*This Pretty Matron Had Headache and Backache, and Her Condition Was Serious.*

**MRS. M. BRICKNER.**  
99 Eleventh Street, Milwaukee, Wis.  
"A short time ago I found my condition very serious. I had headaches, pains in the back, and frequent dizzy spells which grew worse every month. I tried two remedies before Peruna, and was discouraged when I took the first dose, but my courage soon returned. In less than two months my health was restored."—Mrs. M. Brickner.

The reason of so many failures to cure cases similar to the above is the fact that diseases peculiar to the female sex are not commonly recognized as being caused by catarrh. Catarrh of one organ is exactly the same as catarrh of any other organ. What will cure catarrh of the head will cure catarrh of the pelvic organs. Peruna cures these cases simply because it cures the catarrh.

If you have catarrh write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

The home of J. J. and Mrs. Rayner Casempe, was the scene of a quiet wedding on the morning of August 23rd, when their daughter Lottie May was united in marriage to Richard Pope Newman, New Haven. The bride was prettily attired in white organdie and carried a bouquet of sweet peas. Rev. F. A. Wightman performed the marriage ceremony in the presence of only immediate friends. The wedding march was played by Mrs. F. A. Wightman. After partaking of a sumptuous repast, the happy couple left for O'Leary, accompanied by a number of friends, where they took the train for their home at New Haven amidst showers of rice and good wishes.

CASIMPE VILLAGE was bereft of one of its most respected and best loved citizens when on Sept 17th. Hannah, relict of the late William Hardy, entered into her much longed for rest. Mrs. Hardy had been ailing for nearly a year, and during all that time she bore patiently the cross by which at last she gained the crown. It was indeed a benediction to visit her during the last days and to hear the words "Happy in Jesus," so faintly yet so firmly uttered. She leaves three daughters and one son to mourn the loss of a loving mother. The funeral services were conducted by Rev. Wm McDonald, and the large number present bore witness to the fact that "a mother in Israel" had passed away.

Messrs. Gallant, Cavanagh and Glendon left yesterday by the Boston boat for their homes in Worcester, after fishing and shooting for two weeks at Tignish. So pleased were they with P. E. Island that before leaving they made arrangements for the building of a shooting box at Tignish, which they with a party of friends will occupy for three or four weeks every year. During their sojourn here they made hosts of friends who will gladly welcome them back to the tight little Island next year.

A pretty wedding took place at the home of Samuel and Mrs. Ramsay, Tyne Valley on Aug 30th in the marriage of their fourth daughter Eliza May, one of the most popular young ladies of the community to Alex Sinclair, Hamilton, Lot 18. She was given away by her father and was appropriately gowned in spotless white net over Indian muslin with bridal veil and carried a bouquet of white flowers. Her sister Sadie was bridesmaid and Roy Long, Mt. Allison, ably supported the groom. The wedding march was played by Miss Margaret Williams, Free land, and Rev. Roland Davidson spoke the words that made them one. The ceremony was witnessed by nearly two hundred invited guests from various parts of the province, who at the close were royally entertained at supper by Mr. and Mrs. Ramsay. The wedding presents were numerous, costly and useful, displaying the common sense of the givers and the popularity of the receivers.

**What Sulphur Does**  
For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grand mothers gave us our daily dose of sulphur and molasses every spring and fall.

It was the universal spring and fall "blood purifier," tonic and cure-all, and mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect.

Nowadays we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from Calcium (Calcium Sulphide) and sold in drug stores under the name of Stuart's Calcium Wafers. They are small chocolate coated pellets and contain the active medicinal principle of sulphur in a highly concentrated, effective form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health; sulphur acts directly on the liver, and excretory organs and purifies and enriches the blood by the prompt elimination of waste material.

Our grandmothers knew this when they dosed us with sulphur and molasses every spring and fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease, and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafers is undoubtedly the best and most widely used.

They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins while experimenting with sulphur remedies soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafers. In patients suffering from boils and pimples and even deep-seated cancer, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafers is a proprietary article, and sold by druggists, and for that reason tabooed by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles, and especially in all forms of skin disease as this remedy."

At any rate people who are tired of pills, cathartics and so-called blood "purifiers," will find in Stuart's Calcium Wafers a far safer, more palatable and effective preparation.

If your child comes in from play coughing or showing evidences of Grippe, Sore Throat, or sickness of any kind, get out your bottle of Nerviline. Rub the chest and neck with Nerviline, and give internal doses of ten drops of Nerviline in sweetened water every two hours. This will prevent any serious trouble. No liniment or pain reliever equals Poison's Nerviline, which has been the great family remedy in Canada for the past fifty years. Try a 25c. bottle of Nerviline.

**ANNIVERSARY NUMBER.**  
The October Canadian Magazine will be an Anniversary Number to mark the completion of the twenty-fifth volume of that publication. The occasion is unique in the history of Canadian journalism, as no other general monthly periodical, with the exception of one French-Canadian literary magazine, has succeeded in maintaining itself for so long a period of time. The Canadian Magazine has been most creditably conducted since its foundation in March, 1880.
