Your comfort and satisfaction will be  
our pleasure, with your  
support we will grow.  
We will please you  
if possible.

The Palm Gardens (formerly the Venetian Gardens) has been completely renovated and redecorated and is now the most up to date restaurant in the city having cost over Twenty Thousand Dollars. Our motto is Service, Cleanliness, Efficiency, Courtesy and Hospitality. We boast of our clean kitchens and the public is cordially invited to inspect them at any time.

We will give you something you have been looking for, something you really will enjoy at very reasonable prices in the most luxurious atmosphere where you may partake of delicious foods prepared by professional chefs.

All we ask for is to give us a trial, you shall be the judge as to what we mean by good clean service.

Our Soda Fountain is the best on this side of Toronto with all the modern conveniences to serve you the very best of Quality and give you Quantity.

We aim to please—Our guests are RIGHT—right or wrong.

### Compliment of a Friend

The Manager, Mr. Theo. Georges, with his long experience in operating restaurants is well recommended by former Vice President Curtis of the United States, former Governor Benj. S. Poulen of Kansas, Senator Arthur Copper, Chairman of the U. S. Senate and General Elie D. Hoyle, Commander of Governor's Island, N. Y., during the World War, who have known him in business as a restauranter.

The Assistant Manager, Mr. Joseph A. Lonergan of this city has had several years experience in restaurant work and for the past five years was connected with West Outlet Camps, West Outlet, Maine, one of the finest Summer Resorts in the New England States. He comes to us well recommended and invites his many Charlottetown friends to call on him at the Palm Gardens where he assures them of good efficient service.

We boast of a professional Chef of long experience being formerly connected with the Canadian National Railway Dining Service. He is well recommended by the C. N. R. System and we invite the public to enjoy his delicious meals.

Our Secretary, Mr. Arthur Seaman was formerly connected with the firm of R. T. Holman, Ltd., and is well recommended by them.

Our new staff is very efficient—it is at your service and always ready to please.

### A NEW DECORATION for Walls and Ceilings

Palm Gardens needed a Wall and Ceiling decoration in Keeping with the other equipment of this most modern restaurant. They decided on

### DURALITH

Can be used in any artistic design and tinted in any combination of colors, as a high priced appearance but really cheaper in the long run than any other decoration. See it at Palm Gardens then consult our Paint Departments.
