der the auspices of the Co-operative Society in St. Anthony's Hall, Bloomfield, on May 5th, 6th and 7th, given by the Extension Dept. of St. Dunstan's University, Charlottetown.

There were more cars and people in town on Saturday night, April 24th, than at any other time since Christmas eve when the first snow came and stayed until a few weeks ago when it started to melt. The increased number of people in O'Leary last Saturday is due to the fact that the country roads are rapidly drying up. It was good to see them again, as during the winter the only way to get to O'Leary

from the rural sections was by horse and sleigh.

At the United Church services on Sunday at Bloomfield, Brae and West Devon, the Pastor, Rev. W. G. Dickson spoke on the topic: "Will a Revival Come?" based on the text: 2 Chron. 7; verse 12, "If my people shall humble themselves and pray and seek My face and turn from their wicked ways, then will I hear from Heaven and will forgive their sin and heal their land." The Minister said in part: "A revival will come when the people of God humble themselves. Salvation is not of man. He has not been wise enough to produce it; he has not been statesman enough to legislate it; nor good enough to deserve it. Salvation is of God. He gives it in love. He shares it in faith. He uses it in hope." Revival will come when the people pray, when they repent and when they prepare for it.
