve his sufferings. He leaves to mourn besides a sorrowing wife, three children, two sons and two daughters. The brothers are, Alexander, Charles and Clefferton, all of Boston, Mass. The sisters are Mrs. George Ward of Graham's Road, P. E. Island, and Mrs. James Gamble of Boston. The late Mr. Mugford was widely known also by his many friends of Boston, where he carried on a successful grocery business. The esteem in which he was held was shown in the large concourse of people who gathered to pay their last tribute of respect. In the absence of Rev. M. Laird, Mr. William Smith of Charlottetown, conducted the service.

Oh Father thy gentle voice is hushed, Thy warm true heart is still, And on thy pale and peaceful face Is resting death's cold chill. Thy hands are clasped upon thy breast We have kissed thy lovely brow And in our sad and aching hearts we know We have no father now.—E. L. K.

MR WILLIAM GORDON.

The death occurred at Brudenell River early on Saturday morning, the 15th instant, of Mr William Gordon, aged 79. The circumstances are unusually sad. On January the 1st inst. his sister, Miss Hannah Gordon, who had been residing with him for many years, died of pneumonia. Her funeral took place on the following Tuesday. A few days later he also was stricken

Ends Dry, Hoarse or Painful Coughs Quickly

A Simple, Home-Made Remedy.

The prompt and positive results given by this pleasant-tasting, home-made cough syrup has caused it to be used in more homes than any other remedy. It gives almost instant relief and usually overcomes the average cough in 24 hours. Get 2 1/2 ounces Pinex (50 cents worth) from any drug store, pour it into a 16-ounce bottle and fill the bottle with plain granulated sugar syrup. This makes 16 ounces—a family supply—of the most effective cough remedy at a cost of only 64 cents. It is ready-made and never spoils. Full directions with Pinex. The promptness, certainty and ease with which this Pinex Syrup overcomes a bad cough, chest or throat cold is truly remarkable. It quickly loosens a dry, hoarse or tight cough and soothes a painful cough in a hurry. With a persistent, loose cough it stops the formation of phlegm in the throat and bronchial tubes, thus ending the annoying hacking. Pinex is a highly concentrated compound of genuine Norway pine extract, rich in quinine, and is famous the world over for its splendid effect in bronchitis, whooping cough, bronchial asthma and winter coughs. To avoid disappointment in making this, ask your druggist for "2 1/2 ounces Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Toronto, Ont.
