## Farm for Sale

I offer by private sale the two valuable farms of the Late Thomas Glover as I find it necessary to dispose of these farms at once in order to pay all my attention to the mercantile business at O'Leary in which I am interested and where I intend to move at once.

These properties consist of 90 acres all under the very best of cultivation with the exception of about two acres of swamp with shore frontage (Bedeque Bay) and all suitable outer buildings in good repair with one of the best Farm Houses in the province, fitted with bath and sewerage.

Also have the advantage of town schools, churches, stores and Post Office as it is only a few minutes walk to the centre of the town and yet clear of town taxes, and situated in the right spot to catch the early and one of the best markets in the Province.

If these farms are not sold by private sale before the 24th. of March, they will be put up at Public auction on the 26th, at the hour of 12 o'clock noon sharp.

For further particulars apply on the premises or write.

## The Western Guardian

—PURCHASES FARM.—Mr. Allan McDougall, New Dominion has purchased from Mr. John W. Livingston that fine old farm, known as the Meadow Bank homestead. He is to be congratulated on making a very fine bargain.

—POSTPONED MEETING.—The postponed annual meeting of the Try-on Dairying Company will be held in the creamery on Tuesday, March 13th, at 2 p. m. F. G. Lang, Sec'y. 4723-3-9M31.

—ST. PATRICK'S AT EMERALD.—As usual, The B. I. S. at Emerald will put on a big concert on St. Patrick's evening, March 17. Proceeds will be in aid of the Patriotic Fund. 4750.

—KENSINGTON GETS "THE AB-BEGEWITT".—Mr. Hugh Morrison of Kensington has acquired the famous racing stallion "The Abbege Witt" in a barter for Seymour Dillon, with Mr. Thorne of Charlottetown. It will be remembered that the Abbege Witt took the two year old Maritime Province pacing record three years ago, which has not been broken at the present writing. This makes the fourth horse with "real" speed owned in the "Paddy's Land" section of Kensington. B. W. McArthur owns Baby Logan and Poney Boy. Joseph Sheen owns the promising Boston mare Nellie Johnson, which made better time in each of her races, and bids fair to rank with the speediest.—K.

—THE MORNING DAILY Guardian can be obtained at Lafferty's Tonsorial Parlors, Summerside.

—MR. W. K. MCGOUGAN is Guardian representative in Summerside.

—INTERESTING LECTURE.—On Thursday evening Dr. Robert Robinson, of Calgary who is on his way home from the front, where he spent a year and a half with R. A. M. C. lectured before the Prince Co. Medical Association in the Prince County Hospital Parlors on the uses of poison gases in war by the Allies and the enemy. The Dentists of Summerside, the Hospital Trustees and Staff were present by invitation. He described minutely and entertainingly the constituents of the various gases and their effects. Dr. J. F. McNeill, President of the Association presided and at the close tendered a vote of thanks, moved by Dr. A. McNeill, seconded by Dr. Tanton and heartily supported by Drs. Jardine and McPhee, Mayor Morrison, Hon. A. E. Arsenault and Mr. Charles Hensley. Dr. Robinson with his wife, is spending a holiday with his father-in-law, Mr. Thomas L. Hinton before returning to Calgary.—C.

—HOCKEY MATCH AT KENSINGTON.—A large number of spectators witnessed the game of hockey in the Kensington open air rink on Saturday night March 3rd, between Bedeque and Kensington teams. The visiting team was defeated. The score at the finish being 6 to 4. The Bedeque team was far the heavier in point of avoirdupois, but couldn't seem to get as many foot-pounds of energy on the "puck" as their lighter antagonists. Bedeque played a gentlemanly consistently steady game, but the spectacular dashes and combination plays of Frank Pidgeon and Leighton Rogers were too much for them. The game was devoid of any rough tactics although one of the Bedeque players accidentally got a nasty cut over the eye in a mixup. The Kensington boys treated the Bedeque team to supper at the Commercial Hotel after the game was over. The Bedeque team brought a strong following of "fans" with them to witness the game. Kensington—Goal, Lynds; Point Pidgeon; C. Point, Rogers; Centre, Simpson; R. Wing, Woodside; L. Wing, Pidgeon. Bedeque—Goal, Calbeck; Point, Bonness; C. Point, Clark; Centre, Condon; R. Wing, Sudsbury L. Wing, McQuarrie. Referee and Judge of play Lloyd Lewis.—K.

