### LIPTON WILL BUILD TWO BOATS

If His Challenge is Accepted by the New York Yacht Club.

DUBLIN, September 20.—It is believed that the conditions of Sir Thomas Lipton's challenge for the America's cup, sent to the New York Yacht Club on the steamer Umbria, involve racing under the new American rating and rules. If the conditions are accepted Sir Thomas will build two boats. One is to be designed by William Pile, but the designer of the second has not yet been chosen. Pile may be selected, but the biggest boat this designer has yet built does not exceed 40 feet in length and the new boat should be about 82 feet long, according to the international rating rules. Experienced yachtsmen here believe that the conditions suggested, Sir Thomas' chances are excellent.
