IF KIDNEYS ACTS BAD TAKE SALTS

Says Backache is sign you have been eating too much meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sore and paralyzed and legs.

Either consult a good reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the seed of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

CONCERT AT ALEXANDRA.

The entertainment in the Alexandra Church, Monday evening, Dec. 24th, was a decided success in every respect. The Sunday School children took a prominent part in the entertainment and their performance gave evidence of careful and painstaking training on the part of the teacher Miss Marion Weatherbie. It was invidious to particularize but the Pantomime by eight young ladies "Har! The Herald angels Sing," under the direction of Rev. Mrs. Atkinson who accompanied them with the harp, was very impressive. Mrs. Atkinson and Miss Marion Weatherbie sang a delightful duet and were obliged to respond to a very hearty encore. The solo and chorus by John Judson, "The Army and Navy," deserves special mention and was vigorously encored. Miss Enita Wood recited very nobly, "The Last Charge." Special mention may be made of the solos which were sweetly sung by Misses Elvira Wood, Rita Atkinson, Susie Burhoe and little Helen Wood who all responded to encores. Rev. Mr. Atkinson performed the duties of chairman very efficiently much thanks is due to the accompanist of the evening Mrs. Atkinson who did her part in bringing it to a successful termination. The following is the programme. Opening chorus—"Christmas time is Come." Prayer by Pastor Atkinson. Recitation—Evelyn Wood; Solo—Helen Wood (encored); Recitation—Merle Brasaut; Solo and Chorus—John Judson and choir (encored); Exercise—"Christmas"; Recitation—Enita Wood (encored); Solo—Rita Atkinson (encored); Recitation—Wilbur Wood; Chorus—Christmas Chimes; Pantomime—Eight young ladies (encored); Recitation—Annie Jane McLellan; Duet—Mrs. Atkinson and Miss Weatherbie (encored); Recitation—Mary McLellan; Solo—Susie Burhoe (encored); exercise—Christmas Presents. STOCKINGS RECEIVED ON CHRISTMAS MORNING

The following letters have been received from Overseas by Miss Annie Fleigher, 75 Douglas Street, City, Dec. 25th.

Dear Annie:—I received your very welcome Christmas gifts yesterday and beg to thank you very much for them; everything was fine. As it happens I belong to Nova Scotia myself and so we are so very widely separated when I am in my own home just outside Truro. You can reply to 901146 25th Battalion Canadians, B. E. F. France. I suppose you know where the old 25th comes from. We have quite a lot of P. E. I. boys in the Battalion and of course like myself, they all wish the war was over and that they were back home again. I see by the papers there has been a terrible disaster in Halifax. I guess the people around there will soon begin to realize what war is, won't they? Well I have no news at all, it seems to be a hard job for soldiers out in France to write a decent letter, for they get practically no news and the same old thing from beginning to end. Well I guess I will close for now, hoping this will find you in good health in a bright and prosperous New Year after a Happy Xmas. Yours sincerely PTE. ERIC PURCHASE

THE VICTIMS OF LA GRIPPE

Every winter la grippe sweeps over Canada like a scourge, leaving behind hundreds of health-wrecked victims. Ask any of those who have been attacked by la grippe what their present condition of health is and most of them will answer: "Since I had the grip I have never been well. This trouble leaves behind a persistent weakness of the limbs, bad digestion, shortness of breath, and palpitation of the heart, caused by the thin-blooded condition in which grip almost always leaves its victims." They are at the mercy of relapses and complications, often very serious. This condition will continue until the blood is built up again, and for this purpose nothing can equal a fair treatment with Dr. Williams' Pink Pills. From the first to last these pills make new, rich, red blood, which reaches every organ and every nerve in the body. Thus the lingering germs are driven from the body, and the weak, despondent victims of la grippe, are transformed into cheerful, healthy, happy men and women. Dr. Williams' Pink Pills are sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Authorities declare there is little need to worry about receiving infection in clothes sent to a laundry, even though they be washed with those of other families in which there may be infectious diseases. For whatever disease germs are not killed in the washing, the ironing kills more germs than the washing.

The first thing that happens to a newly born Greek child is a bath in warm wine, in which myrtle leaves have been dipped. He is then rubbed with salt. In some parts of the country he is also rubbed with pepper, as a sign of the hard life he will have to live.

USE "CASCARETS" FOR LIVER OR BOWELS WHEN CONSTIPATED
When bilious, headachy, sick, for sour stomach, bad breath, bad colds

Get a 10-cent box. Take a Cascaret to-night to cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, a bad cold are bilious, nervous, upset, bothered with a sick gassy, disordered stomach, or have backache and feel all worn out. Are you keeping your bowels clean with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Remember, a Cascaret to-night will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.

GIRLS! HAVE A MASS OF BEAUTIFUL HAIR, SOFT, GLOSSY, WAVY

A Small bottle destroys dandruff and doubles beauty of your hair.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.
