Western Guardian Gas On Stomach Is Dangerous

TELLS HOW TO STOP IT

Gas, Pain, Bloating and a feeling of fullness after eating are almost certain evidence of excessive hydrochloric acid in the stomach.

Too much acid irritates the delicate stomach lining, frequently causing chronic Gastritis and dangerous Ulcers. Food ferments and sours, forming a gas that distends the stomach and often seriously affects the Heart.

It is genuine folly to neglect such a condition or to treat with artificial digestive aids that cannot neutralize the stomach acid. A better way is to get from any reliable drug store some Bisurated Magnesia (powder or tablets) and take a little in water after each meal. Bisurated Magnesia will stop the worst gas attack quickly and without embarrassment. Taken right after eating, it prevents formation of gas and acids so there is no sourness, bloating or pain. Pleasant and perfectly harmless to use—Bisurated Magnesia does give wonderful relief in nine out of ten cases. Ask your Doctor or Druggist. Try it today.

NOTICE TO CREAM PATRONS.—Mr. A. F. Campbell will haul cream by Motor Truck to Souris Creamery beginning Monday, May 26th through the following districts: Elmira, East Lake and Kingsboro to Souris. 3356-5-20-24-31.

CHURCH DEDICATED.—The blessing of the new fully completed new brick church, St. Columba, East Point, took place last Sunday. In the absence of His Lordship the Bishop, the ceremony was performed by his vicar general, Mons. McLean, Souris. The sermon for the occasion was preached by the Reverend Father McGreel, of the Redemptorist parish, Charlottetown. The collection was taken up by the pastor, Rev. Father Ronald McDonald, and amounted to several hundred. There was a great crowd present including most of the neighboring priests, who had early masses in their own churches to enable them to be present at eleven, at St. Columba. The parish priest was the recipient of many congratulations on the results of his indefatigable labor in bringing to completion such a gigantic work, while the beauty of the finish was the subject of frequent comment by the visitors from outside the confines of St. Columba parish, of which there were several hundreds.

Does Your Fur Coat Look Like this ---

A few months have achieved drastic changes in fur fashions. Coats now are flared, they have added inches to their length, smart little capes make them strikingly feminine, collars and cuffs are unusual.

Our initial display of new Fur Coat Modes will give you an opportunity of examining the new silhouettes, and of selecting a style for the remodelling of your last season's coat. And this work can be done at a more moderate price now than later in the busy season.

Mr. Jules Tremblay
Fur Expert of
HOLT RENFREW & CO. LIMITED
of Quebec, Montreal, Toronto and Winnipeg, will be at your services in our store on
Friday, May 23rd. and Monday May 26th.
We invite you most cordially to pay us a visit.

Report of School for the Deaf at Halifax Shows Excellent Record and Need for Expansion

HALIFAX, N. S., May 19.—The School for the Deaf in this city has served the Maritime Provinces and Newfoundland for many years. The seventy-second annual report of the institution shows an enrollment of 130 pupils, as follows: Nova Scotia, 69; New Brunswick, 31; Prince Edward Island, 8; Quebec, 1; Newfoundland, 21. For some time the necessity for expansion has been realized in order to meet the requirements of the province.

The report given by the Secretary of the School, Mr. George Bateman, shows there were no serious illnesses among the pupils during the year under consideration, due largely to the "situation, accommodation, wholesome food, regular exercise and the watchful care of the doctor, matron and nurses." The high standard of intelligence has been maintained. Thirteen of the classes were taught by the oral and eleven by the manual method. In addition, there were classes in wood-working, boot and shoe repairing, printing, basketry, dressmaking and sewing.

The school football team again won the championship of the Junior League open to High Schools and became the holders of the Silver Shield for the third year in succession. Winning of the Parker Gold Medals, coveted award also won this year by pupils from Tangier and Breton Cove, N. S., is mentioned in the report.

The School for the Deaf depends for its support on government grants and individual donations and fees.
