Whipped Up His Horses And Foiled Bandits

TRURO, Nov. 23.—Two masked men made an unsuccessful attempt to hold up Harry S. Johnson, of Valley St., near here, Saturday night. Johnson failed to stop his horses when ordered to by the desperadoes who then fired a shot and climbed aboard the wagon, only to be thrown off by the would-be victim who whipped his horses and made good his escape.

THE MARKETS

(Canadian Press.)
MONTREAL, Que., Nov. 23.—The foreign demand for wheat on the Montreal market today was fairly good and as cables in most cases were stronger and prices on the Winnipeg market lower, exporters were in a position to accept most of the orders received for parcels in nearby positions and a fair trade was done.

Owing to the above there was a steady demand from local buyers for Manitoba for spring wheat on the spot here and sales of No. 1 northern were made at 73½ cents per bushel over the Winnipeg November option, and No. 2 northern at four cents per bushel over c.i.f. bay ports, and No. 2 feed oats changed hands at three cents per bushel over the May option c.i.f. The tone of the market for oats was firm under a good demand for supplies. Car lots of Ontario and Quebec No. 2 white were quoted at 53, No. 3 white at 51½ and No. 4 white at 49½ cents per bushel, ex track, with Ontario malting barley selling 35½ cents per bushel ex track. While the undertone of wheat failed to show any change, the volume of business in both cases was moderate sized. Considerable business was transacted in the market for millfeed and prices were steady. The demand for standard grades of rolled oats was good and prices were fully maintained.

Under a good demand for supplies the egg market was firm. Prices for all grades of butter were well maintained and the trade volume was fair. The cheese market was quiet and steady.

OTTAWA, Ont., Nov. 23.—(Eggs)—The general condition of the egg market remains firm. Higher tendency to the market is reported from Charlottetown, due to lower receipts. A carload of Japanese eggs rolling from Vancouver to Montreal has been diverted to Toronto. Toronto unchanged, country shippers paying extras 52, first 46, making sales extras 60, first 52, f.o.b. a car of British Columbia fresh is due here today. Montreal prices remain firm under short receipts. Trading of storage eggs is steady. Winnipeg market is steady. Fresh receipts light. Dealers are quoting country shippers extras 65, first 55, seconds 32 to 33, jobbing fresh extras 70, first 56, seconds 35, storage extras 46, first 42, seconds 34. Calgary extras \$12.90 per case, first \$12.00, second \$9.90. British Columbia pullet extras \$15.00.

Vancouver egg market is firm. Dealers paying country points extras N. first 56, jobbing extras 63, first 61, seconds and pullets 50. St. John, N. B., very limited supply of fresh eggs are offering. Jobbing fresh extras 65, first 58, seconds 50, storage extras 46, first 43, seconds 40. Charlotte town P. E. I. wholesalers paying country points extras 53, first 45, seconds 33. Poultry receipts are increasing, chicken 14 to 20, fowl 6 to 14.

BARNEGAT CITY, N. J., Nov. 23.—Father Neptune, who recently came to the rescue of fuelless homes with hundreds of cords of driftwood cast upon the beach by storms, has supplied Barnegat folks with millions of clams which were cut from their beds by changing ocean currents and landed here.

—IMPROVED—Citizens generally will be pleased to learn that Councillor John Grady, Summerside, has returned to his home from the Prince County Hospital. He is considerably improved.

—POTATOES—The schr. G. W. Kite, owned and commanded by Capt. Johnston Rhynard, and loaded with potatoes, cleared from this port on Saturday evening, bound for Isaac's Harbor, N. S., where the cargo will be unloaded, after which the schooner proceeds to Arichat, where the Capt will spend the winter at home. H.

—HEIFER KILLED.—On Friday, November 20, a valuable registered Holstein heifer, belonging to Mr. J. W. Waugh, New Amman, was run into and killed on the track between Clermont and New Amman Station. The animal it is said walked through a defective railroad fence.

—RAFFLES—The old time raffles have lost none of their popularity in Prince County. Many citizens of Summerside pay enjoyable visits to adjoining country districts on the occasion of these raffles. And some meet with great success; in fact one public official in the town has filled his compartment in the Cold Storage plant to overflowing and still has some to spare.