—PATRIOTIC CONCERT AT KENSINGTON.—An exceptionally fine concert was held in the "Strand" moving picture theatre at Kensington on Wednesday evening Feb. 28th. The concert was gotten up by the Kensington Women's Patriotic Association, ably assisted by their sisters from New Annan, who put on the comedy called "The Old Maids Club"—redolent with local "hits" on eligible bachelors in the Kensington locality. Mayor Jardine, who presided, congratulated the

W. P. A., on their success in raising funds for Patriotic purposes, and praised the people in general for their hearty co-operation in such a worthy enterprise. Dr. Darrach, on being called by the chairman, made remarks along the same lines. The "character" readings by Mr. Irving of Charlottetown deserve special mention, and were probably the finest that Kensington audiences have been treated to for many days. The selections on the violin by Elmer Ross of Summerside were most delectable the fine musical taste—one would require to be connoisseur in music to comment properly thereon. Miss Gladys Bell of Summerside rendered two song numbers in excellent voice, showing much musical education and natural talent. T. W. Bentley received the usual round of applause his solos always elicit—Hugh Morrison rendered some of the late Hawaiian song hits—Miss Ruth McGregor, teacher at Clinton gave a character recitation in fine voice. The proceeds from door receipts and sale of candy was \$115.20. The following was the programme:—"Chorus"—by Kensington musical club; Comedy, "Old Maids Club"—by New Annan W. P. A.; "Character Readings"—by Mr. Irving, Charlottetown; Solo—by Miss Gladys Bell; Violin Selections—by Elmer Ross; Character Recitation—by Miss Ruth McGregor; Solo—by T. W. Bentley; Reading—by Miss McKenzie; Solo—by Hugh Morrison; Duet—by Tyndale Semple and Mrs. Harry Walker; Farce Comedy—"Nutting" by Walden Darrach and Dr. A. A. Lockhart; Reading from Robert W. Service—by Tyndale Semple; God Save the King. The accompanists were Miss Hurst, Mrs. Urech and Mrs. McFadyen.—K.

—Mr. Chester McCarthy, law student in Charlottetown, visited his home in Sea Cow Pond last Saturday.—K.

—The Misses May and Margaret Cullen, and Theresa Reid, of Hope River, visited the races on the New London speedway last Saturday.—K.

Friend—I suppose deafness is a source of annoyance to you? Deaf Man—Occasionally. Last night for instance, danced with a most charming young lady, and I would give a good deal to know whether she compared my dancing to a "zephyr" or a "heifer."

## SUMMERSIDE GIRLS DEFEAT CHARLOTTETOWN

Intense Interest Shown by Big Crowd in Interesting Hockey Game.

The sporting event of the season was the hockey match at the Arena last night between hockey talent composed of ladies from Summerside and Charlottetown.

The Arena was crowded and all present were unanimous in declaring that the game, notwithstanding the very soft condition of the ice, was in many respects superior to certain brands of hockey turned loose upon an afflicted public by some types of the male species.

From the start the game was swift and clean.—The girls in their natty uniforms looked very fit. Five of the Summerside players appeared in bloomers which looked to be just the right rig for playing hockey.

The teams were as follows:

CH'TOWN	GOAL	SS'IDE
Freda Haszard	Goal.	W. Kenny
Josie Cook	Point.	Mary Arthur
Mary Brehaut	Cover.	Bessie Aylward
Lucy Blanchard	R. Wing.	M. Silliphant
Ethel Haszard	L. Wing.	Euphemia Gallant
Rose Ryan	Centre.	L. Palmer

Tessie Williams Rover. Ruby Hacker

The first few minutes saw some very lively work by the players on both sides.

Miss Silliphant, Summerside's speedy right wing was a veritable marvel the way she sped down the ice. The Charlottetown defence was strong however and every attempt to pierce their stronghold in this half was deftly repelled.

Charlottetown then took a hand in rushing matters and there were times when Misses Williams and Ryan gobbled up the rubber and threatened to wipe the Summerside goals off the ice.

There was a short delay just at this point, Miss Silliphant getting out of breath during one of her meteoric dashes and having to wait till a fresh supply of ozone got in its good work. The presence of tobacco smoke in the rink is blamed for this delay and it certainly showed had taste on the part of any fan to smoke while the ladies were furnishing such lively sport.

The first half closed with no score both sides playing splendidly. Charlottetown seemed to be on the aggressive most of the second half keeping the puck continuously in Summerside territory. Miss Blanchard's body checking being quite a feature. Miss Kenny and Miss Arthur in defence made some fine stops, for Summerside.

## First of the Spring Coats Ready Here Now

When the freight embargo threatened long delays, we notified factories all round to hurry the coats and suits by express - hence this great assortment earlier than you'd expect.

Coats and suits from the foremost makers in Montreal and Toronto the very last word in spring fashion—coats of style—and fit—and mighty reasonable price.

Coats 10.50, 11.50, 16.00, 18.00 to 34.00.  
Suits 12.75, 15.00, 16.00, 24.00, 27.00.

A few minutes before the close Miss Silliphant broke away on another of her sensational jaunts down the ice and before the crowd could hardly realize what had happened the puck was reposing serenely within the Charlottetown net. A great roar of applause greeted the feat. This was the only goal scored and thus Summerside achieved a well-deserved victory.
