10 P. M.—E. E. Freshbery.

Funeral of Dr.
M. A. McGuigan

The funeral of Dr. M. A. Mac-
Guigan, which was largely attend-
ed, was held yesterday morning
at his late residence, 86 West
Street, to St. Dunstan's Basili-
can, thence to the Catholic
Cemetery.

A large number of the Knights of
Columbus, of which the deceased
was a member, preceded the hearse.

The Pastoral, Pontifical Requiem
High Mass was celebrated
by His Excellency Archbishop J. G.
McDonald, assisted by Rev. P.
McGuigan, a brother of the deceased.

High Priest, Rev. James
Murphy, D. D. St. Dunstan's Uni-
versity, Quebec, was assisted by
Messrs. J. H. Keefe, and Rev.
G. W. MacDonnell.

Interment in the sanctuary
was by Very Rev. H. Fleming, C. S. S.
R. Church of the Most Holy Re-
demption, Rev. P. McMahon, D. D.,
Rector of St. Dunstan's Basilica,
and Rev. G. MacDonnell, D. D.,
Dean of the Diocese.

BUSY DAY FOR AIRWAYS—
Yesterday was a busy day at Up-
ton Airport. A charter flight was
made to Alberton with Dr. J. P.
Lantz and Major O. Campbell, who
were on business in connection
with the purchase of a plane for
the C. S. S. R. Church of the Most
Holy Redemption, returning from
Ottawa where they were in con-
nection with presentation of data
to the Rowell Commission.

Mr. J. P. Lantz, who is
deputy provincial secretary of the
Ontario Department of Agriculture,
and Mr. O. Campbell, who is
deputy provincial secretary of the
Ontario Department of Agriculture,
were accompanied by Rev. J. P.
Lantz, who is deputy provincial
secretary of the Ontario Depart-
ment of Agriculture, and Mr. O.
Campbell, who is deputy provincial
secretary of the Ontario Depart-
ment of Agriculture.

The honorary ball-bearers were:
Dr. J. P. Lantz, Dr. J. H. Keefe,
A. R. McInnis, Dr. W. J. J.
McMillan, Dr. L. Smith, Hon.
A. R. MacDonnell, Dr. Corigan,
Dr. Blanehard, Dr. Duffy,
Chief mourners: Messrs. Amos
McMahon, Alex. Murphy, Joseph
Duffy, Daniel McInnis, John De-
tling, Michael Murphy, Anthony
Hughes, Peter McMahon.

Service at the grave was
conducted by His Excellency Arch-
bishop J. G. McDonald, assisted
by Rev. J. P. McGuigan, Rev.
Douglas and Father Monahan.

**HAPPIEST CONGRATULA-
TIONS**—Mrs. E. S. McLeod yester-
day celebrated her 50th birthday,
at her home, on the occasion
many of her old friends sending
her their best wishes.

TELEPHONE BRIDGE—A very
delightful telephone bridge and
auction forty-fives was held by the
Alumni of the Charlottetown
Hospital last night. Prize winners
were: Bridge ladies, Mrs. S. G.
Peppin, consolation, Mr. J. W.
Nicholson; gentlemen, Mr. J. W.
Oswald Murphy, consolation, Mr. J.
McDonald, Auction, ladies 1st,
Miss Anne Stewart, consolation,
Mrs. Clifford McEgan; gentle-
men, 1st, Joseph Madore, consolation,
Mr. Fred Coady.

INVESTIGATE THEFT—City
police last night were investigating
the theft of approximately \$20
worth of goods from the grocery
store of Norman Saunders in the
east end of the city market build-
ing some time Tuesday night. The
lost included cigarettes, chewing
gum and a quantity of marmalade.

The store is in a building which
was built by the city market build-
ing through a side door. A lock
was found broken. It was appar-
ently a skeleton key was used.
Cracked glass in a door which al-
lowed entrance to the main build-
ing was seen. The lock on the door
store itself was gained after glass
in a partition of the store had been
broken.

