## Furs! Furs!! Furs!!!

### Beautiful Reliable and Cheap

After years of experience in the Fur business, handling the lines of dif ferent makers and testing their worth, we have this year secured the bulk of our ladies' jackets from a manufacturer whose goods we have been handling for the past five years with constantly increasing satisfaction both in quality and price, and cut out a line formerly carried by us, which has been deteriorating year by year in quality, while the price was always steep. Last year we were obliged to reject about three quarters of the jackets shipped as inferior. Progress is our watch- word; and nothing of an inferior quality masquerading under a name which once meant satisfaction will be tolerated by us, as we make it a rule first of all, to give honest satisfaction to our customers.

We have undoubtedly this season the most beautiful Astrachan jack- ever shown here, at prices which are a surprise to everyone. Quite a number of these have already been sold, as their elegant appearance, coupled with extreme moderate prices creates a favorable impression on all. They are, as usual, thoroughly guaranteed by the makers, and also by us, as we can unhesitatingly recommend them to give entire satisfaction.

If you are in need of a Fur Jacket of any kind, whether Persian Lamb, Astrachan, Grey Lamb, Marmot or Seal, come right here where quality is assured, and prices are always right.

We have also an elegant range of ladies' fur lined coats in Brown, Navy, Myrtle and Black, with Marmot, Hamster, and Muskrat linings; Sable and Mink trimmings at from \$60.00 up.

In men's coat coats we have our usual splendid ange, at prices which cannot fail to please; also coats in Buffalo, Dog, Black Beaver and other Furs.

We show an unusually good range of neck furs, muffs, caps, collars, gauntlets, and children's furs, while our stock of sleigh robes are splendid values.

If you wish to be assured of getting thorough fur satisfaction both in quality and price, then come to—

### YOU NEED FEAR IT NO LONGER

Gravel Warded Off and Cured by Dodd's Kidney Pills.

Manitoba Man Tells How His Urinary Troubles Vanished Before the Great Canadian Kidney Remedy

HAMRLIK, Man. Nov. 2.—(Special)—Probably there is no disease to which man is heir that causes such a general dread of Gravel, or Stone in the Bladder. The frightful pains it brings and the terrible operations it necessitates cause a shudder of apprehension whenever it is mentioned. But there is really no reason why any man or woman should fear Gravel. It is purely and simply a Kidney disease, and as such can be either cured or guarded against by the use of Dodd's Kidney Pills. I was the case of Mr. Calvin R. Snyder, well-known here. He says:—

"In the spring of 1907 I was almost laid up from a lame back and was also troubled with excessive urination. I got a box of Dodd's Kidney Pills, and used them with satisfactory re- sults. Dodd's Kidney Pills are the best Kidney medicine I ever heard of."

If you follow Mr. Snyder's exam- ple and use Dodd's Kidney Pills for slight urinary disorders, you will nev- er be troubled with Gravel. If you have Gravel, Dodd's Kidney Pills will cure it.
