better than a two-minute horse out for the difficulty mentioned. He had endless strength and gameness.

"Grattan Royal wore the straps. Whether he needed them—really I cannot say. He found his way to Canada as a colt—and in Canada pacing and hobbies had even before his day become synonymous. He had never started in a race, as I recall it, when he came out as a five-year-old at the old Fort Erie track, across from Buffalo, in a \$5,000 stake for the 2:11 class. Only one heat was paid, won by Del Rey (then a sensation) in 2:08, in the rain.

"Grattan Royal finished fifth in a field of eight and the race was declared finished, continued rain making it impossible to conclude the meeting. The next week Grand Rapids, Mich., entertained the Grand Circuit. The opening event was a purse of \$1,000 for 2:15 pacers, which he won, tow-ropeing the field, in 2:04 1/2, 2:08, 2:07 1/2. Later in the week he started back in a \$5,000 stake for the 2:11 class. In the first heat there was a furious finish between him and Frank Bogash, Jr., which he lost by a head in 2:05 1/2. In the next heat he was fourth when Bogash again won in 2:04 1/2. His knee was troubling him and in this heat he struck it again, and came out in such shape for the third that he was unable to extend himself, broke repeatedly and was distanced. Those were his only starts that season, as it was found impossible to get him back into form. Nat Ray was then racing him.

"Subsequently he was sold and drifted to Illinois and elsewhere in the Middle West, leading a pillar-to-post existence. Al Thomas tried to race him but started him only once and then gave him up and that ended his turf career. He was sold and traded around, and virtually went begging for a home, when as he had got a few foals in Canada and they were showing well, he was bought by Chas. P. Barrett, of Park Hill, Can., to go back there, where, one may say, he immortalized himself by prophagating one of the most remarkable pacing families ever known; though he died before his time when he should have had years of usefulness ahead of him."

Commenting on the above interesting particulars I may say that Harry is mistaken re Grattan Royal never having started in a race when he came out as a five-year-old for the \$5,000 stake at Fort Erie track. Grattan Royal had been raced during the preceding winter by Nat Ray over the ice at Dufferin Park, Toronto, and had set up a new track pacing record over ice of 2:13 1/2 there.

Maine is check full of harness horses in training at Lewiston. Charlie Mason has fourteen and Jimmy Jordan a similar number. Among those in Mason's stable are Rip Hanover 2:01 1/2, Buck Hanover 2:08 1/2, Happy 2:06, Quick Quaker 2:09 1/2, Ruth Strang 2:10 1/2, etc. The fast ones in Jordan's string include Frisco Direct 2:03 1/2, Czar Frisco 2:05 1/2, Estelle D. 2:05 1/2, Yankee 2:10, Dick Hall 2:11 1/2.

Billy Hall has four head at Auburn, Maine: Harvest High 2:07 1/2, Calumet Chimes 2:11 1/2, a green trotter and green pacer. Henry Clukey has six head including Laurel Hanover 1:52 1/2, Harry Lovell has John Judy 2:01 1/2, Alvin Guy 2:06 and Fole 2:01 1/2.

The above is but a sample selection of the hundreds of trotters and pacers now being trained over the race tracks in Maine. The advent of Pari-Mutuels and a good potato crop, has given a new fillip to the sport of kings in the Pine Tree State. Of course owners' hopes are high and every trainer expects to be heading summaries, but where many are called few are chosen, and no doubt there will be a big weeding out of race material that has been weighed in the

delicate task in trying to find who placed a mine in waters east of Gibraltar, which are near a Spanish government port but in which Insurgent warcraft had cruised frequently.

## CHARGES MADE

The Insurgent command at Salamanca charged the explosion was "dastardly red manoeuvre." It hinted the Spanish government had foreknowledge of it because government warships were closer enough by to give "immediate assistance." At Valencia the government press called the blast "another step in international Fascist provocation" and a "criminal aggression." Reports from the Febus-Spanish government—news agency said "most consistent accounts" indicated the Hunter was torpedoed by a German submarine.

A joint commission of British and Spanish naval officers began an examination of the Hunter's hull at Almeria. Divers were sent down to examine her riddled-open bows.

## "A WICKED LIE"

BERLIN, May 14 (C.P. Havas)—Spanish press charges that a German submarine torpedoed the British destroyer Hunter aroused indignation here tonight.

"A wicked lie," was the caption under the D. N. B. (German news agency) commented on "how the accident to the Hunter is being wrongly used to agitate against Germany."

## EMPIRE

(Continued from page 1)

minion's domestic affairs, the Canadian Premier said that foremost among the tasks facing the country was a careful study and adjustment of problems arising from the differences in the economic situation in the various parts of the Dominion. Problems had been brought to the surface which "may require some readjustment of the financial and constitutional relations between the Dominion and the provinces."