**ISLAND NATIVE DIES IN
SEATTLE**—Mr. E. T. Higgs re-
ceived word yesterday of the death
of his brother-in-law, T. J. Farquharson, son of the
late James Farquharson of Mer-
maid, P.E.I. Mr. Farquharson left
this province about 40 years ago,
going to Boston where he engaged
in the building business. About 20
years ago he moved to Seattle with
his family where he continued his
business until forced to retire by
ill health. Albert Farquharson of
Seattle, brother and Mrs. W. J.
M. MacMillan of Charlottetown is
a sister of the deceased.

Dog Tax Collected
\$4,155 had been collected in dog
tax during 1937. Hon. W. H. Den-
dine said. Mounted Police would
destroy dogs on which tax was not
paid for 1937, he continued.

The question of the almost
complete removal of duty from
New Zealand and Australian lambs
coming to Canada was one of the
things discussed at the annual
meeting of the Canadian Sheep
Breeder's Association at Toronto.
Mr. Laird said in his report on
proceedings at the annual meeting
of the organization at Toronto re-
cently. It was felt by the major-
ity of delegates that the almost
complete removal of duty on New
Zealand and Australian lambs
coming into Canada was having an
adverse effect on lamb markets
here. A committee was appointed
to wait on the Federal Minister of
Agriculture and present him with
the wishes of the breeders. The
time when New Zealand and Aus-
tralian lambs was coming in was
during winter and early spring
when Canadian lamb was coming
on to market. Its competition
had practically no effect on Cana-
dian lamb during fall months.

Mr. Laird said.
Mr. McGregor, Central
Lot 16, said packers used New
Zealand and Australian lamb as
an argument to depress prices for
a time last year but the competi-
tion did not develop as expected.

Wool Situation "Very Bad"
The wool marketing situation was
"very bright", Mr. McGregor said
reporting on the activities of the
Canadian Co-operative Wool Mar-
keting Association, 2,200,000 pounds
of 1937 wool was still unsold in
Toronto compared with 200,000
to 300,000 pounds in normal years.
Prices slumped just as soon as wool
started to be delivered last sum-
mer and went down 40 to 50 per-
cent. "If the market had so many
good years and such a reserve
built up it would have been too
bad", the speaker said. There was
not a word about prospects this
year.

To curtail expenses it was de-
cided to send only one delegate to
the meeting this year and on Mr.
McGregor's suggestion the meeting
was moved to St. John's, Ontario,
vice-president for the Maritimes,
be the delegate.

Mr. S. D. Irvine
"It is just possible that as time
goes on there may be a steadily
growing market outlet for early
lamb during June, July, and Aug-
ust", Mr. S. D. Irvine, senior field
man, said in the course of his ad-
dress. "Consequently, commercial
breeders might do well to con-
sider this possible trend in market
demand and endeavour to have
their lambs up to market weights,
90-100 pounds at the farm as early
as possible."

Although the Island sheep in-
dustry showed some decline in
numbers over recent years there
was no material change during
the year. The speaker said that
wool was one of the bright spots
of the year.

Interest in the purchase of
graded and registered rams was
maintained, Mr. Irvine said.
Fifty-five were purchased by farm-
ers under the Dominion Ram Club
policy.

One of the things stressed by
the speaker was the importance of
control of both internal and exter-
nal parasites in sheep.

**Secretory Will
Shroud Naval
War Games**

WASHINGTON, Feb. 23 (AP)—
The United States Navy's forth-
coming war games in the Pacific
will involve "highly confidential"
and will be carried out
under war-time secrecy, officials
disclosed today.

They said that because of the
confidential nature of this problem
Naval Secretary Swanson had de-
cided to bar newspapermen from
the 150 fighting craft which will
manoeuvre over a 12,000,000-square
mile area from Alaska to Samoa
and the Panama Canal for six
weeks during March and April.

Another manifestation of the
Navy's increasing policy of secrecy
came from Rear Admiral William
G. D. D. in testimony today before
the House Naval Committee.

He refused to give an unqualified
answer concerning the speed of
battleships in response to questions
from Representative Brewster
(Rep.-Maine). However, he said al-
though he was "reluctant" to give
names of their battleships and that
those of the United States had a
cruising speed of about 31 knots.

