ACTION AT HALIFAX.—The Halifax board of control has adopted a resolution that in the judgment of the board the marked reduction which has taken place during the past few weeks in the price of flour, does not justify the further continuance of the high price now asked for bread, and that the benefit of this reduction should be extended to the consumer immediately by reducing prices accordingly.

The schooner Minnie, Trenholm, Master, sailed out of port early on Saturday for Sydney where she will again load coal for here. A large scow with 130 tons of N. B. hay was towed over from Pt. Du Chene on Saturday morning by the tug Musculonge. The appearance of the hay seem to be quite satisfactory and this lot will also be welcome to many farmers.—H.

ARCHBISHOP WORRELL HERE.

His Grace Archbishop Worrell administered the rite of confirmation in St. Paul's yesterday morning to twenty-two candidates. There was a large congregation present. The Archbishop preached a sermon appropriate to the occasion. In the evening His Grace attended St. Peter's Cathedral, and preached an excellent sermon. The service was festive throughout, to mark the Feast of St. Bartholomew.

A WELCOME VISITOR.—Mr. and Mrs. Leon J. Arsenault, of Abram's Village, were treated to an agreeable surprise last week by the arrival of their son, Alphonse, after an absence of eight years. This young man had been in the States till last winter, when he took a passage to France in a steamer carrying a number of horses, some hay, etc. They met with some rough weather on the way, and on arriving in France, Mr. Arsenault was taken ill with typhoid fever, and spent two months in the hospital. When he recovered, sufficiently he returned to America and shortly afterwards came home. It is quite natural to surmise that Mr. Arsenault unconsciously felt a longing to get into the war zone, and share the perils with his three brothers now at the front, though he has not yet enlisted. Mr. Arsenault will spend some time at his home, recuperating after his severe illness.

The Auckland Daily News of May 3rd prints a photo and obituary notice of the late Mr. Lemuel J. Bagnall, who died at his residence on Monday, April 30th. Mr. Bagnall was born at New Glasgow, P. E. I., in 1844, and had just completed his seventy-third year. In 1863 the Brig Pakeha, Capt. Campbell in command, sailed from Charlottetown and after a passage of nearly six months arrived safely at Auckland, N. Z., among the passengers being the late Hon. George Bagnall and family, Lemuel J., the oldest of the family, having accomplished more than any other person in making the two Island Provinces known to each other.

The news says: "During nearly a half a century Mr. Bagnall had been connected with the public affairs of the Auckland district, and there have been few citizens whose work has ever been more highly appreciated, and who, personally, have been held in greater esteem."

"In provincial and civic politics, he was an active worker, having been elected several times, the last of which was his election to the mayoralty from which he retired in 1911. In commercial matters, in Auckland, the late Mr. Bagnall occupied a prominent position."

Mrs. Bagnall, a Miss Wallace, of Nova Scotia, died three years ago, two sons and a daughter survive. Three brothers and three sisters live in New Zealand, Miss Margaret Bagnall, the only member of the family who has been permitted to visit here. She will be kindly remembered by many friends and all will sympathize with her and other members of her family in their far away home. Seven grandsons of Hon. George Bagnall are, Anzacs, two have returned wounded and five are still in the fighting line.

On May 29th took place the death of Mrs. Dominique Arsenault, of Abram's Village, at the age of 79 years, 6 months. Deceased had been ailing during the past winter, and her death was not unexpected. The community was nevertheless shocked to hear of the demise of one who was so highly esteemed, and whose Christian example was one of the most charitable and uplifting. She was frequently visited during her illness by her pastor, Rev. Father Boudreau, who ministered to her fervent spiritual devotion, and prepared her for her great eternal reward. The funeral took place from St. James' church on May 31st, with a large concourse. A requiem service with the organ, being sung, after which the remains were interred. The following were the pall bearers: Prosper L. Gallant, Adolphe O. Gallant, Abel Poirier, Fidele F. Arsenault, Joseph T. Arsenault, Emmanuel Leclere. Besides a sorrowing husband, four sons and two daughters, are left to mourn: Frank, at West Brook, Me.; Stanley at Boston; Sylvain at New York; Alime at the home stead; Mrs. Sylvain L. Richard, St. Timothy, and Mrs. Frank C. Gallant, Cape Egmond. Deceased was a daughter of the late John A. Arsenault, one of the pioneer settlers of Abram's Village. M.

