25TH ANNIVERSARY MEETING OF I.O.G.T.

Held in Kindergarten Hall Yesterday at Which the Grand Temperance Cause Was Discussed.

The meeting of the twenty-fifth anniversary of the Grand Lodge Independent Order of Good Templars opened in the Kindergarten Hall yesterday afternoon, G. C. T. W. H. Riley, Dundas, presiding. Several speeches were delivered, principally reminiscent of the early years of the order in this Province. The first address was delivered by L. U. Fowler of Bedeque, who has been connected with the order for the past thirty-seven years was the first speaker and mentioned the remarkable fact that since the orders incaption twenty-five years ago there have been seventeen Grand Chief Templars and all are still living and in good health at the present day. The oldest G. C. T. is J. C. Underhay of Bay Fortune who was present and made an exceptionally nice address which was heartily applauded Mr. Underhay has the honor also of being the first Grand Chief Templar appointed.

The following are the officers for the past year:—

G. C. Templar—W. H. Riley, Dundas.

G. Councillor—Edw. Bulpitt, Cardigan.

G. Vic-Tem.—Miss Mattie Swan, City.

G. Sup. J. W.—Miss Adelia E. Horton, Murray River.

G. Sec.—Rev. D. R. Chowen, Pownal.

G. Treas.—Rev. E. A. McPhee, Montague.

G. E. S.—Rev. L. J. Wason, Mt. Stewart.

P. G. C. T.—A. D. Fraser, Ciey.

G. Chap.—J. G. McLeod, Bridgetown.

G. Ass. S.—E.V ictor Creed, City.

G. Mes.—Wmf Riley.

D. I. C. T.—A. D. Fraser.

Rev. Jas. Yeames spoke of his connection with the order for thirty-seven years and pointed out the absolute and perpetual character of its pledge and that the order was accepted and used by able men of all kinds of speech however diverse. The plans and policy of the order is supremely excellent.

Reference was made to the work among the young, its importance and necessity. The Junior Lodge helps to solve the problem of saving the boys and girls by its four-fold pledge against liquor, tobacco profanity and gambling. The danger of the cigarette evil was ably discussed.

Rev. E. S. Weeks, G. W. P. of the Grand Division of the S. O. T. of P. E. I. spoke earnestly of the relation existing between the I. O. G. T. and the S. O. T. and of the oneness of their aim in carrying on the good work. Letters of greeting were read from Rev. J. A. Smith, G. C. T. of Nova Scotia; S. G. T. and W. G. C. S. of the N. G. L. of Canada extending best wishes.

Rev. G. S. Orman of Vernon River a member of the order for 58 years and Wm. McLeod of Dundas gave excellent address.

Following is a list of the G. C. T's since 1885:—

J. C. Underhay, J. A. Lawson, A. W. Mahon, R. C. McRae, Revs, W. A. Mason, W. H. Spargo, Wm. Lawson, and L. U. Fowler, Rev. John Goldsmith, Martin McKinnon, S. M. Martin, S. S. Balderston, Rev. E. A. McPhee, A. D. Fraser and W. H. Riley.

A packed house, listened with keenest attention to the earnest and able addresses dealing with the social, moral, political and economic phrases of the liquor problem.

The singing of Miss Donaldston elicited very hearty applause, and drew forth much favorable comment.

W. H. Riley, G. C. T. of the G. L. of P. E. I. presided, and in a few words stated the object of the meeting. He than called upob L. U. Fowler, senior, P. G. C. T. of the P. E. I. G. T. who gave a very graceful address of welcome on behalf of the P. E. I. G. T, to the visiting delegates and friends.

J. B. Black, Amherst, N. S., P. G. C. T. of the N. S. G. T. conveyed greetings from Nova Scotia, Grand Templars, congratulating our G. T. upon its work during the past 25 years. He spoke of the forward movement in his own Province.

