MANY MOURN DEATH OF DR. PHILIP L. HERMANN MIDDLETON, Oct. 25—In the death of Doctor Philip L. Hermann, Nictaux Falls, which occurred Saturday evening at Soldiers Memorial Hospital, Middleton, Scotia, has been a citizen widely known throughout the province and his unexpected passing will cause deep regret and sorrow to hundreds of friends and acquaintances. Doctor Hermann was born in Cliffton, Ontario, 68 years ago and since 1900 has made his home in Nova Scotia and Prince Edward Island residing at Nictaux Falls since 1917 where he practiced his profession of optometry with branch offices in Bridgetown and Annapolis Royal and for a time at Liverpool. Recognized as a leading member of his profession, Doctor Hermann for ten years was chairman of the board of Examiners in Optometry for Nova Scotia, being an appointee of the Provincial Government. He was a graduate of Toronto University as registered optometrist and took an advanced course in Chicago receiving the degree of Doctor of Ophthalmology.

Had Many Talents A graduate of the Toronto Conservatory of Music, he was keenly interested in music especially in orchestral work and as a talented entertainer he was frequently in demand at fraternal and other similar gatherings. Among the ordinary trades the doctor was an excellent carpenter and cabinet builder, a skilled metal worker and an expert sign painter and painter of theatrical scenery. Of a magnificent physique Doctor Hermann was a well known athlete in his younger days and at one time was a member of an All-Canadian Quilt Team. In recent years he took up curling and was well known by curling fraternities throughout the province. Generous in time, talents and money, Doctor Hermann will be truly missed by many organizations and individuals who knew him as a friend.

Doctor Herman was a Past President of the Middleton Curling Club. He was a thirty-two degree Mason and a member of Phi Kappa Temple Mystic Shrine of Halifax. Surviving are his wife, formerly Mrs. Jessie Moulton of Glace Bay; two daughters, Nancy (Mrs. Harry J. Mullen of Fairbairn, N. J.) and Miss Kay Hermann, R.N., Brookline, Mass.; two sons, Lieutenant Charles "Tuffy" Hermann, R.C.N., and Arthur, at home, and one step-daughter, Ethel, also at home; three grandchildren, Francis, Patty and Buddy Mullen.

The funeral service was held from Holy Trinity Anglican Church, where the pastor, Rev. T.R.B. Anderson, was assisted by Rev. E. B. Gabriel, pastor at Annapolis Royal. Interment was in Pine Grove cemetery with full Masonic honors. (Dr. Hermann was a brother of the late Mr. John P. Hermann of Pownal, P.E. Island).

CHARLES EDMUND SHREBMAN A deep shadow of gloom was cast over Maple Plains and vicinity on November 9th, 1942, when it was learned that the Angel of Death had arrived, during the early morning hours, and carried away to its spiritual home the soul of Charles Edmund Shrebbman, "Edmund" as he was commonly called by young and old, was born seventy-two years ago at Maple Plains where he resided practically all his life. He was a general favorite with all, and always evinced deep interest in the community welfare. Although in failing health for the past few years, he was able to be around and attend to his work until about a week before his death. Even then hopes were held for his recovery but God had willed otherwise, and early Monday morning he breathed his last, dying as he had lived, quietly, peacefully, and a trouble to no one. The last consoling rites of the Catholic Church, of which he was a devoted member, were rendered to him by his beloved pastor, Rev. M. J. Smith, shortly before his death. He leaves to mourn the loss, and cherish the memory of a kind and faithful brother and friend, one sister, Mary A., who resided with him, a large circle of relatives and friends. The funeral took place on Wednesday morning from his late residence to St. Malachias church Kinkora, where the funeral Mass was sung by the pastor, Rev. M. J. Smith, who also officiated at the services at the grave. Interment was in the adjoining cemetery.

