IN HOSPITAL - Mr. Clayton
MacLellan of Springfield West, son
of Mr. and Mrs. Ralph MacLellan,
who was badly burned on Friday,
Sept. 16, is still a patient in the
Alberton Hospital. The accident
happened when an engine on the
farm backfired and flaming gaso-
line was thrown over his arms and
chest. The barn caught fire but was
quickly extinguished.

PRISONER PICKED UP - A
Prince County Jail prisoner was
re-arrested last night about eight
o'clock at the corner of Summer
and Water Streets, Summerside
while he was casually talking to a
Town policeman who did not know
that he had escaped from custody.
An R.C.M.P. patrol car came
along and he was placed under ar-
rest but not before a small crowd
had gathered. Apparently he was
a trusty and had extended his lib-
erty. He has two months to serve
on a one-year sentence for forgery.

COURT AT ALBERTON -
Magistrate R. S. Hinton, K.C.,
held court in Alberton Friday and
there was a full docket. A com-
mon assault case was dismissed and
a case of causing grievous bodily
harm was adjourned after part
of the evidence had been taken. A
Temperance Act case and a joy
riding case were also adjourned. A
party charged with sale of spirits
under the Temperance Act was
fined \$200 and costs or three
months and the defendants in five
other Temperance Act cases charged
with possession were all fined
\$25 and costs. Several highway
traffic cases were also disposed of.
Mr. John Nicholson represented
the crown and Mr. Heath Strong,
K.C. and Wilfred Tarrion appear-
ed for clients. -S.

STILL SEIZED - Members of
Summerside detachment R.C.M.P.
seized a ten-gallon capacity still in
the woods at Bedouque on Sunday
and subsequently arrested a resident
of that locality. The man appeared
before Magistrate R.S. Hinton, K.C.
in Summerside yesterday and
after pleading guilty was fined \$100
and costs or three months under
the Excise Act and \$200 and costs
or three months under the Tem-
perance Act. Cst. D.S. Davis told
the court that a ten-hour watch
had been kept on the still and that
approximately six gallons of wash
and certain utensils were also seized. Cst. Davis was accompanied by
Cn. White. -S.

Pretty Wedding
At Summerside

A quiet but pretty marriage was
solemnized on Saturday afternoon
at two o'clock by Rev. K.G. Sulli-
van at the home of the bride's
parents, Mr. and Mrs. Horace E.
Clark, Summerside, when their
youngest daughter, Gerda Marie,
became the bride of Edward Donald
MacLeod, son of Mr. Findlay
MacLeod and the late Mrs. McLeod
of Toronto. The ceremony was per-
formed beneath an arch of sum-
mer flowers and autumn leaves.

The bride chose for her wedding
a two-piece street length dress of
frost blue wool crepe, a wine vel-
vet hat with ostrich plumes and
veil, and wine accessories. She car-
ried a colonial bouquet of Queen
Elizabeth roses.

Miss Marie Clark was her sister's
bridesmaid and wore a street-
length dress of crimson leaf wool
crepe with grey hat and veil and
grey accessories. She carried a
nosegay of Delight roses.

Mr. Willard Goodwin of Halifax,
N.S., was groomsman.
The bride's mother was gowned
in black crepe and tafetta with
matching accessories and wore a
corsage of Briarcliffe roses.

Mr. and Mrs. MacLeod left by
plane on a brief honeymoon trip,
the bride travelling in a suit of
black and red gabardine with black
accessories and a gardenia corsage.
On return they will reside in Hal-
ifax where the groom is stationed
with the Royal Canadian Navy. -S

CLIENTS of the late T. L.
Compton must claim their papers
before the end of this week as the
office will be closed permanently
after Saturday.

School at the R.C.A.F. station
for children of personnel living in
married quarters opened Septem-
ber 7th. There are two rooms,
grades one to six. The teachers are
Mrs. Mary Barry of Wellington,
and Miss Winnifred Haslem of
Charlottetown.

Flight Lieutenant T.M. Burns,
Flying Officer E.A. MacRae, mem-
bers of the temporary school board
appointed to get the new school
underway, have the appreciation
and gratitude of the parents con-
cerned for the splendid work they
have achieved. The school is well-
staffed, well housed, and when all
the equipment ordered has arriv-
ed, will be as well-equipped as any
school in the province.

At a recent school meeting on
the station, members for the an-
nual school board were elected.
They are Flying Officer E.A. Mac-
Rae, chairman; Mrs. S.B. Mac-
Donald, secretary; Flight Lieuten-
ant T.M. Burns, Flight Sergeant R.
Crispin and Sergeant M. Halder-
er, members.

Sergeant Jack Oliver, Mrs. Oliver
and their two daughters left for
Ontario recently, where they will
spend the next four months while
Sergeant Oliver is on a course.

