At Bradabane, July 4th, after a illness of two years, D. A. Matheson, dearly beloved son of M. Matheson of that place, aged 25 years. Deceased leaves one child and a sorrowing widow to mourn the loss of a kind and loving husband and affectionate parent. He lived consistently with the profession he made and he was enabled to meet death brave and without a fear. He walked with God in his life and our good hope is that in his death God has taken him to himself that as he loved his Saviour here, so he has gone to be with him forever. We are assured as in that of every true follower of Christ the day of death is better than the day of birth and so though we miss him and mourn we are not comfortless and can say, it is well, the will of the Lord be done. The estimation in which the deceased was held was very manifest in the large concourse of people who attended the funeral and followed the remains to the grave. The funeral services were very solemn and impressive and were conducted by Rev. A. Sterling.

THE GUARDIAN has received a copy of the People's Journal, Scotland's most widely circulated paper. That journal contains a portrait of the late Rev. D. Sutherland of Charlottetown, together with a touching tribute to the life and work of this noble clergyman. The press of Canada and the United States, almost with one accord, joined in lauding Mr. Sutherland's rare ability and now it seems most fitting that the press of his own beloved Scotland have also joined in weaving a chaplet to his memory.

PROHIBITION MEETING.

There was another magnificent audience in the Opera House last evening at the closing of Mr. Buchanan's series of meetings. The enthusiasm and applause reached a climax, and in telling fashion emphasized the effectiveness of the effort. It was hardly possible to imagine that a serious question like Prohibition could be presented in such an entertaining and witty way.

The chair was occupied by Mr. J. E. B. McCready, who opened the meeting with a few introductory remarks. Rev. Mr. Manifold invoked the divine favor, and Miss Walton delighted the audience, which was only disappointed that she did not respond to the hearty encore given her second number. Her sweet, sympathetic, deep voice never appeared to better advantage than in "Thy Will Be Done."

In his opening address Mr. Buchanan referred in a courteous way to the question in an evening dally: "What good result will come of the Plebiscite?" He also gave a few delicate warnings as to the character of caricature and the proper fields for its exploitation. His fable lecture was decidedly unique, and although it appeared superficially, to be a string of simple stories, it was really a powerful and profound plea for prohibition, and a well ordered argument. It developed the character of the traffic; its evil to the country; the absurdity and iniquity of license; the reason why the traffic exists; the evasions of practical politics; and how to get prohibition. Every fable made a hit, and although delicate and dangerous ground was entered upon, it was handled in a manner that could not give offense.

SUMMERSIDE RACES.

The midsummer races of the Summerside Driving Park yesterday afternoon were witnessed by a fairly large crowd of spectators. The first event was the 2.26 class with four starters: Beau Prince, 2.28, owned by Emile Arsenault, Wellington; Minnie, 2.26, owned by James McLeod, Summerside; Provider, owned by W. S. McKie, Charlottetown, and Almont Wilkes, owned by D. Nicholson, Charlottetown.

In the first heat Beau Prince led from the start followed by Provider, and kept the lead to the third quarter when he made a break and was passed by Provider. He put up a plucky spurt on the home stretch, and notwithstanding the fact that that he was very lame from a hurt received the previous day closed the heat at Provider's wheel. Provider taking 1st place, Beau Prince 2nd; Almont Wilkes 3rd; Minnie 4th. Time 2.26.

The second heat was taken by Provider 1st. Almont Wilkes 2nd; Beau Prince 3rd; Minnie 4th. Time 2.30.

The third heat was an exciting one. Minnie passed the field during the first quarter when she broke and was passed by Provider and Beau Prince. The latter breaking was passed by Almont Wilkes. They were well bunched on the last quarter Provider finishing first; Almont Wilkes 2nd; Beau Prince 3rd; Minnie 4th. The race was won by Provider 1st; Almont Wilkes 2nd; Beau Prince 3rd.

The next event was the 3 minute class with 4 starters, viz: Jock, owned by John Irving; Convincer, J. A. Brennan, Tignish; Lady Burns, William Burns, Freeport; Mambriño Administrator, John A. Marks, Margate. Jock led from the start and had no difficulty in holding his position to the close; Lady Burns second; Mambriño Administrator 3rd; Convincer 4th.

The second heat was won by Jock, Mambriño Administrator 2nd, Lady Burns 3rd, and Convincer 4th. The third heat and the race were taken by Jock 1st; Lady Burns 2nd, Mambriño Administrator 3rd, and Convincer 4th.

The third and closing event was a named race, the starters being: Gracie Wilks, owned by John A. McDonald, and Fleetwood, owned by H. Morris, Charlottetown. After a good deal of scoring the two horses at last made a good start, Gracie leading slightly to the half, when she was passed by Fleetwood. Gracie made a bad break and the first heat was finished by Fleetwood 1st, Gracie 2nd. Time 2.30. The second heat was close. Fleetwood led during the first half, when he made a bad break and was passed by Gracie, the latter coming in 1st. Time 2.34. The third heat and the race was won by Fleetwood. Time 2.37.

The officers were: T. B. Grady, Starter, R. J. Wood, Charlottetown, W. H. Manson, distance Judge Sam Grady, timers George Godkin, George McPhee, Clerk, G. M. Reil.