J. R. Jackson, Moncton, N. B., G. C. T. of the G. L. of N. B. and N. G. Com. of the National G. L. of Canada, expressed the hearty greetings of the G. L. of N. B. and their interest in the work. He gave tersely and succintly several strong reasons for being a Grand Templar. He referred to the N. G. L. of Canada, and of the great work which it is destined to do for Canada, and closed with an earnest appeal to all to identify themselves with this great order of I. O. G. Tl

Rev. James Yeames, of Boston, a past International Chief Templar of the International Supreme Lodge, gave a magnificent address, tracing the history of the great order of I. O. G. T. and of the wonderful progress made during the half century of its existence, and how the order belts the whole globe, lodges meeting at every hour of the day the world over. The conspicuous position of the Island, became of its Prohibitory Law. Take your place in this great reform and do your part to bring about the crowning day of the Great King.

The presence of many leading citizens, among whom was Lieut. Gov. McKinnon, was much appreciated.

Meeting closed after singing the

THE TEACHERS' CONVENTION

The Officers Elected for Ensuing Year, and Convention Closed With Some Excellent Addresses—The Prize List.

The fourth session of the Teachers' Convention opened at 9 o'clock yesterday morning. After the reading of the minutes the president announced the prize winners in the several competitions:

In the competition for an essay on the best course of study for the common schools of the Province the following were the winners:

1st R. H. Campbell, Charlottetown.
2nd J. D. Seaman, "
3rd John McSwain, "

In the competition for the best time-table for the common ungraded school:

1st R. H. Campbell, Charlottetown.
2nd G. H. Campbell, Cardigan.
3rd J. D. Seaman, Charlottetown.

In the competition for the best essay by school children:

1st Neil Rattee, Malpeque.
2nd Ruth Campbell, Charlottetown.

The prize essays were read by the writers, but were not discussed, from lack of time. The time tables were displayed upan the walls for inspection by members of the Association.

Dr. Anderson addresses the teachers, giving hints as to the teaching of Agriculture, Botany, Geography, History, Arithmetic and Writing. He also referred to the importance of having a large area of black board surface in the schools,—recommended the teachers to use their endeavors to have school gardens.—Also suggested that teachers make it a condition of engaging to teach a school that there should be midsummer holidays.

Dr. Andrews, addressed the convention taking for his subject "The Spirit of the Classics and Modern Emphasis." In all educational courses there are to be found the elements of skill and of culture. Mathematics, etc., are classed as skill elements, while literature, philosophy etc., are cultural ones. Still any subject may be a cultural one in the hands of the right teacher. The spirit of the classics today can be found in our inimitable English Literature. This admirable address, which lack of space prevents being adequately reported was closed with a strong appeal to the teachers to get close to nature, and also to drink deeply from the well-spring of English literature.

The following officers were elected for the ensuing year:

President Inspector W. Boulter, Tryon.

Vice President for Queen's Co. Clement C. Flood.

Vice President for Prince Co. Angus McDonald, Kensington.

Vice President for King's Co. Annie McLeod, Georgetown.

Secy-Treas. Lizzie Noonan, Charlottetown.

Executive Committee.—James La[illegible]dri an, Charlottetown; Maud Hayes, Malpeque; Bessie Bovyer, Charlottetown. Inspector. C. W. Kielly, Stanley Lucretia McDonald, Emerald.

After passing the usual votes of thanks there was brought to a close a very enjoyable and helpful convention. The presence and address of Dr. Andrews, of Sackville, and Dr. Winship of Boston, added greatly to the profitableness of the convention. The addresses of these two eminent educationists, were of the inspirational order. Many of the teachers who were present at the Convention returned to their work with deeper impressions of the importance and grandeur of its end with an earnest purpose to be better teachers thanthey had been.

AN ENGLISHMAN FOUND STARVING

In Toronto, Would Rather Starve Than Beg—The Salvation Army Exposed.

TORONTO, Sept. 25—(Special)—Bisson, a young Englishman, newly arrived, was found unconscious from lack of food and says he would rathes starve than beg.