Flying Officer F.R. Wheler, Mrs.
Wheler and their young son,
Douglas, have moved into the Ol-
iver apartment.

L.A.C. Frank Collins has left for
Charlottetown, where he has been
posted.

W.O. "Bud" Quinn and Mrs.
Quinn are being congratulated on
the birth of a son.

Mrs. Ted Carmichael, her son
Ronnie, and her mother, Mrs.
Walsh of Grand Falls, Nfld., who
has been visiting Corporal Car-
michael and Mrs. Carmichael,
have gone to Charlottetown for a
few days.

Sergeant E.H. Penner, Mrs. Penner
and their two children have
returned from a month's visit with
Sergeant Penner's family in Moose
Jaw, Saskatchewan.

The Station library has been re-
opened recently with Miss A. Ar-
senault of Summerside in charge
as librarian. Among other improve-
ments a selection of magazines is
being added. Every taste has been
added, and new books are arriv-
ing regularly.

Sergeant Stevens of the Service
Police is back on duty after a
month in hospital at Halifax.

Mrs. T.S. Gray of Toronto who
has been visiting her son-in-law
and daughter, Sergeant Pete Mic-
kus and Mrs. Mickus the past
month, left by plane for Toronto
Monday.

One of Summerside's older busi-
ness men, Mr. Edgar Clark, can
look back fifty years to the day he
went into business for himself. A
tailor by trade and still busy at
it, Mr. Clark continues to stand
while he talks of his early days in
Summerside.

Starting in partnership with the
late Corey Stevens, they set up
business in a building on Water
Street which was located precisely
where Summer Street now joins
that thoroughfare. Older residents
will recall that for many years
Summer Street was opened up as
at present except that it had no
opening on Water Street and it
was not till some years later that
the building was moved allowing
the two streets to join. Mr. Clark
recalls that many people made it a
regular practice to go through his
store on their way to and from the
post office which was located as
now on Summer Street.

In 1901 Clark and Stevens moved
their business across the street to
Rogers and Rogers store where the
Bank of Nova Scotia now stands.
Two years later Mr. Stevens with-
drew from the business and the
late William Buchanan entered
the partnership which lasted till
Mr. Buchanan's retirement in 1929.
In 1907 the building they occupied
was destroyed by fire just one year
after the disastrous fire that start-
ed at the freight shed and burned
its way through town to the court
house. They then moved to the
location where Mr. Clark is still
plying his trade, across from R.T.
Holman, Ltd.

Mr. Clark was born in Victoria
and started to learn his trade with
John Williams at Crapaud Corn-
er. Shortly after he came to Sum-
merside and worked for a time
with the late W.M.A. Stewart and
then lived briefly in Newcastle,
N.B. On his return from Newcastle
he started in business for himself.

Mr. Clark is in good health and
puts in full day's work, although
he had a serious illness last win-
ter. Now started on his second

Plan Semi-Annual
Red Cross Meeting
At Summerside

This year, for the first time, the
Prince Edward Island Division of
the Canadian Red Cross Society
will hold a semi-annual meeting
which will take place in the form
of a dinner at the Olympia in
Summerside on Thursday, Septem-
ber 22nd, at 6:00 P.M. Members of
the Divisional Council and of or-
ganizations in and near Summ-
erside have been sent special letters
announcing this meeting which is
open to any Red Cross members
who would like to attend. Those
who do not wish to be present for
the dinner may come at 7:15 when
they will hear the speaker and
the reports.

Dr. J.P. O'Riordan, who is the
newly appointed Medical Director
of the Maritime Depot, Canadian
Red Cross Blood Transfusion Ser-
vice at Halifax will be the special
speaker and will show a film en-
titled "Miracle Fluid". Short re-
ports will also be given by the dif-
ferent Committee Chairmen.

While Dr. O'Riordan is in the
Province during the coming week
he will visit all the hospitals and
confer with the doctors and staff
with regard to the Blood Transfu-
sion Service, and he will also ad-
dress the weekly meetings of the
Charlottetown Rotary, Gyro and
Kiwanis Club.

Clayton MacLellan, 16-year-old
son of Mr. and Mrs. Ralph Mac-
Lellan of Cape Wolfe, near O'Leary,
narrowly escaped serious injury last
Friday night about 8:30 on the
mainly farm when pouring gaso-
line into a tank of a milking machine
engine. The engine was going at
the time and an explosion resulted,
and it is believed that the boy at-
tempted to extinguish the blaze,
though injured himself.

Upon discovery of the accident by
his family he was rushed to the
Western Hospital at Alberton for
treatment. He was reported resting
comfortably over the weekend and
not hurt as seriously as was origi-
nally thought. The victim main-
tained consciousness throughout the
entire mishap, which could quite
easily have proved fatal. The fire
in the barn was extinguished be-
fore serious damage resulted. -S.
