WOMAN COULD HARDLY WALK

Mrs. Hora Tells how Lydia E. Pinkham's Vegetable Compound Restored Her Health

Hamilton, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound and would not be without it now. I had a terrible trouble so badly I could hardly walk and I was all run-down and could hardly get around to do my house-work. I would be in bed three or four days at a time. I was told by a friend to try your Vegetable Compound. I did, and by the time I took two bottles I was beginning to get around again. I took bottles in all, and now I am all right again and doing my own work. I have six grown-ups to work for, so I have plenty to do. I also used Lydia E. Pinkham's Sanative Wash, and I think it is good. But I owe my health to the Vegetable Compound, and I think if more of it was used women would be better off. I would not be without it if it cost much more."—Mrs. NELLIE JAMESON, 805 East Cannon Street, Hamilton, Ontario.

"Do you feel broken down, nervous and weak sometimes? Lydia E. Pinkham's Vegetable Compound is excellent to take at such a time. It always helps, and if taken regularly and persistently, will relieve this condition."

Hark! the breezes tremble With the sighs of April See her sweeping northward. Spring! our Spring! Linger! still we love her, Still we smile and beckon, As we hear the rustling, Of her wing.

Green the grass is growing, Babbling brooks are flowing, Birds, their clearest chanting, For the Spring! Ah, we too forgive her! In our thrill of transport, We, too, sing! —"C"

Spring must be here—the wild geese at anyway! A flock of fifty passed over Pownal Monday, keeping well to the North of Bayview Cottage. Many a sport turns brown with envy as he sees many fat dinners sailing overhead, these hard times.
