 Stop coughing! Coughing rasps and tears. Stop it! Coughing prepares the throat and lungs for more trouble. Stop it! There is nothing so bad for a cough as coughing. Stop it! Ayer's Cherry Pectoral is a medicine for coughs and colds, a regular doctor's medicine. Use it! Ask your doctor if this is not good advice.

The latest news, first of all.

The mail train arrived last night at 10.35.

Miss J. Boyd of Blooming Point, visited the city yesterday.

The children of the three City schools, with their teachers, marched to the Market hall yesterday to practice their closing exercises.

Among the visitors to the city yesterday were W. A. McQuarrie, Harry Clarke, Victoria, and Miss S. and K. McKinnis, Boston.

The auction sale at Mrs. May's City, will continue today at ten a.m. All parlor and dining-room furniture and good goods will be sold off.

The Journal of the Bank of Nova Scotia for June contains 32 pages of interesting reading matter and is handsomely illustrated. Among the portraits is one of the late William Johnstone of Long River, P. E. I., who entered the service of the bank in 1899 and rose to be manager at Sussex and later at Regina. He died in May last in Denver, whither he had gone in quest of health.

On Tuesday last while John Saunders of Saunders & Newsom's, City, was helping with a herd of cattle, he accidentally slipped striking his chest on a fence. The shock rendered Mr. Saunders unconscious and a doctor had to be called in. Although somewhat sore and stiff he received no severe injuries and his many friends were glad to see him down town yesterday.

On Tuesday evening a large number of spectators had the pleasure of seeing some of the finest horse racing, seen on the Charlottetown Driving Park for some years. A large number of horses were in evidence and some very fast time was made. Among the bunch were the following, Aquire, Baby Boy, Gracie Mac, Parkwood Jr, Betsy Cameron. The handsome stallion Aquire was the surprise of the evening, his fine gait, action, and great staying power combined with his whirl wind of speed was greatly admired, and with such breeding as he has, he will no doubt be heard from in the Fall. Many of the other pacers did exceptionally well and the owners are to be congratulated.

Collier & Co's, Great London Shows will give exhibitions at the B.N. Arena, commencing Tuesday night July 13 for four days. The initial performance will be given Tuesday at 8.30 p.m. and every afternoon and evening until Friday July 16th. The make up of the lengthy program contains the names of many notable artists of the saw-dust ring and points to a salary list very expensive. The numerous displays in the ring, the air, and upon the elevated stage, are diversified enough to suit the tastes of all classes of men women and children too, with just enough thrills thrown in to keep the interest keyed up to concert pitch. The comedy element is furnished by a corps of Shakespearean Pantomime and talking and singing clowns, in a series of button bursting antics and side splitting mishaps. The price of admission ten and twenty cents, will enable everyone to attend.

At a recent meeting of Windsor district of the Methodist Church Rev. W. H. Langille was elected Chairman to take the place of Rev. R. W. Weddall, transferred to the N. B. and P. E. I. The steamship Company of the Quebec Steamship Company, which was aground on Thursday night at St. Vallier, about twenty-five miles below Quebec, while on her way from Pictou and Gulf ports to Montreal, was examined as completely as possible on Saturday, when it was decided to raise her as she was. It was quite anticipated that she may have been very severely strained, but at the same time J. G. Brock & Co., the Montreal agents of the line, have no news that she is broken in two, and the examination and decided to commence operation to raise her would hardly have been likely to take these steps had the aspect been more serious than straining. The necessary work will at once be commenced.
