

# Hay's Hair Health

**GRAY HAIR HANDICAPS YOU IN BUSINESS AND OTHER THINGS. GET RID OF IT, RIGHT AWAY.**

Gray hair is an unnatural disfigurement, it is your duty to yourself and your friends to get rid of it as soon as possible. It is a serious injury to you in your social and business life.

Get rid of it, by all means, but don't try to do so by the use of dyes, whose effect is but temporary and unsatisfactory and which may permanently injure your hair.

Use Hay's Hair Health and look young. It isn't a dye—it won't injure your hair and nobody will know you are using it. It quickly and unfailingly restores the natural color and beauty of the hair—brings back its youth, luster, softness and brilliant luxuriance.

## A. W. REDDIN Sunnyside

Some time ago a lady in the country wrote a friend in Charlottetown to get her some samples of broadcloth. She did so going to all the principal stores. The samples without any identifying marks were sent to the lady making the request—and after a day or two the city friend received an order—and of course the one desired was our MARCH at 1.75. comparison did it—and keen comparison showed that March did not even have a serious rival Moore & McLeod.

## Clean Within!

Dr. Morse's Indian Root Pills Purify the Blood and Prolong Life

If as much intelligent care were given to keeping the body clean and pure within as well as without we would see more healthy, vigorous old men and women. The daily bath does its part by keeping the pores of the skin open so that they throw off much of the body's impurities, but it is even more important that the bowels and kidneys should be kept regular and active.

If the bowels fail, as they often do late in life, to move regularly at least once a day, the waste matter from the food accumulates, decays, poisons the system and upsets the stomach.

If the kidneys are sluggish the impurities which they should filter from the blood remain and cause rheumatism.

Dr. Morse's Indian Root Pills regulate the bowels, stimulate the kidneys and open up the pores of the skin. The result is a body clean within—pure, red blood—good digestion—and a hale and hearty old age.

Three generations have proved the value of Dr. Morse's Indian Root Pills, and their sale is steadily increasing all over the world.

# Kootenay Steel Range

If you purchase a Kootenay without the reservoir and decide later that the reservoir is a real necessity, why, just order it and attach it yourself. It's easily done. Merely remove the screws and take off the plate marked "REMOVE FOR RESERVOIR" (see top illustration), which provides an opening for the hot air to come through and circulate under the reservoir. Then attach, by means of screws, the reservoir and the flue box shown in lower illustration. A screwdriver is the only tool required.
