Heaviness, Lassitude, Drowsy and Dull.

Do You Feel That Way?

How provoking the symptoms are! You sleep all, but when you awaken there is a sense of exhaustion that sits up and resists should confer. Instead of being alert, having quickness of apprehension, there is languor, dullness, a disinclination to do things. Three causes for this feeling: 1. Lazy liver, lazy kidneys, and a mighty laziness which does its work very poorly and which does its organs to do things they are unequal to for any length of time.
