Because of the absence of Pastor H. S. Erb, who is attending the Baptist Convention at Woodstock, N. B., there will be no preaching at Cross Roads next Lord's Day morning. Sunday School will meet at the usual hour at 3 p. m. The Hazelbrook Ladies' Missionary Society will hold a public meeting in the Hazelbrook Church. An excellent program has been prepared and all are invited to be present. In the evening, Principal J. D. Seaman will preach at Alexandria.

At Searletown on Tuesday, the 15th day of August, 1910, at seven o'clock a. m., a quiet wedding took place at the home of Capt. G. Campbell of the D. G. S. Brant, when his youngest daughter, Janie L., was united in marriage to Charles M. Stewart, one of the leading fashionable tailors of Vancouver, B. C. The ceremony was performed by Rev. Jas. McDougall, cousin of the bride, in the presence of a few of the immediate friends. Amidst showers of rice and best wishes, the happy couple left for Boston the same morning, where they will spend a few days before leaving for their home in Vancouver. The community has lost one of its most popular young ladies and all feel assured that her many sterling qualities will be highly appreciated in her new home. Mr. Stewart is a son of the late James Stewart of Mount Herbert, Lot 48, and is one of the successful Islanders abroad.

On Tuesday, August 16, the inhabitants of Rustico, one of the most charming spots on the island, were in holiday attire, celebrating the marriage of Joseph Gallant, son of Solomon Gallant, to Miss Katie Martin of South Rustico, two popular young people. The marriage was performed at South Rustico by Rev. Father Chasson early in the forenoon, followed by a wedding breakfast at the bride's home. The young couple then drove to their future home in North Rustico. Elaborate preparations were made to give the young couple a royal welcome. The bride, who is a blonde, was gowned in blue and white, and her attendant, Miss Sicily MacNeil, sister—wore blue and white muslin with blue silk trimmings. A large company of young people assembled in the afternoon and to the lively strains of a violin enjoyed dancing in a pavilion erected on the lawn for the purpose. A bounteous supper was served to invited guests, the wedding cake being cut by Theodore P. Wilson of Winchester, Mass., who with his wife are guests at the Lorne Hotel. A room was given up entirely to the presents, which were altogether a useful character. Lots of good luck and congratulations were showered on the young couple, who are both highly esteemed. Mr. Gallant is a fisherman and is engaged with his father and younger brother, and will live at his father's home until spring. An enjoyable feature of the afternoon was a step-dance done by four of the older people at the request of Mrs. Wilson. This was done by Mrs. Perry, Mrs. F. Gallant and Leon Gallant and Mr. Steele. This was one of the old time dances and most perfectly done, and showed much skill by the performers. The dancing continued until midnight, when a jolly, good time came to a close.

St. John's Episcopal Church in Lunenburg, N. B., was built in 1754, but many improvements have been made since that date to meet the requirements of the congregation. During the pastorate of the Rev George Haslam two new wings were added, making it one of the largest and handsomest churches in the diocese.—Halifax Chronicle. Mr Haslam referred to is a native of Stone Cottage, Springfield, P. E. I.

Tuesday night the house owned by the late Wesley Roberts, Murray Harbor, was burned to the ground. It is not known how the fire started but is supposed to have been set by some person unknown. The house has been vacant for three or four years, and nothing of any value was destroyed. The high wind from the northeast carried the sparks and smoke in the direction of Joseph Hill's buildings, which were in danger for quite a while.

**Advertising is the Keynote of Success**

Many a huge business structure has toppled down for the want of judicious advertising. It just reaches out and gives the public that hearty-hand-shake that begets warm-hearted confidence. But if you are not adept at advertising you are using the very means to break down your business that should build it.

Good advertising is not expensive. The publicity that will build a business brick by brick, is profitable advertising.

Proper publicity is a study of human nature—an analysis of your business methods and presenting the strong points of your business attractively and forcibly.

Advertising is the concentration of forces that unite and compel attention.

Let us talk advertising. Phone 123 or call if more convenient.
