WEEKS — WELSH NUPTIALS
The marriage took place at an early hour yesterday morning at St. Dunstan's Cathedral of Miss Florence Weeks and Mr. William Welsh both of this city by the Rev. Maurice McDonald. The bride looked charming in a dress of grey satin and was attended by her sister, Miss Margaret who was becomingly attired in blue silk. The groom was ably supported by Mr. Charlie Gallant. After the wedding ceremony the happy couple drove to the home of their cousin, Mrs. Walter McInnis, where breakfast was served to a number of relatives and friends of the married couple in Mrs. McInnis' usual style. The wedding party then motored to Johnston's River to the home of their aunt, where a beautiful dinner was served by Mrs. Currie, returning in the evening to the home of the groom, where about one hundred invited guests awaited to wish Mr. and Mrs. Welsh, many happy years of wedded life. The many presents received, including cut glass and silver and a substantial cheque from the bride's father showed the popularity of the young couple.

Best Up-to-Date Service Assured at The Ch'Town Garage

The Charlottetown Garage, which has recently been acquired by two well known and experienced local garage men, Messrs. Everett Wood and Jack (Whacky) McEachern, is now operating at full capacity. Car drivers in Charlottetown need no introduction to Mr. Wood, whose garage on Pownal Street received wide patronage. The new shop on Prince Street is equipped to accommodate about fifty cars. There is every facility for the efficient handling of repair jobs, battery service and prompt gas service is assured.

Mr. McEachern is one of the best known and most popular of local athletes. He has had every tempting offer to work elsewhere just for the privilege of having his services as a hockeyist, but "Whacky" prefers to remain in Charlottetown and as he has an experience covering four years with the J. Stanley Wedlock Company and is thoroughly posted on matters connected with every style of automobile fittings his connection with the Charlottetown Garage Company is a decided acquisition.

The firm will handle all kinds of sporting goods in addition to regular garage service. A feature will be made of sharpening skates this winter. They will also handle a full line of the best make of skates, hockey sticks, etc.

Both these young men deserve recognition and patronage and their ability to handle every kind of job in connection with up-to-date garage service should assure to them a rushing business.

Car drivers, drop in to the Charlottetown Garage if you want your cars washed, stored or repaired. It is easy driving along the new asphalt paving on Prince Street right to the garage door. There are two modern gas tank supplies and there are no long waits for gas. Prompt and efficient service is the motto of the firm. Drop in and see the boys!

that love and laughter are the God-given heritage of all peoples we sincerely recommend this production as a work of grandeur, a glorification of all that is good and beautiful in human relations.

HUNGRY HEARTS

A triumph of the silent drama!

Out of troubled Europe they came, an eager group of simple people, "Hungry Hearts," yearning only for a newer freedom, for sunlight in the promised land.

Their story is more dramatic than drama, because it is life itself. It is radiant with hope, it is fired with faith, it is joyous with laughter.
