Quite an interesting game of hockey was played between two juvenile teams, the Amateurs and Wolves, in the Hillsboro Rink yesterday afternoon. The boys entered into the game with spirit and quite a number of passes were made. At the outset young Buntain rushed and scored a goal for the Wolves and for some time the play was fast and furious but no more scores were made till Turner of the Amateurs got the puck and working it up the ice passed to Dorion and by some clever combination work shot to young Diamond who got in a score. The play fell off from this on and after a few more passes McKenzie scored the second goal for the Wolves. The game ended with the score standing 2-1 in favor of the Wolves.

The meeting was a most enthusiastic one and all present were pleased with the splendid showing of the work done during the past three months.