OF SEASON
TONIGHT**

**HOLY REDEMPTION
HALL**

Big Attendance Prize

(Continued from page 1)

SHEEP ASSN.

(Continued from page 1)

The ram bonusing policy of the
Dominion Department of Agriculture
was endorsed, coupled with a
request that it be continued.
199 sheep had been killed by
dogs in 1937 as compared with 345
in the previous year. Mr. W. R.
Shaw said in a short address. The
late last fall to check-up on dogs
whose tax for 1937 was not paid
and unless the owner paid when
police called they were ordered to
destroy the dogs. As soon as roads
permitted easier travelling the work
would be resumed.

34,332 pounds of wool had been
handled co-operatively in 1937.
Mr. Shaw said in dealing with that
phase of the industry as com-
pared with only about 15,000 during
the previous year. The clip
handled graded as follows: medi-
um staple, 150 lbs. @ 24 cents;
low staple, 125 lbs. @ 25 cents;
25 cents; low staple, 277 lbs. @ 28
medium grey and black, 533 lbs. @
18c; seedy, 9 lbs. @ 18c; hardcoats,
197 lbs. @ 8c; soft coats, 10 lbs.
@ 18c tags, 133 lbs. no value.

Farmers had been paid on a flat
rate, 23 cents per pound, the
speaker said. Recently the local
Association had been refunded \$97.
Mr. Shaw said the annual meeting
decline beginning in August. Mr.
Shaw said. Island farmers had
been very fortunate in receiving
the price quoted.

Dog Tax Collected
\$4,155 had been collected in dog
tax during 1937. Hon. W. H. Den-
dine said. Mounted Police would
destroy dogs on which tax was not
paid for 1937, he continued.

The question of the almost
complete removal of duty from
New Zealand and Australian lambs
coming to Canada was one of the
things discussed at the annual
meeting of the Canadian Sheep
Breeder's Association at Toronto.
Mr. Laird said in his report on
proceedings at the annual meeting
of the organization at Toronto re-
cently. It was felt by the major-
ity of delegates that the almost
complete removal of duty on New
Zealand and Australian lambs
coming into Canada was having an
adverse effect on lamb markets
here. A committee was appointed
to wait on the Federal Minister of
Agriculture and present him with
the wishes of the breeders. The
time when New Zealand and Aus-
tralian lambs was coming in was
during winter and early spring
when Canadian lamb was coming
on to market. Its competition
had practically no effect on Cana-
dian lamb during fall months.

Mr. Laird said.
Mr. McGregor, Central
Lot 16, said packers used New
Zealand and Australian lamb as
an argument to depress prices for
a time last year but the competi-
tion did not develop as expected.

Wool Situation "Very Bad"
The wool marketing situation was
"very bright", Mr. McGregor said
reporting on the activities of the
Canadian Co-operative Wool Mar-
keting Association, 2,200,000 pounds
of 1937 wool was still unsold in
Toronto compared with 200,000
to 300,000 pounds in normal years.
Prices slumped just as soon as wool
started to be delivered last sum-
mer and went down 40 to 50 per-
cent. "If the market had so many
good years and such a reserve
built up it would have been too
bad", the speaker said. There was
not a word about prospects this
year.

To curtail expenses it was de-
cided to send only one delegate to
the meeting this year and on Mr.
McGregor's suggestion the meeting
was moved to St. John's, Ontario,
vice-president for the Maritimes,
be the delegate.

Mr. S. D. Irvine
"It is just possible that as time
goes on there may be a steadily
growing market outlet for early
lamb during June, July, and Aug-
ust", Mr. S. D. Irvine, senior field
man, said in the course of his ad-
dress. "Consequently, commercial
breeders might do well to con-
sider this possible trend in market
demand and endeavour to have
their lambs up to market weights,
90-100 pounds at the farm as early
as possible."

Although the Island sheep in-
dustry showed some decline in
numbers over recent years there
was no material change during
the year. The speaker said that
wool was one of the bright spots
of the year.