Dr. Eby of the Methodist Moral Reform Association rendered a Salome dance today before the city council, in his endeavor to have the performance prohibited.

TWENTY-FIVE PERSONS KILLED

HELENA, Mont, Sept. 25—(Special)—A special says that the Northern Pacific train No. 161 East bound, which left Helena at midnight last night, collided with a freight train at Young's Point and that twenty-five persons, including the engineer, fireman and brakeman were killed.

LATER

LIVINGSTON, Mont., Sept. 25—(Special)—Plowing through a snowstorm, a Chicago Burlington and Quincy eastbound passenger train running over the Northern Pacific today, crashed head-on into a freight train at Young Point where the trains were to pass, and in the demolition that resulted a score of lives were crushed out and a score of persons injured, several probably fatally.

The freight flagman failed to signal the passenger train in time to prevent the collison, it is said, because of the blinding snow.

The express car telescoped with the smoking car and most of the fatalities and injuries were of persons in the latter car.

Not a passenger in the smoker escaped death or injury.

The passengers in other cars escaped with cuts and bruises.

On the train was the Spokane delegation to the National Irrigation congress at Albuquerque, none of hom were injured.

The smoking car's debris was hopelessly mixed with the heads, bodies, legs and arms of victims, presenting a horrible sight.

In one place seven bodies were so tightly wedged together that they were separated only with great difficulty.

It was impossible to succor the wounded without trampling on the dead.

MALT LIQUOR NOT ALLOWABLE

Under the Scott Act Whether Strong or Weak, Judge Marsh Decides.

FREDERSCTON, Sept. 25—(Special)—In the police court this morning Col. Marsh gave his decision in the Schenck beer test cases and found that delendants were guilty of an offense under the Scott Act.

His Honor said he had come to the conclusion that there was no such thing as Schenck beer, but that that it was lager beer, malt liquor and therefore its sale was prohibited by the Canada Temperance Act.

His Honor held that under the law it did not matter what percentage of alcohol or proof spirits beer might contain, as spirituous and malt liquors were not allowed to be sold under the Scott Act.

PRACTICAL JOKE CAUSED DEATH

A Air Jet Under Great Pressure Was Turned Into the Victims Mouth.

CHICAGO, Sept. 25—(Special)—Andrew Babo was taken from Buffington Ind. to South Chicago hospital of the Illinois Steel Co. yesterday with his vitals torn by a let of compressed air.

He will die. He is the victim of a practical joke played at the plant of the Buffington Cement Co. a subsidiary concern of the United States Steel Corporation where he was employed.

Because of his ignorance he was made the butt of many jokes, principally harmless, by the practice of turning a jet of compressed air down his neck and watching the dust fly from his clothing.

As Babo took little notice of this, his persecutors grew bolder.

Taey put the nozzle of the air jet in his mouth and opened the stopcock, lacerating him internally in a frightful manner.

SATURDAY NIGHT AT NEW WONDERLAND

A Fine Amusement Bill. New Illustrated Song. New Picture Program.

At the close of Exhibition week New Wonderland offers an exceptionally good attraction. Every evening this week has a new program been offered, and tonight sees two new reels.

A Little Motorist tells of the trials and tribulations of a youthful motorist who tries to do as well in guiding the hazardous course of a car as his elders can. It is a good depiction, cleverly put, and will make many a laugh.

Love's Triumph is grand—a story of love as it is in reality—noble, self sacrificing and forgetful of self. See it tonight at New Wonderland.

Advantages of Ju-Jutsu—will also be shown. This film is nothing like the one of similar name shown some time since and is certainly a clever exponent of all that is to be gained by adopting ones self to the now familiar Ju-Jitsu method.

Miss Marion Dall Zell will sing "I'm starving for one sight of you" Miss Dall Zell has now fully recovered her voice and health, and is making the greatest success in the history of the house since it opened. Come tonight and close exhibition week with a bumper record.
