Women Workers In Labor Front

BERLIN, July 15—(CP)—More than 11,000,000 women are included in the ranks of the German Labor Front. This is the organization which has replaced the old Trade Unions and gathered all the German workers together in one group.

One of the principal concerns of the women's sections is transferring women from heavy jobs into lighter work, by exchanging them with men. As far as possible this is done without diminution of wages.

Five hundred advisory bureaux for working women have been set up by the German Labor Front throughout the country.

Presentation And Address To Rector Of St. Mary's Church

Ven C. deWolfe White, D.D., Archdeacon of the Anglican Parishes of Prince Edward Island and for over twenty-five years, rector of St. Mary's Church, Summerside, and St. John's Church, St. Eleanors, and who resigned from the active ministry of the parish on June 30th on account of ill-health, was very fittingly remembered on his birthday, July 15th, with a very handsome radio and purse from his parishioners of St. Mary's parish.

The vestry clerk, Mr. Walter E. Darby and the Senior Wardens, Dr. E. T. Tanton, and Mr. A. B. L. Horne, waited on the Archdeacon at his residence on Thursday evening and on behalf of the members of the congregation made the presentation with the accompanying address.

The Reverend gentleman although quite overcome with such a kind and thoughtful act on the part of the congregation, replied in his usual genial manner, and asked the delegates to convey his heartfelt thanks to all for such a handsome remembrance. He said the members of St. Mary's Church will always have a very warm place in his heart and he will follow their fortunes through life with the keenest interest, although not now their active minister.

Summerside, P.E.I.,
June 30th. 1937

The Venerable Archdeacon Charles DeWolfe White, St. Mary's Rectory, Summerside, P. E. I.

Dear Dr. White:

It was with the deepest regret that we, the parishioners of St. Mary's Church, learned of your decision to retire from active service in the ministry, and subsequent resignation as rector of our Church.

For over a quarter of a century you have given without stint of your bodily and mental vigor in the service of this Parish, and we have found your unselfish devotion to duty a real inspiration to us. Your ready words of encouragement and kindly advice were never lacking in time of trouble and sorrow.

We regret that illness has caused you to retire, and sincerely hope, when relieved of the burden of active duty, you may be restored to a full measure of health.

Please accept, Venerable Sir, this token of our appreciation, with our heartfelt good wishes to Mrs. White and yourself for many years in our midst.

Signed on behalf of the congregation of St. Mary's Church,
(Sgd.) E. E. Tanton and A. B. L. Horne, Wardens.

Sunglos Take Lead Turning Back Pioneers

In handing the Pioneers their second defeat of the season the Sunglos last night served notice that they have finally come into their own and will be strong contenders for the town championship. The Sunglos won by a 5-2 score. The winners are now situated in the drivers seat in the second section having two wins in two starts. In last evening's encounter they were outhit 5-4 by the Pioneers but they supported their ace hurler, Pony Daly brilliantly, having only one error and this accounted for the victory.

Tubby Gay suffered his second defeat in two starts but he did not deserve what the fates handed out to him. With two out and runners on first and second in the big fourth two glaring errors paved the way for four unearned runs, first Millman dropped Lyle's pop fly to fill the bases and then Lidstone juggled Gaudet's roller to second a moment too long. Following this a single by LeBlanc accounted for the four runs.

Features of the game were Boates' fielding in centre field for the Sunglos and Spec Phillips' beautiful smash to right in the second which went off the ground altogether and was good for a home run. On Tuesday night the Soviets and Pioneers will battle it out to see which team is going to close in on the Sunglos in the present section.

REGISTRATION

The Constitution of the Canadian National Silver Fox Breeders' Association as amended in January of this year allows that registered and unregistered foxes may be kept in the same ranch, and be looked after by the same caretaker.

The membership fee is now $3.00 per year. For those who have never been members a registered ranch name costs $1.00 and registered tattoo letters $2.00, while those who previously were members may without extra cost retain their registered name and letters. Pups to be eligible for registration must be born of registered parents. The fact that owners of registered foxes are not members does not disqualify the progeny of such foxes from registration. Ranchers are responsible for the tattoo marking of their pups. This marking which may be done by themselves or some one whom they employ must be completed not later than September 15th. A duplicate copy of ranch record sheet for each litter, the pups for which registration may be desired, must be filed with the Canadian National Live Stock Records on or before September 30th, in accordance with instructions found on page 10 of the Constitution. No fee need accompany this reporting of litters.

The cost of certificates of registration if applied for not later than February 15th of the year following the year of birth is $1.00 each.

If advanced registration be desired it shall be applied for on or before October 15th stating the number of foxes to be presented.

If interested in obtaining membership, whether you have or have not previously been a member, apply to either the Canadian National Live Stock Records, Ottawa, or to Association Headquarters, Summerside, P. E. Island for a copy of the amended Constitution, application blanks and any further information you may wish.
