

Such flavor!...so different!

Just watch that grin of pleasure, as Dad pitches into his bowl of crisp, toasty Shreddies! You'll revel, too, in their grand, fresh-from-the-oven taste. Each spoon-size morsel is flavor-mellowed with tasty malt, then toasted to a crisp, golden brown. And Shreddies is nourishing... made from the whole wheat, including the bran, minerals, protein and the precious wheat germ.

"TOPS" IN CHEESE TIDBITS. Spread cheese on Shreddies, toast in oven, then serve. It's a scrumptious taste-thrill your party guests will really go for!

Important NOTICE

We will very soon be receiving New Electric Washers, Frigidaires and Vacuum Cleaners. In view of the great number of customers who have asked for these appliances in the last few years, our various lists are now out of date and confused because some customers have since bought used machines, or moved away, or are not now interested, etc. Therefore, from the appearance of this Ad, we will start a new priority list of registering those customers still interested. Please call or write to our Charlottetown Hardware Department. Names will be listed in the order received. We feel that this method at this date is the only fair way of handling the distribution as the supply of these machines will be limited for sometime.

LITTLE THINGS Be not anxious about little things if thou wouldst learn to trust God with thine all. Act upon faith in little things; commit thy daily cares and anxieties to Him. He will strengthen thy faith for greater trials that may come. Dr. Pusey.

A WARTIME CHEVROLET OWNER says

"My Chevrolet Can't be Equalled for Smooth, Dependable Performance!"

DR. T. ALEXANDER DAVIES, 578 SHERBOURNE STREET, TORONTO.

"I've driven Chevrolets for a good many years, and frankly, I was always reluctant when it came time to turn in the car. As far as I'm concerned my 1940 Chevrolet can't be equalled for smooth, dependable performance, in spite of the none too favorable driving conditions of the past few years, and when doctors are busier than they've ever been before, and when doctors are busier than they've ing about the city and to repairs. In my essential driving about the city and to repairs. In my essential driving highway the car averages up to and from the hospital, I find depending upon the driving speed. Incidentally, I have found that the car runs as smoothly at higher speeds as it does at 20 miles an hour. Because my Chevrolet continues to provide such dependable service, I give the car the benefit of regular check-ups. I am determined to keep it in the best possible condition until the new Chevrolets are available again."

T. Alexander Davies, M.D.

THANK YOU Doctor Davies for a fine testimonial to the performance and dependability of Chevrolet! Thousands of Chevrolet owners, everywhere in Canada, will echo your statements about the honest-to-goodness service which this great car has rendered during the difficult war years. For Chevrolet, with its built-in staying

power and reliability, its extra mileage and its thrifty operation, has proved itself the nation's No. 1 transportation unit—both in the hands of civilian and military drivers. Canada's most popular peacetime car, it has built up a record for wartime performance second-to-none.
