SAVING HEAT BILL IN COOKING.

Two or three times a week, boil or steam a large kettle of potatoes in the original packages, set them aside to cool, and, finally, my daughters, they will come as a treasure house of gold and silver.

STUDY OF THE MOON.

The complexity and difficulty of the lunar theory have attracted many eminent mathematicians, but at present it appears to be agreed to leave to Professor E. W. Brown alone the completion of a set of lunar tables to replace those of Hansen.

NEARLY A MILLION FOR Y. M. C. A.

In the many building fund campaigns the Y. M. C. A. has conducted in the past few years, none have been more successful than those just closed in Western Canada.

IMMUNITY FROM CANCER.

There has been found in some animals a natural immunity from cancer, and that immunity can be artificially induced. This immunity is neither active or passive.
