Organist Honored

On Thursday evening, September 20th the members and adherents of Hartsville Presbyterian Church assembled at the home of Mr. and Mrs. Winslow Watts, Hampshire to do honor to Mrs. Watts who had been organist in Hartsville Church for a number of years.

Mr. Neil Nicholson capably acted as chairman, and after a few remarks called upon the Student Minister Mr. Donald Nicholson to read the address. Mr. John A. MacInnis made the presentation of a chest of Silver.

Mrs. Watts in her usual jovial manner thanked all for their kind remembrance. For they are jolly good fellows was sung.

The remainder of the evening was spent in social intercourse and Mr. Donald Nicholson favoured the gathering with Hymn selections.

Lunch was served by the ladies A hearty vote of thanks was extended to Mr. and Mrs. Watts for the use of their home for this occasion. A very pleasant evening was brought to a close by singing: "God be with you till we meet again."

The following is the Address.

Dear Isabel:—We the members and adherents of Hartsville Presbyterian Church have gathered here this evening to attempt in a small, but (be assured in a real heartfelt way) our appreciation for the many faithful years of service you have rendered as Organst of our church.

We realize that through the number of years you have had charge of the musical part of the services of our church, there were many occasions when it was most difficult for you to get to the services and when it was a real sacrifice on your part to be at your post You were not only a faithful organist but a cheerful one. Your happy and cheerful disposition has endeared you to us all.

We rejoice with you in your new found happiness and our best wishes and prayer that God's blessing attend you and your husband as you walk and labour together through life. However we all feel very keenly the loss we have sustained in your leaving our midst, but we trust that you and your husband shall find it convenient to be with us from time to time.

In token of our love and appreciation please accept this gift.

Signed in behalf of the Hartsville Congregation.

BERTHA NICHOLSON.

My Backache Gradually Disappeared"

Could any woman tell a happier story about backache than this:

"About 6 weeks ago I started having awful pains in my back. At times I could not straighten myself and I got depressed and worn out. I could scarcely carry on with my household duties and everything was being neglected. It was then I saw a Kruschen advertisement and I decided to give Kruschen a trial. I started by faithfully taking a small teaspoonful in hot water in the morning, and in three weeks—my word, what a difference! The pains gradually disappeared and though I am now 46, I really feel years younger."—Mrs. H. M.

There is always a cause of backache, and in many cases it can be traced to toxins or poisons, which stay in the system instead of being eliminated. And that is where Kruschen saline treatment can be of real help to you. Kruschen is a balanced combination of mineral salts . . . and its action is to help your organs of elimination. By taking Kruschen faithfully for a few weeks . . . as Mrs. H. M. did . . . many people have found joyous relief from wearisome backaches and rheumatic pains. The Kruschen saline treatment costs so little to try . . . Use it in your own case. Kruschen has helped others. Why shouldn't it help you? All drug stores have Kruschen at 25c. and 75c.
