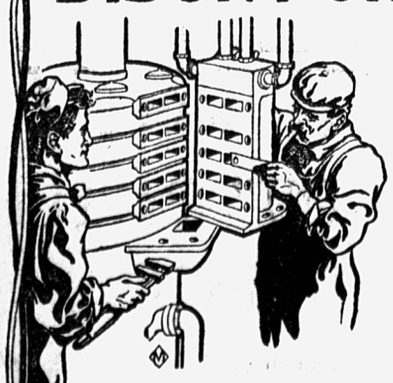
BISON FURNACE


Any one of the sections in a Bison Hot Water Furnace can be readily shut off without affecting the others.
A section in the Bison Furnace is not likely to leak, but through neglect and rust it is possible in any furnace.
Your house does not have to remain cold until a new section comes from the distant manufacturer, as is the case with other furnaces. Imagine the value of this in case of sickness in mid-winter.
The Bison has more good heating points than all other heaters combined.

MRS. E. J. CUSACK and little Reta, left this morning for Summerside, P. E. Island, where they will visit for two months with Mrs. Cusack's parents, Mr. and Mrs. Alexander Chappell.—Truro News.

MRS. J. MCCALLUM and two daughters who have spending the summer with Mrs. McCallum's sisters, Mrs. H. Pasely, Kensington, and Mrs. N. Campbell, Charlottetown, have returned to their home in Winnipeg.

THE Lewiston Journal had the following to say of Miss Agnes Hyde at a Burns' anniversary in that city:—Tam O'Shanter was recited by Miss Hyde. An elocutionist of her calibre has rarely been heard in Lewiston. She handled the difficult dialect with marvelous skill. The spectres of Albany Kirk seemed to rise before the audience as Tam and his good gray mare made their famous ride across the bridge. There is no question about her dramatic powers, and her keen sense of humor is equal to her ability as an elocutionist. She is a star. In her humorous selections she kept the audience in a roar by assuming character after character with the utmost ease.' "Whenever opportunity offered Miss Hyde showed her dramatic powers, and the large audience had a glimpse of what she is capable of as an elocutionist. The audience thoroughly enjoyed the entertainment It is hoped the Halifax public may again have the opportunity of hearing Miss Hyde."—Halifax Daily Echo. Remember Miss Hyde appears in Market Hall, Summerside, on Tuesday, August 21, with Miss Crawford, Scotland's greatest contralto. You cannot very well afford to let the opportunity of hearing them go by.