MR. WILLIAM WINDOVER ROBINSON A wide circle of friends and acquaintances regret the death of Mr. William Windover Robinson of North Rustico, on Thursday, Nov. 5, 1942, in the Prince Edward Island Hospital. Prosecutions For Infractions Of Price Regulations

Seventy-eight persons were prosecuted during the first week of this month for alleged infractions of the Wartime Prices and Trade Board regulations and 21 for contraventions of the orders of the Oil Control and the Control of Supplies. Prosecutions extended across Canada with offenders in almost every province. Infractions of the price regulations resulted in fines ranging from \$1 to \$500 being imposed on a total of 21 persons. Twenty-two persons were prosecuted for nonobservance of rental regulations. Landlords who increased rents unlawfully or charged unreasonable rents were shown to the Board in earnest when it instituted its fight against inflation. Hoarders were not treated kindly by the enforcement Administration either. Seven persons were fined for infractions of the hoarding and rationing regulations. Fines imposed ranged from \$5 to \$50. Fines ranging from \$10 to \$100 were imposed on nine persons who disregarded the tire rationing regulations. Gasoline rationing regulations were also responsible for the prosecution of 12 persons who tried to beat the law. Mr. D. Q. Stewart, Summerside, was recently appointed Enforcement Administrator for Prince Edward Island.

Annual Meeting Vernon Credit Union

Annual meeting of Vernon Credit Union Ltd. was held on Oct. 26 last at Vernon School. The attendance was fair considering weather conditions and also the fact that a considerable proportion of the membership are now serving on military service or employed outside of the province on wartime work. The president, James Hughes, reported of directors and various committees were read and were received by the members. The treasurer's report showed a steady growth in the assets of the Credit Union. Dividend of 3 per cent on its members' shares. The Credit Union invested \$400.00 in the third Victory Loan. The retiring officers were re-elected in each of directors and committees. Commendatory and constructive remarks and suggestions were offered by J. Purves, a visitor to the meeting as well as by several members and a general feeling of optimism was evident throughout. The Credit Union looks forward to a new year with every hope of continued growth and usefulness to its members. At the first directors meeting held after the annual meeting Mr. James Hughes was re-elected President and Mr. Fred Irving re-elected vice-president and Mr. E. C. White re-elected treasurer.

Souris Red Cross

Following is the address given at the annual meeting of the Red Cross by the Pres. Mrs. A. C. Cox. Another Annual Meeting has rolled around, and we are in our 4th year of war work with no sign of the "silver lining in the dark clouds" are you getting weary and showing signs of slowing down a bit? I hope not—Our boys have got to fight on, and need our help. The Victory Bonds needed, for our tasks are tremendous, and while our little community has a small part to play—Let us be enthusiastic over it. Whenever we can encourage, do so. Urge the kind word when you can; give the helping praise when you see that it is deserved—The thought that "no one knows no cares" brightens many a bud of promise. Tonight we are looking forward to another year's work and must plan for it. The report of the activities we had during the year to raise money—A Pantry Sale by the Souris A. S. S. put on by the Rink Management, and a very successful picture in Yeo's Theatre. A dance put on by the R.A.F. of Crash boat, and our thanks to these boys for their effort on our part. We did not ask us to do anything. We also received proceeds from a car of salvage shipped from Souris and collected under the supervision of the Carry-on-Canada Corps. Also \$14.00 from the people of Hermanville.

On August 4th a Home Nursing Course, authorized by the Canadian Red Cross, was organized by Mrs. F. Roper. All the nurses of the community were expected to give some lectures and practical demonstrations during the course. I might say that they responded to the call willingly and gave generously of their services. Miss Hazel Sterns also gave us a lecture, Dr. McDonald, 2 and Dr. Smallwood 1. All were instructive and very much appreciated. There were about fifty enrolled in this class, and all that attended 75 per cent of classes got an attendance card from the Canadian Red Cross Society. A review of the work done over is expected in the different societies of the churches once a month, and I trust this will be done during the Winter months, so we shall be prepared should an emergency occur. I am resigning as your President tonight, and I have nothing but praise for all the willing workers of this Society. A great many have excelled themselves. You have turned over work that brought forth praise several times from Red Cross House in Charlottetown, and this must be encouraging to you, when we have had to give their contribution is possible. To the Convener of Sewing, Convener of Hospital Dressings, Convener of knitting (who I regret is absent tonight), packers and shippers of boxes, our efficient Secretary, our treasurer, I now express my sincere and humble thanks for your splendid co-operation. There are loyal hearts, there are spirits brave. There are souls that are pure and true. Then give to the world the best you have. And the best will come back to you.
