Tells How to Stop a Bad Cough

Surprising results from this famous old home-made syrup. Easily prepared and costs little.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with cough and you want quick help, try this reliable old home-made cough remedy. Any drugist can supply you with 2 1/2 ounces of Pinex (60 cents worth). Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This makes 16 ounces of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief. You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds. There are many worthless imitations of this mixture. To avoid disappointment, ask for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

PRETTY WEDDING.—A very pretty wedding took place January 8th 1919 at the residence of Mr and Mrs. E. J. Lidstone, Knutsford when their daughter Elizabeth Ann was united in marriage to Mr. Stanley S. Wedlock of Mount Royal. The ceremony was performed by Rev. H. G. Mellick, B. D. in the presence of a number of the relatives of both the contracting parties. The bride was attended by her sister Janie and the groom by his brother Bayfield. Mrs. Harry Adams played the wedding march. The bride looked very pretty. She was dressed in light blue silk with trimmings of shadow lace and hand work of tatting and crochet and wearing a bridal veil and orange blossoms. After the ceremony and congratulations a beautiful supper was served. During the evening a number of the young people of the district came and gave the happy young couple a royal salute and wished them much happiness. They will reside in Mount Royal.—Com.

Many in town and country will hear with deep regret of the death of Etta Fraser who passed away last Friday morning at the home of her aunt Mrs. Barbara McKenzie Garfield, Belfast. Etta came out from the city to spend a few days with her friends and was attacked by pneumonia which ended her beautiful life in a few days. Miss Fraser was a professional nurse for several years, a graduate of Boothby hospital, N. Y. and stood high in her profession. Among her most valued treasures were letters from many homes and individuals with fervent acknowledgements of her unmingled goodness and efficiency in the sick room. In addition to that she was otherwise an accomplished young lady being a popular vocalist and pianist. Her visits to Belfast where she spent her earlier years were ever welcome. Her last day in church here she took a delightful part in a duet and would be counted a valued acquisition to any choir. Her cheerfulness was contagious. A bright star went down behind earthly shadows in this charming Christian woman but to appear again as a morning star in a brighter better day. To her many friends and admirers The Guardian extends deep sympathy and to her father who now resides in California.

The animal is 13 months old and weighs 1107 pounds and is a magnificent specimen of the breed. He was imported from Ontario by Messrs. J. M. Laird & Son, the well known shorthorn breeders of Kelvin Grove. Messrs. Wedlock and Clark are to be congratulated on the prize they have secured.

MURRAY HARBOR.—A Murray Harbor correspondent of the Wesleyan says: Influenza has hit us hard here. About two-thirds of the homes have been invaded and several cases are very serious, while some deaths have followed. Our churches have been closed for the second time for about a month with no prospect of reopening at the time of writing. As a result church work has been very much interfered with. And as a further result the finances of the Circuit are likely to be considerably behind this year. In the deaths recently occurring here our church has met a distinct loss in the "going home" of Mr. and Mrs. I. R. Prowse, so well and favorably known by several of the ministers of our conference. The home will pass into other hands and therefore one of our best families is removed from our list. In the death of David C. Heron the head of the home is gone and this too we sincerely regret.

Richard Franklin Burhoe, of Westboro, Mass., passed on to the great reward on Sunday, Dec. 29th, 1918. He leaves to mourn a loving wife, and five brothers: Theos., Thomas, William and Henry, of Alexandria and John, of Charlottetown, P. E. I. Mr. Burhoe was born at Alexandria 57 years ago, a son of the late Richard and Susan Burhoe.

He came to Westboro about 36 years ago and soon after went into the painting business which he conducted on a small scale till his death. He was a good, faithful man and gained the good will of his town's men and will be much missed.

He was for many years a member of the First Baptist Church, of Westboro. Burial services were conducted from the Baptist Church on Wednesday Jan. 1st 1919 by Rev. Mr. Holland. A delegation from the I. O. O. F. of which he was a member performed the last rites of that order at the church after which all that was mortal of another of our loved island boys was laid to rest.

The sad death took place at the home of Mr. and Mrs. George Hunter, Indian River, on Oct. 29th, when their eldest daughter Vertis G. passed peacefully away after an illness of over two years at the early age of 18 years. Vertis was of a kind and lovable disposition and endeared herself to all who knew her, and her early death is keenly felt. The piece made vacant in their lives by her death can be filled only by dearest and good memories of her and she has left behind her those who cherish tender thoughts who now rejoice in the confidence of hope that she is at home in the Father's house where pain and sorrow are not known and reason is enthroned with divine light and love. The services at the house and grave were conducted by Rev. Mr. Goodwill, of Kensington, and the remains were laid to rest in Malpeque cemetery. There are left to mourn a father and mother, four sisters and four brothers, to whom is extended sincere sympathy.