Mackenzie King expressed the conviction that enduring peace could not be achieved without economic appeasement, that political tension would not lessen without an abatement of the policies of economic nationalism and economic imperialism.

"The countries represented here," he said, "have a definite responsibility to join with other countries willing to cooperate in a concerted effort to avoid increasing tariff or exchange or quota controls and to lessen as every practicable way the barriers to international trade."

Canada already had endeavored to open up the channels of trade. Negotiations with the United States and the United Kingdom had led to "substantial tariff reductions. In no instance were the concessions to either country effected by raising duties against any other country. If this policy were continued, he indicated, it would be a contribution to a revival of trade and the consequent removal of international friction and conflict.

**International Outlook**  
Baldwin said it was fitting that foreign affairs and defence were to be the principal subjects of the conference, for the Empire statesmen were meeting at a time when the international situation was difficult, even threatening.

"Responsibility rests upon us to see that our deliberations not only are of service to ourselves but also may help in some measure towards a solution of those international problems which are perplexing the world," Baldwin said. "No more important subjects could engage any responsible body of men."

Speaking of the Government's rearmament policy, Baldwin said that with many of the most powerful nations of the world expanding their armed forces "we in this country have decided that it is our duty to put our defences in order at a cost the magnitude of which "balance" of competition and found "wanting."

## FORMER MAYOR OF SUMMERSIDE LAID TO REST

**Funeral Yesterday Of Edward W. Manson Largely Attended.**

A large concourse of people from all over the province attended the funeral of the late Edward W. Manson, which was held yesterday afternoon from his home on Church Street, Summerside. The service was conducted by Rev. J. B. Wilson, pastor of the Baptist Church, who in a short address spoke of the sterling qualities of the deceased and spoke words of comfort to the bereaved.

The choir sang the hymns "The Lord Is My Shepherd," and "Rock of Ages." The service at the grave was under the auspices of the Hiram and Lebanon Lodge of the Masonic Order. There were a number of Masons from Charlottetown and different lodges throughout the country. The members formed at the lodge rooms and marched to the house. The parade was under the direction of Marshall T. H. E. Inman. From the house to the grave the Masons marched ahead of the funeral cortege.

The beautiful and impressive service of the Masons was carried out by P.G.M. J. M. Nicholson, LeRoy Wabson and the Councilors attended in a body and followed behind the mourners in the procession.

Councillor E. A. Foster, acting Mayor of Charlottetown, represented the Mayor and City of Charlottetown. Hon. Dr. J.W.P. MacMillan, Charlottetown; G. Shelton Sharpe, Tyne Valley; Thomas Wigmore and Walter MacKenzie; LeRoy Wabson, Charlottetown; D. B. McDonald, Bedouque, and many friends from Tryon. The Summerside High School teachers also attended. About fifty cars followed in the procession to the grave. The many beautiful floral tributes bore silent testimony of the very high regard in which the deceased was held.

The pallbearers were Councillor D. P. MacNeil, F. Arnett, Eric MacKay, Melville Bedouque, C. J. J. E. M. Nicholson. Interment was in the family plot at the People's Cemetery.

"We deplore the necessity of it but we had no choice," the Premier declared. "We shoulder that burden because the security of this island, which is still the heart of the Empire, but also that we may be equipped to fulfil our responsibilities in guarding the security of the Empire overseas and as a loyal member of the League of Nations."

"Others of you here are impressed with the same dangers and, though fully deploring the necessity, felt compelled to revise our defence preparations. It will be our task to consider whether, while preserving our individual rights as to decision on defence, we can coordinate our various policies in such a way as to assist one another and to help forward the cause of peace."

Lyons said "the Australian Government feels that a statement should issue from this conference which will demonstrate to the rest of the world that the countries composing the British Commonwealth of Nations are prepared to act together in support of the maintenance of law and order."

"A consistent, unified Empire policy" should be formulated, he declared, "as never before have our own people and the people of the world looked more anxiously for British leadership."

"We must be prepared to offer our counsel and our assistance should circumstances ever arise in which those great principles for which the British people have ever stood are imperilled."

He said Australia would welcome the negotiation of a non-aggression pact by the powers bordering the Pacific Ocean.

Prime Minister Michael Savage of New Zealand said he would be disappointed if, after travelling so far to attend the conference, no effective results should be achieved.

"South Africa," said the Prime Minister J. B. M. Hertzog, "realizes how closely she is implicated in the fate of Europe and the fate of the world," and would like the British Commonwealth to endure "whatever its theoretical basis."

**Reports Of Retiring Officers Submitted At Annual Meeting.**

Mrs. William DesRoches was elected president of the Miscouche sub-division of the Catholic Women's League at the annual meeting this week. Other officers are: past president, Mrs. Urban R. Gillis; first vice-president, Mrs. M. J. Gillis, re-elected; second vice-president, Mrs. Philibert Gaudet; third vice-president, Miss Tessie Lecky; recording secretary, Miss Yvonne Poirier; corresponding secretary, Miss Connie DesRoches; councilors, Mrs. Edward DesRoches, Mrs. Ernest DesRoches, Mrs. Stanley L. DesRoches, Mrs. Stanley Poirier, Mrs. Robert Gaudet.

