THE BOAT RACES ON SATURDAY

Fine Breeze made Interesting Race—A close Struggle Between the yachts

The yacht race which took place on Saturday afternoon attracted quite a number of spectators to the wharves where a good view of the boats was obtained.

There were three entries—the Micmac, the Hiawatha, and the Charlotte. The course was from a stake boat anchored off Peake's No. 1 wharf to a stake boat near Hillsborough Bridge, thence to the red buoy at the harbor's mouth thence to stake boat at Whites Pt., North River, thence to starting point, course to be sailed over three times.

At 2 p. m. the boats started in a good strong north east breeze. Micmac and Hiawatha crossed almost together, Charlotte close behind, Micmac round the first mark ahead of the others, Hiawatha second, Charlotte close behind, and the boats held this till the red buoy was rounded.

Shortly after turning the harbor buoy the Hiawatha passed the Micmac and held her place till about 300 yards after turning the North River stake boat, when Micmac took the lead. On the second round the same thing happened.

On the third round Micmac held first position all through; Hiawatha came to grief through her centerboard touching bottom on the stretch between the red buoy and North River. Here the Charlotte which was close behind passed to second place and held it to the finish coming in close behind the Micmac with the Hiawatha very little behind. The race was a good one there being a fine breeze. The Micmac is now the keeper of the Hillsboro Cup having won it three times in succession.

The Charlotte sailed surprisingly well, seeming to be quite at home in the strong

ABEGWEITS ARE THE MARITIME CHAMPIONS

Beat the Famous Wanderers By Big Margin—A Notable Victory For Prince Edward Island Athletes—McMillan Wins 100 and 220 Yard Dashes—Other Winners Among Island Boys In Other Events.

HALIFAX, Sept. 8.—(Special)—The 19th Annual Championship Games of the Maritime Provinces A. A. Association were held on Saturday at Halifax.

Track teams were sent by the different athletic associations of Maritime cities and towns among which were two teams from Charlottetown, the redoubtable Abegweits, and the Victorias.

Although Abegweits were looked upon as likely winners, having a very strong team, yet it was never expected that they would leave the home team, the Halifax Wanderers so far behind, especially as the Wanderers were winners last year and had high hopes for this year.

But their hopes were dashed. The Abegweits won by the splendid total of 35 points while the Wanderers were second with 32 points—twenty-three behind.

No wonder that the Island boys and their friends piped their slogan on the field and whistled for the Abegweits till they were out of breath.

James McMillan, Abegweits, made pretty wins in the 100 yards (18.3-5 seconds); and in the 220 yards (23.3-5 seconds). In the 220, Smith of the Wanderers, a good man was a close second but failed to get ahead of the Charlottetown representative.

Howe, Abegweits, won the broad jump

and the hurdles, and was second in the high jump and third in the pole vault.

Jones, also of the Abegweits won the shot put and the hammer throw.

Harley, Abegweits, won the pole vault and was second in the half mile run.

Donahoe, Abegweits, won second in the hammer and the hurdles; also second in the pole vault and third in the broad jump.

Batt, another Abegweits, won second place in the half mile and in the mile bicycle races.

Norton, Abegweits, won fourth in the mile run.

Prowse of the Victorias, won first in the mile bicycle.

Duffy, of the Victorias, won second in the quarter mile run.

Reddin, also of the Victorias, won third place in the mile run.

ANOTHER DESPATCH
New Brunswick athletes were conspicuous by their absence but P. E. Island sent a strong contingent and carried off most of prizes.

In the final of the 100 yards dash, Smith of the Wanderers and McMillan of the Abegweits finished in a dead heat. They agreed to divide the points and tossed a coin for the medal which was won by McMillan.

McMillan won the 220 yards dash with Smith second.

Fryer of the Wanderers took the 400 yards dash with Duffy of the Victorias second. W. Ross of the Wanderers won the half mile run in fine style, covering the distance in 2:04.3-5. This is his first year on the track. Harley of the Abegweits finished second.

A. Downey of the Wanderers won the mile run in 4:47, Ross finishing only a foot behind the winner.

Howe of the Abegweits won the hurdle race in 17.4-5 and Harley of Abegweits the pole vault with 10 feet.

Nelson of the Crescents won the high jump with 5 feet 3 inches.

Jones of Abegweits won the hammer throw with 120 feet. 3 inches, and the shot put with 37 feet 6 inches.

In the running broad jump Howe of the Abegweits, and Adams of Bathurst, now of New York Athletic Club, each jumped 20 feet 4 inches. They divided points and then jumped off for medal which was won by Howe who cleared 20 feet 7 1/2 inches, Adams 20 ft. 2 inches.

