W YORK, May 10—Spot- clothes for mother are the Mother's Day fashion trick. ey're designed to dress her ecially for the occasions when s on view. Clothes for the exercises of a son or a ter or for any other occasion she will be introduced as "My es" frocks for club meetings usiness engagements and s are all included among

ABOUT THESE

re are lightning sketches of

school closings: A simple vee- ed frock of navy blue and print topped with a sheer blue crepe redingote which the waist just enough to give white hat and gloves; a crepe frock and straight coat an Applique of cut-out print-ed flowers on the shoulder, black gloves and a flower toque. A gray and white printed frock and jacket, white gloves and a gray postilion trimmed with a white rose.

For club and business: A black or navy blue sheer dress with a white-piped vee neckline and a fitted jacket collared in white pique, a brimmed dark hat and gloves. A printed suit combining jacket with skirt or frock, a straw hat whose color picks up that of the print.

For parties: A gray chiffon frock with a lace top or a printed dress with a light background.

Fashion fun for young mothers with small daughters includes "Mother -and- daughter clothes" that follow the same general design. Here are paired large and small editions of whitecollared dark crepe frocks and fitted coats, of colorful crepe dresses and gay cotton clothes, strikingly alike in design.

PLUS THE GADGETS

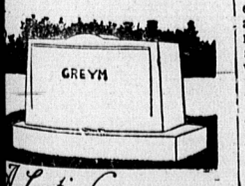
Just as much attention has been given to mother's accessories as to her clothes for festive occasions.

Bags are big, simple and commodious, equipped with slide-fastened pockets for gadgets, to do away with that cluttered look which mother's bag often has. Smartest are navy blue, black, dark red and white.

Best gloves ar suede slip-ons in white and dark hues.

New jeweled accents are jet necklaces, earrings and clips and pearl-studded lily of the valley lapel clips.

Smartest and most practical slips for mother are of embroidered crepe or Chinese brocade, slightly fitted at the waistline, but cut on the straight (instead of the bias) of the fabric. (Older women whose figures are often heavy, prefer them because they don't push up.)



A Lasting Tribute

Although an increase in cost is in effect we have the most beautiful stock of Native and Imported Granite and Vermont Marble on hand which were bought before the increase. When this stock is depleted there will be an increase of 11 per cent being the American Exchange.

We have no agents therefore save from $10.00 to $50.00 on each Monument by coming to the Monumental Works or phoning 1336 when transportation will cheerfully be provided on request.

CLEAR RED MAKE-UP ACCENTS BEAUTY

Throbbing Spring and Summer Red flashing color which, on a woman's lips, gives her the glowing sparkling beauty of a clear Spring day. It's the perfect color cosmetic for the pale, ash-blonde, for it lends her sudden vivid beauty. It brightens the dark sombre beauty of the brunette and accents the colorful loveliness of a redhead. To the demure, clinging-vine type, it lends a touch of mischief. It intensifies the allure of the exotic siren. It gives a gleam of health and zest for living to the suntanned sportswoman. And it is equally at home on the golf links or in the lounge of a fashionable hotel.

This clear red is keyed to the brilliance of the new spring colors. It picks up the brightness of a richly-hued print or a gay flowered bonnet and repeats it in a vivid swish of color across the lips, making the teeth glisten doubly white and bringing a new sparkle to the eyes.