He was a young man of splendid promise and his death at the age of 29, with the future bright before him, is a severe blow to his father, his young wife, brothers and sisters and to the community in which he had already made his mark as a useful citizen. He was general agent at Montague for the Massey Harris Company and had laid the foundation of an excellent business, being a general favorite among all who did business with him. There are left to mourn besides his wife, formerly Miss Pearl Clay, daughter of Mr. Edmond Clay of Bridgetown, his father, and the following brothers and sisters: C. H. of the Massey Harris Co., Montague, and formerly of Charlottetown; Guy H. of Montague; William R. of Gladstone, Man.; Hubert of Saksatchewan; Mrs. W. J. Bridges, New Glasgow, N.S.; Mrs. Clarence E. White Montague; Mrs. John Ingram, Roxbury, Mass., to all of whom the Guardian tenders deepest sympathy. The funeral takes place this afternoon at 2 o'clock.

On the 28th of December, 1918, Mr. John B. McKinnon of New Haven, departed this life at the age of 66 years. He had not been in robust health for the last two years, but kept going about and engaging in work until last October when he was overtaken by the serious illness which terminated in his death. About thirty years ago under the ministry of the Salvation Army he was led to surrender his life to the service of God. He then united with the Army and continued to support its work. He also took a live interest in the work of the Methodist church at Kingston and for a period of years he, in company with other hymns, was active

in conducting religious services at various places. During his illness he was sustained by an unflinching faith in his Saviour, and went on to the end in the blessed hope of a glorious immortality. He is survived by his wife Hannah Proud and by one daughter, Mrs. Daniel Docherty, and by one son, Neil, who mourn the loss of a kind and loving husband and father. There are also a wide circle of relatives and friends who mourn.

The funeral was held on the Monday following his death, and was attended by a large concourse of people. The services were conducted by Rev. J. Heaney, and concluded at the grave by the burial service of the L. O. A. conducted by the members of King William L. O. L., No. 1167 of which he was a member. Interment was made in Kingston Cemetery and the pall-bearers were: Bertram Younker, Daniel Fraser, James Nolan, Benjamin Ward, J. Tierney and C. Cahill.

TUESDAY
EXTREME COLD.—It is reported that in different parts of the province the thermometer registered as low as 22 below zero on Saturday night and Sunday morning.

THE COLD SNAP.—The recent cold snap caused quite a lot of work for the plumbers, many householders being taken unawares by the sudden invasion of Jack Frost, and as a result there were quite a number of burst waterpipes throughout the city. The severe frost also made a good covering of ice on the rivers and as the result teams crossed yesterday at North River and on East River above Southport.

FIRST CROSSING ON ICE.—Yesterday morning Mr. Wellington McNeill of Southport made the first crossing by the river ice coming to Charlottetown with three loads of hay.

FUNERAL TOMORROW.—The funeral of Mr. Albert Riley who passed away yesterday morning will take place from his late residence, Linkletter, tomorrow afternoon at 2 o'clock to St. Eleanor's Cemetery. The funeral will be under the auspices of the Masonic Lodge. The deceased was 61 years of age and was a very highly respected resident. He leaves to mourn besides a large circle of friends, his widow and one son, Benjamin and two daughters, Bertha and Neta, all at home. To the bereaved sincere sympathy is extended.

He is survived by his wife Hannah Proud and by one daughter, Mrs. Daniel Docherty, and by one son, Neil, who mourn the loss of a kind and loving husband and father. There are also a wide circle of relatives and friends who mourn.

The Always Certain Flour
That Never fails to make Splendid Bread or Pastry

HERE are no "hit or miss" experiments with your baking when you use Queen City Flour. It makes for better results every time you bake, when you know for sure just exactly what your flour will do.

QUEEN CITY FLOUR
(Milled according to Government Standard)

never varies either in strength or balance. Mills with ordinary equipment do their best to keep all-purposes flour uniform, but they have not the facilities for knowing what the ever varying wheats contain. With Queen City Flour it is different. Experts in our testing laboratory find out exactly what is in every shipment of grain that we use. Therefore it is no trouble at all to keep our flour uniform.

Queen City Flour always does what you expect it to do. Your recipe comes out right. This all-purposes flour contains just the proper amount of Western hard wheat for splendid, big, bulging loaves of bread, blended to a nicety with the correct proportion of Ontario wheat for the most satisfying, light, flaky pastry that will delight everybody. Be sure to give this dependable, always highest quality flour a thorough trial.