Interest in the purchase of
graded and registered rams was
maintained, Mr. Irvine said.
Fifty-five were purchased by farm-
ers under the Dominion Ram Club
policy.

One of the things stressed by
the speaker was the importance of
control of both internal and exter-
nal parasites in sheep.

**Secretory Will
Shroud Naval
War Games**

WASHINGTON, Feb. 23 (AP)—
The United States Navy's forth-
coming war games in the Pacific
will involve "highly confidential"
and will be carried out
under war-time secrecy, officials
disclosed today.

They said that because of the
confidential nature of this problem
Naval Secretary Swanson had de-
cided to bar newspapermen from
the 150 fighting craft which will
manoeuvre over a 12,000,000-square
mile area from Alaska to Samoa
and the Panama Canal for six
weeks during March and April.

Another manifestation of the
Navy's increasing policy of secrecy
came from Rear Admiral William
G. D. D. in testimony today before
the House Naval Committee.

He refused to give an unqualified
answer concerning the speed of
battleships in response to questions
from Representative Brewster
(Rep.-Maine). However, he said al-
though he was "reluctant" to give
names of their battleships and that
those of the United States had a
cruising speed of about 31 knots.

Egg And Poultry

(Continued from page 1)

hoped would bring about a re-
vival of co-operative principles
in this province.

Take Part In Discussion

Delegates taking part in discus-
sion during yesterday's meetings
included: Messrs. D. B. McDonald,
Bedford, W. D. Ross, Kinross, M.
J. Kelly, St. Teresa, N. Mc-
Donald, Heatherdale, Austin Laird,
Cavendish, W. B. McLean, Alma,
J. F. Arsenault, Mt. Carmel, W. N.
Kinross, Bellefleur, Alexander, Mc-
Kay, Bridgetown, H. McDonald,
New Haven, O. C. LePage, Rustico,
J. A. Dewar, New Perth, G. H. Liv-
ington, Murray River, D. J. Mullin,
St. Peter's.

**TWENTY-FOURTH ANNUAL RE-
PORT BY THE DIRECTORS OF
THE P. E. I. CO-OPERATIVE
EGG AND POULTRY ASSOCIATION.**

Signed on Behalf of Board of
Directors,
J. A. THOMPSON
President

**SECRETARY-TREASURER'S
REPORT**

We again present for your ap-
proval the Financial Report of
the Association consisting of Loss and
Gain, Statements, Assets and Li-
abilities for the year just ended,
December 31, 1937.

On January 13th, a Meeting of
your Central Board of Directors
was held at the home of the sec-
retary to discuss the report and six
percent was declared on eggs to-
gether with a bonus of six percent
on poultry.

During the year just end-
ed our hard work was being done
and our various efforts were
counted, such as great scarcity of
grain feeds with commercial feeds
seemingly prohibitive so far as the
average producer was concerned
and the fact that the members who
have in any way contributed to the
welfare and benefit of our Associ-
ation.

6% Bonus
At our annual Directors' Meeting
held on January 12th, 1938, a div-
idend of six percent was declared
and also a rebate of six
percent on dressed poultry. We feel
that this our best means of encour-
aging an interest in the Poultry Industry
in connection with our Association
and that those shipping eggs for the
Spring and Summer months are not
contributing to the cutting down
of expenses in carrying over the
business of the Association as much,
or to the same extent as the dres-
sed poultry shippers are doing,
and, therefore, caused this split
in the bonus, namely, six percent
on eggs and six percent on dressed
poultry.

The egg bonus, according to the
Management, has been sent out
with the exception of some few
statements not in to the Central
Board of Directors and amounting
to 720,406.4 cents amounting to
decrease under the year and
some analysis of the causes would
be in order. The first and foremost
cause of this is the shortage of
feed and the apparent
shortage in laying stock. Two years
hard crop is showing its ef-
fect in the habit of laying and in
the habits of the poultry. The
merchandise, lack of interest has
retarded. Small increases are re-
ported from twelve circles; the
highest increase is to Southern
Kings under the Management of
Mr. Whitley Brehaut.

