GIRLS! GIRLS! SURELY TRY THIS! DOUBLES BEAUTY OF YOURHAIR

All you need is a 25 cent bottle of "Danderine"—Hair gets lustrous, fluffy and abundant at once.

Immediately?—Yes! Certainly?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil and in just a few moments you have doubled the beauty of your hair.

A delightful surprise awaits, particularly those who have been careless, whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use of Danderine, when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it; surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

...*SAD DROWNING.—News came to hand on Wednesday afternoon that Mr. Fred MacFarlane, of Lanigan, together with another man whose name could not be ascertained, had been drowned while crossing a creek somewhere between Invermay and Sheho. Mr. MacFarlane left at the beginning of the week to gather up some horses around the country, and nothing more was heard until the sad news was received by wire about five o'clock Wednesday afternoon, that the bodies had been discovered, and identified by papers found in the pockets. Lanigan, Sask, Standard. The Fred MacFarlane referred to in the above was a son of Mr. George E. MacFarlane of Souris, P. E. I., and went west five or six years ago. He was head of the Lanigan Horse Trading Co. He leaves to mourn a widow also his father and mother now living in Lanigan and two brothers and two sisters. Last year his sister was almost drowned at Waterous, Sask., and the young man who succeeded in saving her life lost his own.

...*SAD DEATHS.—On Friday, April the 18th, after a short illness the late Mrs. C.B. Fraser was laid to rest in the cemetery at Lower Montague. The funeral was from St. Andrew's Church, of which she was a member. There was a very large attendance. The Rev. David Wright, assisted by the Rev. Mr. Millar, conducted the service. On the Monday following, April the 21st, St. Andrew's Church was again filled to overflowing, the occasion being the funeral of the late Mr. C. B. Fraser, who only survived his wife five days. He died on Sabbath morning and was buried on Monday afternoon. With the passing of Mr. Fraser there goes one of the land-marks of the village. He came to Montague nearly fifty years ago. He and his brother-in-law Mr. John McLean started business together as carriage builders and were partners for over 20 years. Mr. Fraser married a few months after coming to Montague. His wife was Miss Hannah B. Simmons. Her two brothers are still living, Mr. John Simmons of Marshfield and Mr. George Simmons of Charlottetown, and both were present at the funeral on Friday. Mr. Fraser was a skilful workman and prospered. He bought the farm where he resided and during his spare time he cut down the trees and cleared the land. He took a live interest in every progressive movement. He agitated and did not rest until a grammar school was established in the village. He was for many years first lieutenant of the Montague Battery and was ordered to the Northwest during the rebellion but the order was countermanded a few days later. He was a keen politician, a life-long Liberal. He was a devoted member of the Presbyterian Church, and was one of those who labored and did not rest till the congregation was organized. Later he became one of the Elders, and today one of his sons Mr. John Fraser is treasurer of the congregation and another Dr. D. Roy is president of the Young Men's Guild. Of those who were at the organizing of St. Andrew's Church only three remain in this village Senator Robertson who donated the land, Mr. George Whiteman and Hon. John McLean. Mr. Fraser is survived by nine children, seven sons and two daughters. His absence leaves a blank in the village life that cannot be filled.—B.

SUCCESS

To be successful it is always wise to watch the success of others. For more than half a century we have been identified with the Market Garden Business, planting, growing marketing, with what measure of success we leave the public to judge, and our long experience should be worth something to the seed buyer and planter.

Farmers and others requiring vegetable seeds will find it to their advantage to plant Gay's seeds. When in town call in and select your requirements, it is not good policy to have the ground waiting for seeds better to have them on hand. Farmers have your vegetable garden, the pleasure, profit and health derived from a mixed garden, more than pays for the outlay, ten times over.

A little planning ahead and this can be accomplished. Hardy seeds for first planting in the open ground comprise:—Peas, Beets, Carrots, Onions, Lettuce, Radish, Spinach, Turnips, Parsnips, set onions, Shallots, Cabbage, Sweet Peas, etc., etc. J.J. Gay, & Son, Charlottetown, East end of Market, next to Saunders & Newsom's Meat Market.

WHITEWASH FOR SCANDAL

BERLIN, April 23.—Parliament is to appoint a commission to inquire into the armaments scandal but it is believed that it will be a more or less whitewash affair.

WOMAN'S MOST SUCCESSFUL MEDICINE

Known All Over The World —Known Only For The Good It Has Done.

We know of no other medicine which has been so successful in relieving the suffering of women, or received so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In nearly every community you will find women who have been restored to health by this famous medicine. Almost every woman you meet knows of the great good it has been doing among suffering women for the past 30 years.

Fox Creek, N. B.—"I have always had pains in the abdomen and a weakness there and often after meals a soreness in my stomach. Lydia E. Pinkham's Vegetable Compound has done me much good. I am stronger, digestion is better and I can work with ambition. I have encouraged many mothers of families to take it as it is the best remedy in the world. You can publish this in the papers."—Mrs. WILLIAM S. BOURQUE, Fox Creek, N. B.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound, many of whom state that it has saved them from surgical operations.

LATEST FROM THE THEATRE

B. F. KEITH'S NEW YORK THEATRES.

A glance over the names of artists to appear in the tremendous show at B. F. Keith's Union Square Theatre for the week of April 28th will very readily convince the regular vaudevillian that the entertainment will be of the top-notch order. It is a show full of thrilling and sensational features, with plenty of comedy and a slight touch of dramatic art.