Mrs. Urban Gillis, retiring president presided. Reports were read from the retiring officers. The report of the president and recording secretary follows:

**PRESIDENT'S ADDRESS**  
Reverend Chaplain, Reverend Sisters, Officers and Members of the Catholic Women's League: "The annual meeting of our Branch of the Catholic Women's League brings us together tonight to give an account of our stewardship as members of this sub-division, and it is customary at this time to review our work of the past twelve months.

"You have just listened to the splendid reports of our efficient Recording Secretary, Mrs. Ernest DesRoches, and of our also efficient Treasurer, Miss Gertrude Lecky, and I believe you will all agree with me when I say that their reports are very satisfactory and encouraging.

"Our Recording Secretary's report reviews in detail, in a very concise manner, the scope of the various activities of our Sub-division during the past year, and I feel we have every reason to believe we have accomplished something worthwhile.

"Each little contribution of our Sub-division, whether it was given to the sick, the poor and the needy, the Church, the cause of education or merely as a token of appreciation, was first a charitable thought, conceived in our organization, fostered, and later put into action by our united group of women enrolled under the banner of the Catholic Women's League of Canada. Our aim is to serve God and our country; to make our great Canada just a little bit better for our having lived in it, and in our humble role we can best accomplish that aim by our unswerving loyalty and charity towards our fellow man.

"Our Recording Secretary has enumerated the several activities of our Sub-division, and it is hardly necessary for me to dwell at any length on our work of the past year. I wish, however, to say that the relief dispensed directly, or indirectly through our Sub-division to the poor, the needy, and the sick of the parish has been a real contribution to charity, and one of our regrets is that more funds were not available to permit us to dispense relief more generously where we felt it was needed. Our small donation to the Prince County Hospital, while not pretentious, was cheerfully given to a very worthy institution.

"Our efforts to raise the necessary funds to carry on our work have met with a fair measure of success. The financial report read to you by our energetic and capable Treasurer is commendable, and shows our Sub-division to be in a good financial position. It is appropriate to mention here that as one of the principal duties of our Entertainment Committee is to see that the necessary funds for our work are provided, every assistance should be given this committee by each member of our Sub-division.

"I take this opportunity of extending, on behalf of our Sub-division, our sincere thanks to our beloved Chaplain, Dr. Monaghan for his untiring interest in our work, and we wish also to sincerely thank the good Sisters of Miscouche Convent for their generosity in allowing us to hold our meetings in this lovely convent.

"As your honored President, I wish to thank each member of our Sub-division for the splendid support you have always given me, and I bespeak for my successor a full measure of that same cooperation with which you have always signally honored me."

**RECORDING SECRETARY'S REPORT**  
Reverend Chaplain, Reverend Sisters, Madam President, Officers and Members:

"I herewith submit the report of the various activities of the Miscouche Sub-division of the Catholic Women's League since our last annual meeting held on April 21st, 1936.

"During the year twelve monthly meetings were held also executive meetings when necessary. Our membership shows a slight increase. Our activities during the year to raise funds to carry on our work consisted of card parties, bingo's, musical shows, etc.

Our first day was fittingly observed, High Mass was celebrated for the living members and all attended in a body and received Holy Communion and I the evening an inspiring sermon was de-

livered by our esteemed Chaplain Rev. Dr. Monaghan. In November a Requiem Mass was offered for the deceased members. Sympathy cards were sent to members in grief.

"Money was donated to the Sisters of our Academy for prizes to be given to the most worthy pupil in each classroom.

"In August we were delighted to learn that Miss Corinne DesRoches the daughter of one of our esteemed members, Mrs. John S. DesRoches, was the winner of the Catholic Women's League scholarship for the Island.

"During the year our Sub-division bought one station of the way of the cross for the Convent Chapel, donated monies to the church fund of our own parish, also the memorial church fund in memory of Miss Margaret Jones and lace was supplied for the alters of our church.

"Numerous small contributions were made from time to time by our Sub-division to provide fuel, milk, fruit and other necessities to the sick and the needy. In addition small donations of cash or kind were also given to the Prince County Hospital, the Sacred Heart Home and at Christmas time treats were bought for the school children. All our National and Diocesan obligations have been paid and we still have a substantial cash balance on hand to begin our next year's work.

"In conclusion, I wish to extend to our beloved chaplain our heartfelt gratitude and appreciation for the kindly interest he has taken in our work, and for his many words of advice and encouragement and to the good Sisters of the Convent for their co-operation and kindness to the League members."

Respectfully submitted,  
Mrs. Ernest (Josephine) DesRoches,  
Recording Secretary.