The following Circles shipped as
follows:

22 Circles shipped during 12
months

9 Circles shipped during 11
months

4 Circles shipped during 10
months

2 Circles shipped during 9
months

7 Circles shipped during 8 months

2 Circles shipped during 7 months

Live poultry was again hand-
led by the Association and one carload
was shipped to London, Ontario,
a top price of fourteen cents per
lb. live weight for Selected A fowl.
The shortage of feed was very ap-
parent in the quality of birds shipped
and made it hard to maintain a
top price, that, owing to the quality, the
Association was unable to load more
than one car.

To curtail expenses it was de-
cided to send only one delegate to
the meeting this year and on Mr.
McGregor's suggestion the meeting
was moved to St. John's, Ontario,
vice-president for the Maritimes,
be the delegate.

Mr. S. D. Irvine
"It is just possible that as time
goes on there may be a steadily
growing market outlet for early
lamb during June, July, and Aug-
ust", Mr. S. D. Irvine, senior field
man, said in the course of his ad-
dress. "Consequently, commercial
breeders might do well to con-
sider this possible trend in market
demand and endeavour to have
their lambs up to market weights,
90-100 pounds at the farm as early
as possible."

Although the Island sheep in-
dustry showed some decline in
numbers over recent years there
was no material change during
the year. The speaker said that
wool was one of the bright spots
of the year.

Interest in the purchase of
graded and registered rams was
maintained, Mr. Irvine said.
Fifty-five were purchased by farm-
ers under the Dominion Ram Club
policy.

One of the things stressed by
the speaker was the importance of
control of both internal and exter-
nal parasites in sheep.

**Secretory Will
Shroud Naval
War Games**

WASHINGTON, Feb. 23 (AP)—
The United States Navy's forth-
coming war games in the Pacific
will involve "highly confidential"
and will be carried out
under war-time secrecy, officials
disclosed today.

They said that because of the
confidential nature of this problem
Naval Secretary Swanson had de-
cided to bar newspapermen from
the 150 fighting craft which will
manoeuvre over a 12,000,000-square
mile area from Alaska to Samoa
and the Panama Canal for six
weeks during March and April.

Another manifestation of the
Navy's increasing policy of secrecy
came from Rear Admiral William
G. D. D. in testimony today before
the House Naval Committee.

He refused to give an unqualified
answer concerning the speed of
battleships in response to questions
from Representative Brewster
(Rep.-Maine). However, he said al-
though he was "reluctant" to give
names of their battleships and that
those of the United States had a
cruising speed of about 31 knots.

Machon, Chairman, Mr. Archibald,
Auditor, Mr. McDonald, the Man-
ager and myself are found to be
very just and fair in the different
valuations.

1938 will be our twenty-fifth
year in business and let us look
forward with confidence with con-
fidence. The Co-operative principles
under which we are working, are
one hundred percent sound. The
main principle as is being voiced,
broader, advised, and better, is
at home and abroad by Govern-
ments, Clergy, Laymen, as a means
of straightening out the ills of the
world, you are urged.

In conclusion, your Directorate
wishes to thank the Press, Depart-
ments of Agriculture, Federal and
Provincial, the Government and
the public and the members who
have in any way contributed to the
welfare and benefit of our Associ-
ation.

Signed on Behalf of Board of
Directors,
J. A. THOMPSON
President

**SECRETARY-TREASURER'S
REPORT**

We again present for your ap-
proval the Financial Report of
the Association consisting of Loss and
Gain, Statements, Assets and Li-
abilities for the year just ended,
December 31, 1937.

On January 13th, a Meeting of
your Central Board of Directors
was held at the home of the sec-
retary to discuss the report and six
percent was declared on eggs to-
gether with a bonus of six percent
on poultry.

During the year just end-
ed our hard work was being done
and our various efforts were
counted, such as great scarcity of
grain feeds with commercial feeds
seemingly prohibitive so far as the
average producer was concerned
and the fact that the members who
have in any way contributed to the
welfare and benefit of our Associ-
ation.

