Mr. Adams will sing some Irish and Scotch songs and also, "My Dreams" of Tostie, and the famous baritone song, "The Palms" by Fauro. Miss Meggy will play the "Dance of the Blues" and, the "Intermezzo in Octaves," this latter piece being one of the most difficult played by any pianist. It will thus be seen that the program is first class. Exchange tickets are now on sale at the Y. M. C. A. office.

THREE passed peacefully to her rest on Thursday morning March 30th, at Lot 14, Christy, beloved wife of Mr. Phillips, and only surviving daughter of the late Archibald Montgomery Port Hill at the advanced age of 78 years. The deceased possessed many amiable and Christian qualities. The stranger was always received at her home with kindness and the missionary of the Cross ever received a warm welcome at her side; she lived a life of faith and trust. She leaves to mourn her loss besides a husband one son Alfred at home, and two daughters, Mrs. James Miller Port Hill and Emily in Worcester, Mass. Archibald Montgomery of Portland Maine is the only surviving brother. The following were the pallbearers, John McArthur, Samuel McAuliffe, Geo. Monkley, John Ramsey, Edmund Birch, and John Callaghan. The sorrowing family have the sincere sympathy of the community in the hour of their bereavement.

THE lamentable death of the late Martock McGregor young man who was kicked by a horse, has been already reported in the press. The physician who examined him found a serious fracture involving the left temple, done without doubt by a blow from his horse. A profuse hemorrhage resulted, and he never regained consciousness. The funeral took place on Friday the 30th ult. from his late home in Bangor Morell. No event ever occurred in this part of the country that shocked the people so much or was so deeply regretted. This was clear from the large number who assembled for the burial, and the open expressions of sorrow seen and heard on every side some 125 teams made up the procession. The deceased was widely known and uniformly respected. His good cheer made him welcome everywhere. For whole community, and hope was freely entertained that had his life been spared it would surely have expanded into one of great usefulness. It adds to the pathos of the situation that he was preparing to settle down in life, having recently fitted premises of his own but God in his wisdom proposed otherwise. To his sorrowing parents, sisters and friends so suddenly bereft of one much beloved we extend our sincere sympathy. Com.

- Fred Davey, 6th, \$1.50.

There was twenty dollars beside this distributed in other smaller prizes.

THE death took place at Bay Fortune on the morning of the 21st inst. of William E. Aitken in the 72nd year of his age. The deceased had been a sufferer from asthma for a long time past. The funeral services were conducted by the Rev. John E. Thompson, when a large number of friends gathered to pay their last tribute of respect to one who in life they all respected. He leaves to mourn his loss a sorrowing wife and grown up family of children, one son Fred in Bath, Maine; and three daughters Melinda, Newton Centre, Mass, Lydia, wife of William Burke, East Boston, Mass; Miss Annie at home; who came from afar to soothe him in his last hours. Also one surviving brother, James E. Aitken of Rollo Bay, besides a host of relatives and friends. The pall-bearers were John M. Coffin, James Aitken, Henry McKie, John McKie, William D. Aitken and Albert Burke.

CAN YOU RESIST DISEASE GERMS?

Yes, and become "Germ-proof" by Driving Out Blood Humors and Restoring the System.

Why are doctors and hospitals so busy in the spring? Easily answered. People haven't much surplus vigor in the spring; it was all used up in fighting off colds through the winter.

With thin blood and low vitality, the germs of disease become active and cause fevers and debility.

Your one precaution is to get the abundant vigor that Ferrozone so quickly supplies; it gives spring sickness that tired feeling, restores nerve energy and insulates you and force into every ailing organ of the body.

No other restorative is known than Ferrozone; its influence is not temporary but lasting, laying a sound foundation of health that lasts till old age.

Mr. Nazaire Begin of Watton P. O., Que., who received enormous benefit from Ferrozone, writes: "I cannot speak too highly in praise of Ferrozone. If anyone had told me that any remedy could build up my nervous system so well, I wouldn't have believed it."

Before using Ferrozone I was run down in nervous vitality, energy, and in very weak health.

"I didn't get enough sleep at night and felt poorly in the day time."

"Ferrozone has filled me up with energy and vim, increased my weight and made a new man of me."

Your health through the summer depends on clearing away all traces of spring sickness; the remedy is Ferrozone. Sold by all dealers, 50c per box or six boxes for \$2.50. By mail, N. B. W. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.

Take Iron-Ox Tablets they insure good health. For sale at your druggists. 3d St.

In addition to the many other pretty things on exhibition at the millinery exhibit Saturday there will be a splendid range of new American ready-to-wear hats, which we have just received and opened up. This collection is unquestionably the finest ever brought to our store.—Moore & McLeod. 6d St.

How Much For Your Eyes?

Would you voluntarily consent at any price to dispose of your eye sight?

I think not, and yet perhaps you are one of those who, by neglect, are irretrievably losing at least a portion of their eyesight.

If your eyes need help, the most likely way to assist them is by wearing glasses, properly fitted.

My business is to properly fit glasses. This I do as cheaply as is consistent with good work.
