REDEDICATION SERVICES—The rededication of the Presbyterian Church at Tyne Valley took place on Sunday. There were large congregations at all three services. Many outsiders were present. The church has been newly painted and the interior redecorated and many new furnishings added, which include a very handsome new pulpit in memory of the late Rev. Dr. Clay, who is an old Summerside boy and for a time Moderator of the General Assembly of the Presbyterian Church in Canada, and whose death occurred two years ago. Among other gifts were a handsome pulpit chair, collection plates and carpet, which bore silent testimony of the devotion of the members of the church and different organizations. The church was very beautifully decorated with autumn flowers and plants. The morning service of rededication was conducted by Rev. T. H. Rogers, of Belfast, P. E. I. At the afternoon service the Summerside Presbyterian quartet, composed of Messrs. Bowness, Forbes, Nicholson and Heustis, sang "The Wayside Cross" and "Just Outside The Door." Mrs. George Pickering beautifully rendered "My Task." Miss Helen Peters of Summerside was the accompanist. Rev. C. J. St. Clair Jeans was the speaker. In the evening Rev. Hensley Stavert occupied the pulpit. S.

The Many-Purpose Oil—Both in the house and stable there are scores of uses for Dr. Thomas' Electric Oil. Use it for cuts, bruises, burns, scalds, the pains of rheumatism and sciatic, sore throat and chest. Horses are liable very largely to similar ailments and mishaps as afflict mankind, and are equally amenable to the healing influence of this fine old remedy which has made thousands of firm friends during the past fifty years.
