On Thursday evening, November 25th in the Town Hall there took place an event which will long be remembered when the citizens of Georgetown honoured their returned men and women by tendering them a banquet at which the presentation of certificates of recognition were presented to a large number, as they were some years ago to a similar large number. This and other like occasions successfully culminated the fine efforts of the standing committee under the chairmanship of Mrs. Michael Burke, Sr. During an impressive ceremony the long list of those honoured were read by the Rev. E. J. Boyce and the presentations were made by Mayor J. A. B. MacConnell who acted in the capacity of chairman and toastmaster. Approximately sixty veterans and guests were seated at beautifully decorated and sumptuously laden tables and enjoyed to the fullest the banquet donated

by the citizens and efficiently served by the ladies under the capable convenership of Mrs. H. P. George of the table committee. Previously representatives of the Town Council and the local Branch of the Canadian Legion had assisted in tastefully decorating the hall for the occasion. Musical interludes, during the banquet and for the dance which followed, were provided by the following accomplished musicians of the Town: Ivan Stewart, Fred McCullough, Wilfred Gottle and Michael Myers. The entire entertainment proceedings owe much to the chairmanship of Mrs. Myrtle Babinou of the Program Committee. To those who worked over a period of years; searching, sorting and compiling the list of names of those to receive certificates and the other intricate and painstaking work involved, the veterans of the Town sincerely extend their thanks, as do they as well to the present and the previous Town Council, under former Mayor P. L. Boudreau, during whose regime of office this kind thought of showing appreciation to the Town's veterans first originated. At the conclusion of the banquet the remainder of the evening was enjoyed in dancing by the veterans and the general public. Following is the order of the evening's programme:

..REMARKS by the following speakers, Mr. James H. Skinner, Mr. Alister MacDonal, Mr. Joseph Allen, Seal River and Mr. Howard Vatcher of Lower Montague.