6% Bonus
At our annual Directors' Meeting
held on January 12th, 1938, a div-
idend of six percent was declared
and also a rebate of six
percent on dressed poultry. We feel
that this our best means of encour-
aging an interest in the Poultry Industry
in connection with our Association
and that those shipping eggs for the
Spring and Summer months are not
contributing to the cutting down
of expenses in carrying over the
business of the Association as much,
or to the same extent as the dres-
sed poultry shippers are doing,
and, therefore, caused this split
in the bonus, namely, six percent
on eggs and six percent on dressed
poultry.

The egg bonus, according to the
Management, has been sent out
with the exception of some few
statements not in to the Central
Board of Directors and amounting
to 720,406.4 cents amounting to
decrease under the year and
some analysis of the causes would
be in order. The first and foremost
cause of this is the shortage of
feed and the apparent
shortage in laying stock. Two years
hard crop is showing its ef-
fect in the habit of laying and in
the habits of the poultry. The
merchandise, lack of interest has
retarded. Small increases are re-
ported from twelve circles; the
highest increase is to Southern
Kings under the Management of
Mr. Whitley Brehaut.

The following Circles shipped as
follows:

22 Circles shipped during 12
months

9 Circles shipped during 11
months

4 Circles shipped during 10
months

2 Circles shipped during 9
months

7 Circles shipped during 8 months

2 Circles shipped during 7 months

Live poultry was again hand-
led by the Association and one carload
was shipped to London, Ontario,
a top price of fourteen cents per
lb. live weight for Selected A fowl.
The shortage of feed was very ap-
parent in the quality of birds shipped
and made it hard to maintain a
top price, that, owing to the quality, the
Association was unable to load more
than one car.

To curtail expenses it was de-
cided to send only one delegate to
the meeting this year and on Mr.
McGregor's suggestion the meeting
was moved to St. John's, Ontario,
vice-president for the Maritimes,
be the delegate.

Mr. S. D. Irvine
"It is just possible that as time
goes on there may be a steadily
growing market outlet for early
lamb during June, July, and Aug-
ust", Mr. S. D. Irvine, senior field
man, said in the course of his ad-
dress. "Consequently, commercial
breeders might do well to con-
sider this possible trend in market
demand and endeavour to have
their lambs up to market weights,
90-100 pounds at the farm as early
as possible."

Although the Island sheep in-
dustry showed some decline in
numbers over recent years there
was no material change during
the year. The speaker said that
wool was one of the bright spots
of the year.

Interest in the purchase of
graded and registered rams was
maintained, Mr. Irvine said.
Fifty-five were purchased by farm-
ers under the Dominion Ram Club
policy.

One of the things stressed by
the speaker was the importance of
control of both internal and exter-
nal parasites in sheep.

**Secretory Will
Shroud Naval
War Games**

WASHINGTON, Feb. 23 (AP)—
The United States Navy's forth-
coming war games in the Pacific
will involve "highly confidential"
and will be carried out
under war-time secrecy, officials
disclosed today.

They said that because of the
confidential nature of this problem
Naval Secretary Swanson had de-
cided to bar newspapermen from
the 150 fighting craft which will
manoeuvre over a 12,000,000-square
mile area from Alaska to Samoa
and the Panama Canal for six
weeks during March and April.

Another manifestation of the
Navy's increasing policy of secrecy
came from Rear Admiral William
G. D. D. in testimony today before
the House Naval Committee.

He refused to give an unqualified
answer concerning the speed of
battleships in response to questions
from Representative Brewster
(Rep.-Maine). However, he said al-
though he was "reluctant" to give
names of their battleships and that
those of the United States had a
cruising speed of about 31 knots.

Lower Egg Production
Although our egg report shows a
rather large decrease in the number
of dozens handled, we cannot at-
tribute this to any other cause
than our own, namely, less laying
stock and both caused by the
scarcity and high price of feeds.
Canada's holdings of Poultry being
feet in December 31st below
the year 1936. We must again
bring before you the average number
of dozens per member which now
stands at 40 dozens. This is a
decrease from the 45 dozens of
1936. This, as you will note, is a
small and indicates the dire nec-
essity of increasing our volume to
outdo established markets. The
attention of our members should
