A CENTENARIAN.—One of the oldest, if not the oldest woman living in Charlottetown is Mrs. John Donovan. She was born in the year 1820 and if spared will celebrate her 101st birthday in June next. Her memory is still quite good and she can converse very intelligently of events which occurred in her early life. One of the events she recalls with interest was the departure of the brig Fanny from Charlottetown to California as well as other notable occurrences in the history of this Island.

The \$100,000 subsidy has been also received by the Bell Government, and yet they have increased these taxes, so much complained of, four-fold. But this is the

Satisfies More Than Sentiment

Much Candy is selected because of its popular name or on account of its attractive container. This is especially true of candies which are bought for gift purposes. But when

GOOD CHOCOLATES are selected there's something more than sentiment involved in the purchase. Their fine QUALITY is universally acknowledged. Freshness and purity are always guaranteed because of the frequent shipments which we receive direct from the factory. We stock PAGE & SHAW'S, NEILSONS & MOIRS.
