NEW YORK, Jan. 24.—One man was killed and two others seriously injured today when a Long Island Railroad train crashed into an automobile at Far Rock away. Lynn Fisher was killed and Herbert Cromwell and Chauncey Cornell, all of Inwood, were seriously hurt. All were in the automobile. The train was filled with commuters bound for New York. Many women passengers became hysterical.

...SHORT COURSE.—A large number left Montague this morning for Charlottetown to attend the Short Course in Agriculture.

...NO ICE.—It is many years since the natives of Souris have seen the harbor so clear of ice as it is this year. On Jan. 22nd John J. and Frank MacDonald rowed out in an open dory from Norris Pond shore. They remained out a few hours and returned none the worse of their adventure.

...POPULAR SOCIAL.—A very successful social was held in St. Margaret's Hall on Jan. 22nd. Despite the bad roads the hall was crowded to its utmost to hear the excellent program which was well delivered by the St. Margaret's Dramatic Society. After the program came the sale of pies, the handsome sum of \$132 being realized.

...MURRAY HARBOR.—John L. and Mrs. Hawkins who have been visiting Mr. Hawkins' brother of Halifax, N. S., and enjoying a well earned vacation have returned home. Mr. Hawkins, who is the foremost farmer of White Sands, has been greatly missed during his absence, both in ecclesiastical and secular circles in both of which he is a prominent figure. On Saturday, Jan. 11th, a meeting of the shareholders of the Murray Harbor Black and Silver Fox Co., Ltd., was held in the hall at Murray Harbor for the purpose of signing incorporation papers. The people of Murray Harbor and vicinity are evidently taking hold of this enterprise with more than their customary zeal, as money is coming from untold sources, even the "widow's mite" being among the contributions. On the evening of Wednesday, 15th, a pie social and entertainment was held under the auspices of the Baptist Church of Murray Harbor. An excellent program was given, at which the pies were auctioned by David Glover in his usual satisfactory manner. A handsome sum was realized.

**THE LATEST FROM THE THEATRES**

PROCTOR'S 5TH AVE. THEATRE.

Proctor's 5th Avenue Theatre, New York, means to continue the policy of an all-star bill of 12 acts, successively inaugurated last week, and for this week one finds no less than four headliners on the same programme. Each of the four is a real feature and an absolute billtopper, as the circus folk say, in regard to ability, experience and drawing power. The quartette is composed of Olga Petrova, the Nazimova of the world of song and laughter; Doctor Carl Hermann, the electrical wizard in the weirdly sensational telepathic sketch, "The Window of the Haunted House"; Will Archie, the diminutive comedian and company in the laugh-compelling piece of fooling, "Tommy, the Hall-Boy," and Dick Tubb, England's foremost grotesque comedian, whose face is really his fortune, not depending upon his heavy eyebrows.

Others on the schedule who are sure to create new friends and retain old ones are the Avon Comedy Four in the latest edition of "The New School Teacher"; Patsy Doyle, the woeful, doleful comedian; Ross- lind Coghlan and Company in Edgar Allan Woolf's newest effort, "The Obstinate Miss Granger"; Welse Trio, sensational European equilibrist; Marlo Trio, bar experts; Kramer and Morton, singers and dancers from Dixie Land; "A Night in Hawaii," presented by natives of the beautiful isle, and Shirk and Mayer in that soothing little episode, "Take Off Your Glasses."

**OFFICER OF GERMAN ARMY LOSES LIFE**

BERLIN, Jan. 24.—Another fatal flying accident occurred to-day during the military manoeuvres near Burg, Prussia. Lieut. Otto Schlegel was instantly killed by falling to earth from a considerable height when the military airplane in which he was flying collapsed in taking a sharp curve.

The pilot, Lieut. A. Von Schelle of the Queen Elizabeth guard regiment, also was dangerously injured and was taken to a hospital unconscious.

**Twitching of the Nerves**

A Distressing Symptom of Nervous Exhaustion Cured by Dr. Chase's Nerve Food.

Mrs. John McKellar.

What sympathy you feel for anyone whose nerves twitch and jerk, and what resolves you make to never allow your nervous system to become exhausted, until paralysis of some form claims you as a victim.

The only way is to watch the warning symptoms, such as sleeplessness, headache, indigestion, tired feelings and irritability. By the prompt use of Dr. Chase's Nerve Food you can feed the nerves, waste nerves back to health, add vigor, restore the vitality of the body, and prevent serious disease.

Mrs. John McKellar, 11 Barton street east, Hamilton, Ont., writes: "I was injured some years ago, and that left me with a broken-down nervous system. I could not sleep, and suffered from twitching of the nerves and disagreeable nervous sensations. I then began using Dr. Chase's Nerve Food, and can say that I never used any medicine that did me so much good; in fact, I am entirely cured of my old trouble. The Nerve Food not only strengthened the nerves, but also built up my system in every way." Under date of Aug. 29, 1912, Mrs. McKellar writes, confirming her cure, and states that she has had inquiries from many people who had heard of the great benefits she obtained from Dr. Chase's Nerve Food. Dr. Chase's Nerve Food, 50 cents a box, 4 for \$2.00. All Dealers, or Ed. Hanson, Bates & Co., Limited, Toronto.

**Had a Dry, Tickling Sensation In Her Throat.**

**COUGHED ALMOST ALL NIGHT.**

A bad cough, accompanied by that distressing, tickling sensation in the throat, is most aggravating.

Dr. Wood's Norway Pine Syrup is rich in the healing virtues of the Norway Pine tree, and for this reason it will quickly stop that tickling in the throat which causes the dry hard cough that keeps you awake at night.

Miss Margaret MacDonald, Port Hood, N.S., writes: "Just a few lines to let you know what Dr. Wood's Norway Pine Syrup did for me. I took a severe cold, coughed almost all night, with that dry tickling sensation in my throat. The first bottle did me so much good, I thought I would try a second one, which I am pleased to say resulted in a complete cure. I can strongly recommend it to any one suffering from a cough or any throat irritation."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper, 3 pine trees the trade mark; price, 25 and 50 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

All this talk about Western wheat flours being "pastry" flour, is just plain talk. Anyone, who knows anything about wheat, knows that Western wheat flour cannot and does not, make as good Pastry as "Beaver" Flour.

Western wheat has what the bakers call strength. It makes a big loaf of bread—but the bread is spongy and lacks flavor. Ontario wheat, blended with spring wheat, makes the ideal bread and pastry flour.

The bakers of Toronto and London—the experts at the agricultural colleges—and thousands of homes in Ontario, Quebec and the Maritime Provinces—have proved that "Beaver" Flour is superior to any Western wheat flour, and is equally good for Bread and Pastry.
