PRODUCE

(Canadian Press)

MONTREAL, June 5—Prices on the Montreal dairy and produce market were irregular today. Eggs and potatoes were steady, while butter eased slightly. Cheese continued to advance fractionally, as prospects that the Government's stabilization fund would go into effect shortly sent the country boards higher. The fund would fix sterling at $4.60 for all cheese exported to England.

Exports of cheese last week from Montreal were announced as 11,584 boxes, of which 542 went to the West Indies and Newfoundland, the balance to the United Kingdom. This was a decrease from 12,328 boxes exported for the coresponding week last year.

The butter market was inclined to ease slightly, receipts increasing and demand being quiet. No 1 regraded in carlots or less sold for 18 cents a pound, down ¼ cents. Receipts were 529 boxes.

Eggs held firm with graded shipments in carlots or less quoted at 16½ to 16¾ cents a dozen for extras and up to 17 cents for straight extras in carlots. Firsts sold at 14½ to 14¾ cents a dozen and seconds at 12½ to 12¾ cents. Offerings were 1,501 boxes.

Current Ontario colored cheese was 10½ to 10¾ cents a pound, advancing ¼ cents over last weeks final levels. Receipts were 193 boxes.

New Brunswick and Prince Edward Island green mountain potatoes were steady at $1.00 to $1.10 per 80 pound bag.

SAD FATALITY—George Davies, ten year old son of Mr. and Mrs. George Davies, Eldon, was the victim of a fatal accident on Wednesday afternoon. The boy was thrown off a roller, by a sudden movement of the horse, while he was engaged with his father and a few neighbors in planting potatoes. The roller went over one side of the lad's body, fracturing two ribs, one of which entered his lung, and despite all medical aid, he passed away the following morning. He was the eldest of six children, a bright and intelligent lad and his tragic death has elicited deep sympathy for the bereaved family. The funeral was held Saturday afternoon, Rev. Mr. Skinner and Rev. Mr. Griffiths officiating at the United Church, where a very large concourse had gathered. Both ministers gave words of Christian comfort. The interment was at Belfast Church Cemetery. Among the numerous floral tributes were beautiful wreaths from the Eldon School and from the local branch of the Legion of which the father is a member. The commital service was conducted by Rev. Mr. Skinner.

EDUCATIONIST LEAVES FOR EUROPE—Prof. L. W. Shaw, B. A., Supervisor of Teacher Training at Prince of Wales College, left this morning for Quebec, where with five other Canadian educationists, he will embark on the S. S. The scholarship provides for the study of the School systems of Scandinavia together with a month's study in the International College at Elsinore, Denmark. Prof. Shaw will return to the Province late in August. Other Canadians appointed from a large number of applicants are: Messrs. Donald Cameron, University of Alberta, Edmonton; H. Trevor Lloyd, Ravenscart School for Boys, Winnipeg, Manitoba; Andrew Moore, Winnipeg; John E. Robbins, Ottawa, Stanstad College, P. Q. The International School at Elsinore brings together students from all parts of the world for the study of courses in the development of Danish Agriculture, the Co-operative Movement, the Credit System, and the folk high schools.

WILL LEAVE FOR IRELAND—As stated in yesterday's church news, Rev. Dr. E. H. Ramsay of Trinity Church leaves tomorrow morning for Belfast, Ireland, to attend the meeting of the Pan-Presbyterian Council on June 20. On Friday night at a pleasing function in the Trinity Social Hall, Dr. Ramsay was the recipient of the congratulations of his friends, who presented him with a substantial cheque.

ROCKY POINT—Farmers in this section are mostly through sowing their seed, and some of the root crop in as well. Even though it is a busy season, on market days the S. S. Hillsboro is kept busy plying on her route, making extra trips at times. — Ringwood Women's Institute held their monthly meeting at the home of Mrs. Mahler on the regular date, with ten members and some visitors. The President presided. Usual routine was carried out. A letter read by the Secretary from Dr. Creelman re Sanitarium. Discussion arose regarding the school fence, finally it was decided to buy a new one, and the Buying Committee were ordered to attend to same, also paint for fence posts. An ice cream festival is to be held in the near future to raise funds to carry on. League of Nations to be dealt with next meeting. Program consisted of a reading by Miss Austina Mutch and music over the radio. A dainty lunch was served by the hostess and a social hour whiled away. —Misses Eileen and Reta White and Miss Carrie Georveatt returned from visiting friends in Rustico. —Miss Bernice LePage was a recent visitor to Rocky Point, the guest of Miss Norma Currie.—While Mr. Herbert Georveatt was sawing fence pailings on Friday last, in some unaccountable way one end of the stick being sawed flew up, striking him a violent blow on the forehead. Medical aid was quickly summoned. It required several stitches to close the wound. Mr. Georveatt is resting nicely. Still another warning to use the utmost precaution while sawing.

The Session At Ottawa

A series of articles dealing with the business of the recently prorogued session of the Dominion Parliament.

(Continued from page 4)

the cases disposed of by the old Federal Appeal Board. This followed strong protests from the veterans' spokesmen before the Arthurs Commitee, which urged that the greatest uneasiness would prevail among the thousands of pensioners whose applications had been confirmed by the Federal Appeal Board, if these were to be re-opened.

The veterans were one in advocating that cases should be re-opened, where it was shown that pensioners had been granted through fraud, misrepresentation or concealment of material facts. Not only were the service organizations favorable to this but they would assist the Government in every possible way to bring to justice men who had secured pensions under these circumstances, the veterans' representatives told the committee.

SOLDIERS' SETTLEMENT

The amendments to the Soldiers' Settlement Bill give relief to soldier settlers and to civilian purchasers of land under the Soldier Settlement Act. The Bill further proposes that the interest accruing in the year 1932 shall be entirely remitted. One section provides that any settler or purchaser whose contract was made prior to January 1, 1933, and who makes payments during the fiscal years 1933-34, 1934-35, and 1935-36 on arrears or installments due between April 1, 1933 and March 31, 1937, inclusive, shall have his account credited with an additional amount equal to such payments.

It is estimated that in the case of the Soldier Settlement, the relief will amount to between seven and eight million dollars.