"Marty Hogan's Win" is the title of a spectacular fistic novelty, with sumptuous settings, which will be in three scenes and played by a company of fifteen, including such well known athletes as Nick Santro and Benny Yanger. The playlet is by Willard Mack, who has many other successes now playing throughout the country. The story is interesting and grips one from the very opening with a full fledged fistic encounter as a surprise finish. This will be the most sensational prize-fighting specialty ever presented.

Then we have Pat Rooney and Marion Bent making a grand reappearance, welcomed by everybody. They will present a new version of their happy comedy hit, called, "At The News Stand."

Another name well known and one that when played on any bill, means standing room at every performance is George Whiting and Sadie Burt. This duet have made a colossal hit everywhere, with their brilliant specialty, called, "Songsayings," with Chris Schonberg at the piano.

Mr. Austin Webb, who recently starred under Mr. Belasco's management, will present for the first time a dramatic play, called, 'My Friend." It is by Willard Mack and is an interesting story, well told, with a grand moral. Mr. Webb will be supported by a company of four players.

Many other prominent names are scheduled to appear. Most conspicuous are Franklyn Ardell and Company in the humorous satire of the political question, called "The Suffragette." LeRoy, Wilson and Tom are a trio of gymnasts, who are called, "Three Crazy Men from Frisco," and will keep you screaming with their comedy antics. Joseph Herbert, Jr., and Lillian Goldsmith, will offer a novel singing and dancing specialty. Sylvia is the most perfect woman in the world and will be seen in a series of art studies, Florence Thorpe is a very pretty girl with a charming voice and a splendid repertoire of songs. Mr. Edison's Talking pictures will enter upon their eleventh extraordinary week with some of the most sensational subjects ever presented.

NEW YORK HIPPODROME.

With the advent of spring the number of strangers in New York is daily on the increase and as a result the Hippodrome patronage is added to at every performance, no matter what the weather conditions may be. The Hippodrome is now so well advertised all over the world that no matter to what nationality he or she may belong, whether from the north or the south or from the Orient or the Occident, one of the first questions from the lips of the stranger in New York is an inquiry as to the best way to reach the Hippodrome.

This season the visitors are particularly fortunate, because the present production entitled "Under Many Flags" outclasses any of its predecessors. The wonderful ballet entitled "The Flowers of the Nations" makes a special appeal to the people who are fond of dancing on a spectacular scale. The "Gypsy Life" is the melodramatic "punch" in this year's performance and at the closing scene of this spectacle are seen the "Plunging Horses" and their dare-devil riders. The final tableau is entitled "The Court of the Crystal Fountains," and inasmuch as the celebrated tank is used in this scene, it becomes a fitting climax to the series of wonderful things which have preceded it.

The success of this year's production must be attributed to Mr. Arthur Voegtlin, Mr. W. J. Wilson, Mr. Carroll Fleming and Mr. Manuel Klein, who are now already busily engaged in preparations for next year's production.

Cold Settled On Lungs.

LEFT THEM IN VERY WEAK STATE.

A cold, however slight, should never be neglected, for if it is not treated in time it will, in all possibility, lead to bronchitis, pneumonia, asthma, or some other serious throat or lung trouble.

Obstinate coughs and colds yield to the grateful, soothing action of Dr. Wood's Norway Pine Syrup, containing as it does all the lung healing virtues of the Norway Pine tree.

Mr. G. G. Rhynard, Mill Village, N.S., writes:—"I have had occasion to use Dr. Wood's Norway Pine Syrup, and can say that it is certainly a good medicine. About a year ago I contracted a severe cold, which settled on my lungs, and left them in a very weak state. The cough racked me terribly, and I was in despair, until a friend advised Dr. Wood's Norway Pine Syrup. I took five bottles in all, and it cured me of my cough, and left my lungs strong and well."

Price, 25 and 50 cents.

Be sure you get "Dr. Wood's" when you ask for it. See the three pine trees, the trade mark.

A Wonderful Discovery

An eminent scientist, the other day, gave his opinion that the most wonderful discovery of recent years was the discovery of Zam-Buk. Just think! As soon as a single thin layer of Zam-Buk is applied to a wound or a sore, such injury is insured against blood poison! Not one species of microbe has been found that Zam-Buk does not kill.

Then again. As soon as Zam-Buk is applied to a sore, or a cut, or to skin disease, it stops the smarting. That is why children are such friends of Zam-Buk. They care nothing for the science of the thing. All they know is that Zam-Buk stops their pain. Mothers should never forget this.

Again. As soon as Zam-Buk is applied to a wound or to a diseased part, the cells beneath the skin's surface are so stimulated that new healthy tissue is quickly formed. This forming of fresh healthy tissue from below is Zam-Buk's secret of healing. The tissue thus formed is worked up to the surface and literally casts off the diseased tissues above it. This is why Zam-Buk cures are permanent.

Only the other day Mr. Marsh, of 101 Delorimier Ave., Montreal, called upon the Zam-Buk Co. and told them that for over twenty-five years he had been a martyr to eczema. His hands were at one time so covered with sores that he had to sleep in gloves. Four years ago Zam-Buk was introduced to him, and in a few months it cured him. Today—over three years after his cure of a disease he had for twenty-five years—he is still cured, and has had no trace of any return of the eczema!

All druggists sell Zam-Buk at 50c. box, or we will send free trial box if you send this advertisement and a 1c. stamp (to pay return postage). Address Zam-Buk Co., Toronto.
