ACTING CAPTAIN.—The Halifax Herald says that Capt. George Slaunwhite will command the steamer Stanley during the absence of Captain Rowe in Boston. Captain Rowe has gone to the hub to see his brother, who lost a leg in a railway accident there recently. Island Stock Breeding Co. Referring to the properties of the Island Stock Breeding Company at French Fort, Lot 35, for which Tenders are called in another column. This property when bought by the above Company consisted of four shore farms on the Hillsborough River and is about eight miles from Charlottetown by road. Plenty of mussel mud and seaweed in front of the property. Since 1915, from 200 to 400 sheep and a large stock of hogs, horses and cattle have been kept on the property, about 100 acres have been mudded and about \$1000.00 of specially woven wire fencing have been erected on it. This property is convenient to churches, schools and railway station with telephone connection and quite near the Dunstaffnage butter factory. This is a first class proposition for a father with two or three sons whom he wishes to keep home. 4213-2-27M3I.

Keep Uric Acid Out of Joints TELLS RHEUMATISM SUFFERERS TO EAT LESS MEAT AND TAKE SALTS

Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly; keep the feet dry; avoid exposure; eat less meat, but drink plenty of good water. Rheumatism is a direct result of eating too much meat and other rich foods that produce uric acid which is absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate the uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism. At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities. Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant effervescent lithia-water drink which helps overcome uric acid and is beneficial to your kidneys as well.