McKenna of Sydney Y. M. C. A., did half mile bicycle in 1:55.4-5 with Batt of Abegweits second.

Prowse of Victorias won mile bicycle with Batt second in 3:26.

THE HARVARD AND CAMBRIDGE RACE

The Great Struggle Came Off On Saturday—Race Fairly and Squarely Won By the Cambridge Crew—Crews Dine Together Like Good Sportsmen.

PUTNEY, England, —(Special)—The famous eight-oared race between Cambridge and Harvard was won on Saturday by Cambridge by two lengths after one of the most exciting contests ever seen on the river Thames.

Cambridge got the better start, securing a lead which they maintained and increased to three lengths at Hammersmith bridge.

Passing this point Harvard spurred gamely and cut down some of the lead but

was unable to get within two lengths of the victors.

The time for the race was nineteen minutes and sixteen seconds, twenty nine seconds slower than the course record.

An enormous crowd saw the race. The Harvard stroke and coach admit their crew was beaten fairly and squarely by better men.

The crews dined together tonight, and the best of good feeling prevailed.

THIS STORY READS LIKE A ROMANCE

MONTREAL, Sept. 8.—On the Allan liner Tunisian there sailed today as a solo passenger one James Broderick Roach who a week ago was worth a few dollars and today is the possessor of \$250,000. This story reads like a romance with the difference that it is real for the driver of the rig has become a wealthy man. Roach came to Canada and settled in Montreal some years ago. His father went out to South Africa in the days when Kimberley and Johannesburg were unknown to the world and the race of South African millionaires had not yet come forth. After his son left his home at New Castle in Natal he was lucky and at his death left a million dollars. By the terms of the will the son was not to come into his share until he reached the age of twenty-five. The news was conveyed to Mr. Roach on his birthday, this week, by a cable from Shirley and Johnson, solicitors, at Plymouth. Roach was engaged on a Montreal delivery wagon.

DAN PATCHEN BREAKS RECORD

St. Paul, September 9.—(Special)—Dan Patch again demonstrated his right to the title King of Pacers on Saturday when he broke the world's record made by himself, by pacing a mile in one fifty-five flat which is a quarter of a second better than the record made at Lexington in Kentucky last season.

The record was smashed in the first quarter, which was passed in twenty-eight one quarter; time for second quarter was twenty-eight three quarters; for third twenty-nine one quarter; and last in twenty-eight three quarters.

WAVED A FLAG RAISED A ROW

COLUMBUS, Ohio, Sept. 8.—Col. Horace Welsh, of Jefferson, Texas, who travelled 2,000 miles to attend the reunion of the Fourth Ohio Volunteer Regiment, nearly created a riot at the Memorial Hall by waving a Confederate flag in the faces of 50 Union veterans present. Some treated the matter jokingly, but there were cries of "shoot it," "fire on the flag," as the emblem of the cause they had fought against fluttered before their eyes. Welsh displayed the flag after he had presented resolutions adopted by general Dick Taylor Camp, United Confederate veterans of Jefferson, Texas, expressing friendship for the northern veterans and asking them to visit Texas. No action was taken on the resolutions.

STOLE 60,000, GOT FOUR YEARS

MONTREAL, Sept. 8.—David "Musard" Hobbs, the ex-Canadian Pacific Railway customs agent, was yesterday brought before Judge Choquette in private, and was sentenced to four years in the penitentiary.

Hobbs fled from Montreal about a year ago, after stealing about \$60,000 from the Canadian customs. He was chased to England and France, but finally came back to America and settled in New York. He was then lost sight of but finally a letter sent to him from Montreal resulted in his capture.

Through the entire enquete the case for Hobbs was fought bitterly and it was also pointed out that after he went away this wife handed over \$25,000 of the money which he left behind.

Hobbs has already served an eight year sentence in a Scotch prison for scuttling a ship and for theft and arson.

CROCODILE ATE ENGLISH TEACHER

CAPE TOWN, Sept. 8.—An Englishman named Warman formerly employed at the Salisbury Railway Station, has been eaten by a crocodile.

Warman and a companion, H. E. Bennett, decided, at the end of last month, to go on a trading trip across the Kafue river.

On arriving at the river they knocked together a rough boat, on which they placed all their belongings, and then embarked.

When in mid-stream a crocodile attacked the boat and upset it. Bennett and Warman both being left foundering in the water.

They struck out for the opposite shore, which Bennett reached, but on looking around he saw the crocodile seize Warman's leg and drag him under the water.

Bennett had to travel 300 miles before he reached a white man's abode, at Bantu. Warman leaves a widow and family in England.