—THE FREDENSBORG—The S. S. Fredensborg which left Summerside about a week ago with a cargo of potatoes had a rather rough passage. She was out in a severe wind and snow storm for three days and was compelled to put into Halifax. After replenishing her bunkers with coal she left for New York where she should arrive today.

—LAI TO REST—The funeral of the late Mrs. William Ball took place from her late residence on Convent street, Summerside, yesterday afternoon to the United Church thence to the People's Cemetery. Rev. Mr. Boothroyd officiated. The pall-bearers were: Messrs A. S. McKay, Willard Phillips, W. J. Lidstone, William Muttart, James Harris and F. J. E. Wright.

—C. M. B. A.—Mr. Harper, the organizer for the Catholic Mutual Benefit Association has been in Summerside for some time with the result that the membership of the local branch has been greatly increased. Recently 24 new members were initiated into the order. The first of the weekly socials was held in the C. M. B. A. hall last night when a large crowd were present at a most enjoyable Social and Dance.

—GOOD MEAT—In some places one sees wonderful displays of choice beef at Easter and other festive seasons. In Summerside, however, choice beef is displayed and sold in the different butcher shops at all seasons. A sufficient quantity is carried to give the customer whatever cut is desired. The butchers have a thorough and complete knowledge of their business which, coupled with their renowned courtesy, adds greatly to the pleasure of buying meat in Summerside.

—DIED AT BEDEQUE—The death occurred at Bedeque on Thursday, November 19, of Mr. William G. Taylor at the age of 82 years. The deceased was one of the oldest and most prosperous residents of Bedeque and was highly esteemed by all who knew him. There are left to mourn two sons, Messrs. Edmond and Preston Taylor, both at home and one daughter, Mrs. Fulton Simpson, of Belter. The funeral took place on Saturday at 1:30 p.m. from place of residence to the People's Cemetery.

—FOXMEN RETURN.—Practically all the foxmen who went to Toronto attend the fox show in connection with the Royal Winter Fair returned home to Summerside and other points in Prince County last night. They report this year's show a grand success and say it was considerably better than any previous show. The Prince County foxmen were given considerable prominence in the Toronto papers and one paper reproduced large photographs of Capt. Fred Peters and Mr. Thos. Carruthers holding the world's champion fox owned by Mr. Geo. Callbeck, Summerside and another of the world's best. The car containing the prize winning foxes was waylaid at a station west of Montreal and for that reason did not arrive in Summerside last night. When the foxmen got to Montreal they became aware that the car containing the foxes was not on the latrine. In Edward's not on the train and Mr. George Callbeck remained to make sure that there be no further delays in the car coming through.

—PERSONALS—Mr. James Johnston, Albany, was among visitors to Summerside yesterday.

—Mr. and Mrs. A. D. MacKinnon North St. Eleonors, were in town on Saturday.

—Messrs Robert Hutchinson and Percy Miller, Central, Lot 16, were in Summerside Saturday on business.

—Mrs. Joseph Keefe, "Briarwood," Alberton, spent last week visiting in Summerside. While

PAINS IN BACK AND SIDES

Ended by Taking Lydia E. Pinkham's Vegetable Compound

Fussler, Sask.—"For two or three days every so often I would have such pains in my back and sides that I could not do anything—could not even lie quietly in bed, and my head ached, too. I was this way about three years, but was worse after I was married. I was on a farm with not a house nearer than five miles and there was not a person to advise me, as my folks live in Manitoba. My sister-in-law told me about Lydia E. Pinkham's Vegetable Compound and told me to try it. I took her advice and have been thankful for it ever since. After taking the medicine for three months I can say it has helped me a lot and I am doing fine. I am glad to recommend the Vegetable Compound to others and you may publish my testimonial."—Mrs. HELEN BALANOFF, Fussler, Saskatoon.

Often some slight trouble will cause a general upset of the system. Such symptoms as nervousness, painful menstruation, backache and headache indicate some form of female weakness.

Women so bothered should give Lydia E. Pinkham's Vegetable Compound a trial. This dependable medicine has helped thousands of women and it is reasonable to expect that it will help you. Try it today. Your druggist sells this medicine.
