DOWN THE BACK STRETCH

Continued From Page 7) Few races at the beginning of the season. Instead he raced his horses into condition, but oh, boy, when things really warmed up in real earnest Tommy was either first or knocking at the door.

—O— Speaking of aged horses, we note where at Bay Meadows, California, racing meet which was sponsored by our island friends, Walter S. Found, in one of the races five of the participating horses totaled 60 years of age or an average of 12 for each. The winner was Kinabbe 2:07 1-4, in his twelfth year. In a trotting event the same day seven were engaged and their ages totalled 70 years. The winner was Earl's Moody Guy 2:09 and he was forecast to lower the track record to 2:04 1-4 to head fifteen-year-old Ouster Volo 3:4. Ouster is the lad referred to as Tracey Hanover's opponent.

—O— Next Wednesday afternoon there will be races at Port Elgin, N.B., New Glasgow, N.S. and Montague P. E. I. The Montague classes and entries will be found elsewhere in this issue. It is going to be a big day's sport with no doubt a great many upsets and surprises. Because of the big program the races will get under way at 1:30 Daylight Saving Time.

—O— Charles Pooley, Tryon, is the proud owner of a handsome colt in the ice races at Toronto and out of his beautiful pair of mares Molly Grattan by Orestes and Molly Grattan by Orestes and Molly Kalmuck and Molly De.

—O— Two old friends of the summer that we met in our journey to the ice races at Toronto and out of his beautiful pair of mares Molly Grattan by Orestes and Molly Kalmuck and Molly De.

—O— Many horsemen have been speculating as to what would become of the ice races at Toronto, Ontario, Kentucky, the world's greatest speed nursery, because of the death of Mr. Harkness Edwards, its manager and owner for many years. Now the announcement has been made that Mrs. Harkness Edwards and her son, Mr. Harkness Edwards, will continue as managers of the horse department. This farm was founded in 1892 by Colonel V. Harkness who developed it as a breeding nursery and it has been continued in family ownership ever since. It is here that Volomite 2:03 1-2, Scotland 1:39 1-2, Guy Day 2:04 1-4, Photograph 1:59 2, Proctor 1:59 1-4 and Guy Abbey 2:04 1-2 are in the stud.

—O— Frank Sigsworth of Sigsworth Bros. Cardigan, has returned from Houlton, Maine, to deliver two colts to Robert Ryan, well known horseman of that city. They were bred by Frank Sigsworth and old, both by Calumet Bud 2:03 3-4, dam, Charlotte B. 2:03 1-4 by Gold Cash 1:58, grandam, Ann Proctor 2:08 1-2. Mr. Ryan has contracted for all Charlotte B.'s colts by Calumet Bud and was kind enough to remark that their breeding and development was as good as if they had come from one of the best farms in Kentucky. With Mr. Ryan at the time the colts were unloaded was John E. Kelley, noted horseman who sold Sonata 3, 2:05, to Dr. F. C. Dougan of this city, and has owned the colts since. Mr. Kelley admired the colts very much and complimented Mr. Sigsworth on their appearance and development.

—O— Boy written to be remembered to the writer and to all other friends in Charlottetown and beyond to visit us Old Home Week, but if this is not possible will surely make a trip here next week. It will be remembered that the last time he was here he heard Harry Direct 2:07. Bob has ten head in his stable including the former John E. Kelley pacer Hot Feet 2:03 by Volomite 2:03 1-2.
