Wickham, Queen's Co. N. B., May 7.—Mr. G. L. Worden, commissioner of the Civil Courts here, is emphatic in his endorsement of the great medicine, Dodd's Kidney Pills. "Dodd's Kidney Pills," he says, "have been a wonder and surprise to myself. After over twenty years of suffering with my back and kidneys I am well. Not the least painful part of my trouble was the pain, frequency and poor success in urinating. After using Dodd's Kidney Pills I enjoy the natural, comfortable feeling in the particulars above referred to. I feel like a young man, though seventy-six years of age. I recommend Dodd's Kidney Pills to sufferers, as they do as they are advertised to do."

The following is the report returned from a sample of Dearborn's Perfect Baking Powder sent to the American Journal of Health.

MESSRS DEARBORN & Co.,
Gentlemen:—Re Dearborn's Perfect Baking Powder would say that we have found this article to be absolutely pure and thoroughly wholesome. No better baking powder from the standpoint of chemical science has ever come before our notice. Its blend is as near perfection as has been attained, while its high order of leavening power signally marks it off from the multi-farious baking powders of inferior grade, which is our misfortune to meet with so often.
Yours Truly
JAMES R. THOMPSON.

THE Massey Harris Popular IS WORLDWIDE

And on it the Sun never sets.

The success that the Massey-Harris has achieved in the reputation it has earned in the realm of high bicycles is but what it rightly deserves—and follows naturally honest effort to make the best bicycle that genius and limited capital and facilities can produce, a bicycle esteemed for its merits.
For quality, strength and style, it has taken its place with the best in the world—and the models for 1900 were found to contain the newest and most useful improvements.

AGENTS,

Even Tempering.

When tempering gearing it warps out of shape. The best years of the Columbia Chain are made so that the shrinkage in tempering is evenly distributed over the gear. The result is that the temper of Columbia Chainless gear is even and perfect in cutting.
This gives the Columbia Chainless a superlative goodness among all chain wheels.
And you get with it the National local guarantee.

Bridge Across the Hillsborough

Owing to objections to the proposed location, has been caused in the work on the new Bridge

TENDERS

Will be asked sometime for constructing this bridge. We do not propose mating tender, our line of BRIDGE WORK is confined to Teeth. Dental Science has devised means by which decayed teeth or roots may be utilized and new sound teeth placed on them; it isn't necessary to wear cumbersome plates that too often are unserviceable or ill fitting. Dental Science overcomes this by BRIDGES, by which the gap between two or more teeth or roots is bridged over by Artificial Teeth, making them just as good in every way as your own natural teeth would be.
We would like to show you specimens of our Bridge Work, and illustrate to you the many advantages of it. We manufacture it ourselves, you don't have to loose any time in having it put in, and by making it ourselves, we are in a position to fully guarantee it in every way.
All work done in a painlessly pleasant way, and we are the acknowledged finest fitted Dental Establishment east of Boston, and equal to the best anywhere.
Call and see us. It is a pleasure to us to illustrate our Work and Methods.
