Church Reopening

HOLY TRINITY CHURCH, GEORGETOWN, P. E. I.

(From Church Work)

Many milestones have been passed in the history of the historic church of the Holy Trinity, Georgetown, P. E. Island, but none more important or happier than the one attained on the evening of August 9th, 1933, when the Church was re-opened after being closed for renovation and re-decoration. At this joyful service many familiar faces were missing, faithful members of Holy Trinity, who have entered within the Veil, but, although absent in body, we believe they were present in spirit, joining in the glad thanksgiving—Festal Evensong began at 7.30 with the visiting priests and Church Army Crusaders in procession, preceded by the Cross bearer, entering the Church singing, "Onward, Christian Slodiers." Rev. Canon Malone, Priest-in-Charge, said Evensong and dedicated several gifts, Captain Kelly and Captain Wittig, C.A. reading the lessons. Rev. G. T. Spriggs of Kensington, preached an eloquent and instructive sermon befitting the occasion, a sermon, which will not soon be forgotten, and the Venerable Archdeacon White, before he pronounced the benediction, gave a very happy and inspiring address, congratulating the parishioners on the beautiful appearance of the Church, and assuring them of the great interest taken by all Anglicans in the good work being done in the Church of the Holy Trinity, Georgetown, notwithstanding many difficulties. The following morning the Holy Communion, that great service of praise and thanksgiving, was celebrated. and a goodly number received the Blessed Sacrament, Canon Malone, being the Celebrant, with faith strengthened, and hope renewed, and remembering the blessed Apostles' injunction, "Be strong, and of a good Courage," they press forward, praying the Great Head of the Church, to keep her members loyal and steadfast, full of Holy zeal, "O God, our help in Ages Past, Our hope for years to come,

Be Thou our guard while troubles last,
And our Eternal home.

Too much praise cannot be given to Captain T. F. Kelly, Church Army officer in charge of the Church at Georgetown, for the great work he has accomplished, in the renovation and re-decorating of the Church, he saw the need, and with a few helpers, set to work with paint, pot and brush, working early and late, until he accomplished what he set out to do, the beautifying of the House of God. At that glad service, as we noticed the festal hangings, the lights, the flowers, came to mind the lines.

'Tis for Him we bid the frontal,
It's embroidered wealth unfold,
'Tis for Him we check the reredos
With the colors and the gold,
His the floral glow and splendor,
His the vestments fair array,
His the starry lights that glitter,
Where He does His Love display."

So also Captain Kelly's labor of love has been for the glory of God, I am sure Captain Kelly and all who love the beautiful little Church, are deeply grateful to the kind friends, who by their generous donations, made it possible to procure material for the work.

Annual Meeting St. Andrews W.I.

The annual meeting of the St. Andrews Women's Institute was held at the home of Mrs. J. P. MacIntyre on Tuesday evening, Nov. 7 with an attendance of eight members and three visitors. The meeting opened with the recitation of the Creed and singing Annie Laurie followed by the roll call which was answered by each member paying her membership fee.

The minutes of the last annual meeting and the regular monthly meeting were then read, approved and signed by the President.

The President then gave her address after which the Secretary read the financial report for the past year. the reports of the different committees were then given and new ones appointed.

The election of officers then took place for the ensuing year namely.

President—Mrs. Wilfred Macdonald.

Vice President—Miss Joanna Mac Intyre.

Secretary Treasurer—Miss Mary Macdonald.

Directors—Mrs. Major Smallwood, Mrs. John MacIntyre, Mrs. George MacKenzie.

Auditors—Misses Joanna and Winnie MacIntyre.

After the election of officers a discussion took place on different ways of making money to enable the Institute to carry on the good work it has been doing. It was also decided to change our regular monthly meeting to the first Wednesday of each month instead of Tuesday as before in order to make it more convenient for some of our members who find it difficult to attend on Tuesday.

At the conclusion of the business part of the meeting a vote of thanks was tendered the retiring President and Secretary to which both ladies fittingly replied.

The program for the evening consisted of a solo entitled "The Gay Cabalero" by Messrs Harold Macdonald and Peter Phelan, a Hallowe'en Cot Contest was put on by Miss Mary Donovan won by Mrs. Wilfred Macdonald. Lunch was then served by the hostess assisted by Misses Winnie MacIntyre and Edna Burke.

Miss Joanna MacIntyre kindly invited the members to her home for the next meeting which will be opened with the Creed and singing "Silent Night." Roll call to be answered with inexpensive gifts for Christmas. The National Anthem then brought the meeting to a close

::The Oil of the People—Many oils have come and gone, but Dr. Thomas' Eclectric Oil continues to maintain its position and increase its sphere of usefulness each year. Its sterling qualities have brought it to the front and kept it there, and it can truly be called the oil of the people. Thousands have benefited by it and would use no other preparation.