The death of Mrs. P. MacNair Robertson, of Marshfield, occurred in Mt. Sinai Hospital, New York on Friday morning last. Mrs. Robertson was ill at her home on the island for some time, when, acting on the advice of the family physician, she proceeded to New York, accompanied by her daughter, Miss Elvie Robertson, a trained nurse, who had come home from that city to wait on her. On arriving there, she entered Mt. Sinai Hospital, where she underwent a serious operation. After the operation she rallied and for some days her condition continued to improve. Complications arose, however, and notwithstanding medical skill and tenderest care, she gradually sank, and on the date mentioned her spirit passed to Him who gave it. The late Mrs. Robertson was the youngest daughter of the late Mr. John Scott McLeod, of Dunstaffnage. At the time of her demise she was in the sixty-fifth year of her age and up to the time of her illness she had enjoyed excellent health. The deceased was a Christian lady, a member of the Presbyterian Church, Marshfield and an active worker in Christian activities, in which she took a deep interest. Her life, however, was largely centred in the home, and as a wife and mother, she exemplified in her daily walk and conversation, those characteristics which evidence the true woman and the consistent Christian.

Only a few weeks ago, was chronicled the death at the front, of a son who was in the home, and up to the time of April. Owing to the delicate condition of his mother's health, she never knew that her gallant boy had died for his country, as it was the intention to inform her of this sad event, when she had recovered sufficiently to bear it. On Thursday morning, her husband left for New York but on his arrival in Boston, the sad news of his wife's death awaited him. Besides a sorrowing husband, two daughters and six sons are left to cherish her memory and mourn their loss. The members of the family are as follows: Alexander, Preston, John, Ernest, Elsie W. (Mrs. John F. Robertson), Walter Bannerman, Elvia M. Ferguson McNair, Harold Graham and Arthur W. Four of the boys, namely, Preston, Bannerman, Graham and Ferguson, are at the front. They will be greatly saddened to learn of the loss of their mother under such trying circumstances. To the bereaved husband, family and other relatives, is tendered most respectful sympathy.

Sun and Wind Bring Out Ugly Spots How to Remove Easily.

Here's a chance, Miss Freckle-face to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case. Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

RED CROSS SOCIETY.—The regular meeting of the Devonshire Red Cross Society was held on June 6th at the home of Mrs. Nell D. MacEachern, Rice Point, twenty-one members being present. Forty-nine and one half (49 1/2) yards of flannellette were purchased; also ten (10) lbs. of yarn. Twenty-four pairs of socks were shipped making in all one hundred and fifty pairs for this Society, and suits of pyjamas were sent to the new Convalescent Home at Halifax. After luncheon was served the meeting was brought to a close by the singing of the National Anthem. The next meeting will be held on June 20th at Mrs. Gullford Lowther's Rice Point.

LOBSTER FISHING.—Mr. Sylvain G. Arsenault, of Maxim Ville, returned last Thursday in his boat to Fishery where he is running a lobster gear. Mr. Arsenault has been somewhat unfortunate with his gasolene engine. About a fortnight ago, he came home for his boat and could not return as his engine was out of order. It took him some time to find out the cause, and afterwards had to lose more time in getting it in order. He however, had a man to tend to his lobster gear, so that in spite of this delay and the loss he sustained in the severe storm some time ago, he expects to make good wages. Mr. Arsenault is a worker, and intends at the close of the season out there to come and fish at his home waters.—M.

The death of Mrs. P. MacNair Robertson, of Marshfield, occurred in Mt. Sinai Hospital, New York on Friday morning last.
