## Droppings in the Throat

A Symptom of Catarrh Permanently Cured by Dr. Chase's Catarrh Cure.

The hawking and spitting which the catarrh sufferer goes through in the morning to clear the throat of the droppings is a marked symptom of this distressing disease. In the early stages the discharge may be slight, but it becomes so thick and tough that considerable effort is required to expel it from the throat.

It is encouraging for the catarrh victim to know that he can be relieved of this distress and permanently cured of catarrh by using Dr. Chase's Catarrh Cure. Both acute and chronic catarrh are eradicated from the system by Dr. Chase's Catarrh Cure. It clears the choked up air passages, heals the ulcers, and quickly conquers the disease.

Mr. Thomas Squirrel, 214 Jay Street, Ottawa, Ont., states: "I was afflicted with a very severe form of catarrh for nine years, and was so bad that the doctors gave me up to die of consumption. A careful, systematic use of Dr. Chase's Catarrh Cure brought about a complete change. I no longer have any hawking and spitting, and am perfectly cured. The doctors burnt out my throat three times for this disease."

Dr. Chase's Catarrh Cure, 25 cents a box, blower free, at all dealers, or Edman, Bates & Co., Toronto.

New plans and specifications for "A stone breakwater at Indian Head Summerside" were received and are now open for inspection at the Post Office here. The tenders for this work are to be in before the 28th inst. The plan differs very materially from the former one, and calls for a less expensive structure.

ALTHOUGH the past winter has been considered an unfavorable one for mussel mud digging, the quantity shipped by rail from Summerside has not been far short of that of other years. Of about 300 carloads sent to different points Mr. Seck Cook alone shipped 126 cars.

THE regular monthly meeting of the Council of the Board of Trade was held yesterday evening. The President in the chair. After reading and adoption of minutes of previous meetings, some correspondence was read relative to direct steamboat communication with Sydney, C. B., the Telegraph Service, harbor improvements, etc. From the minutes of the different special meetings held during the month, it is evident the Board of Trade has not been idle.

MR. R. C. McLeod President of the Summerside Board of Trade received a telegram yesterday morning from Sir L. H. Davies stating that he had authorized Mr. Lord agent at Charlottetown to send the Stanley to open Summerside harbor if feasible. The telegram was in response to one sent the previous evening by Mr. McLeod representing that the strait and Pt. du Chene are practically clear of ice and that by breaking the ice bridge at the mouth of this harbour the Summerside Point Du Chene route would very shortly be open for navigation. His worship Mayor Campbell, accompanied by Pilot Clark, of the Northumberland went to Charlottetown by the noon train to pilot the Stanley up and she is to come here direct from Pictou on Saturday.

## SOLDIERS GOOD FORTUNE.

Gunner Napoleon Comtais of the R. C. A., cured by Dodd's Kidney Pills.

Quebec, April 2.—Napoleon Comtais, gunner, No. 2 Company of the Royal Canadian Artillery stationed at the Citadel here, considers himself a lucky man. He will wear the Queen's uniform for years yet. He expected at one time that kidney disease would necessitate the quitting the service. But he heard of Dodd's Kidney Pills.

Gunner Comtais received a letter recently asking about his cure. He replied as follows:

Royal Canadian Artillery Library.  
Dear Sir—I received your letter and hereby certify that I was cured of Kidney Disease by Dodd's Kidney Pills. By them I can be a soldier a few years yet.

GUNNER N. COMTAIS,  
No. 2 Co. R. C. A. Quebec.

## ASTHMA

Mrs. George Budden, Putnamville Ont., says: "I feel it my duty to recommend Dr. Chase's Syrup of Linseed and Turpentine, as I had the Asthma very bad, could get nothing to do me any good. A friend of mine persuaded me to try this remedy, as he had tried it, and it proved successful. I tried it and it cured me. I am thankful to-day to say I am a well woman through the use of this remedy. 25 cents a bottle. Family size 60 cents."

There is no good reason for keeping roosters, if eggs are not wanted for hatching.

ITCHING, BLEEDING PILES

Mr. W. G. Phyll, proprietor Bodega Hotel, 35 Wellington Street East, Toronto, says:—"While living in Chicago I was in a terrible shape with itching and bleeding piles, I tried several of the best physicians and was burnt and tortured in various ways by their treatments to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I learned of Dr. Chase's Ointment. I used but one box and have not been troubled with piles in any shape or form since."

One advantage with geese is that they will eat nearly all kinds of weeds and grasses.

ARE YOU ONE OF THEM

Statistics show that 25 per cent. of men and women suffer the torture of itching piles. Investigation proves that Dr. A. W. Chase's Ointment has never yet failed to cure itching piles, and all of these men and women could end their sufferings at once by using it. Scores of thousands have been cured by this treatment. Everybody can be cured in the same way.

Feed young fowls five times a day until they are a month old.
